

Do you have clients who struggle with electricity or gas bills?

Uniting Communities offers **free Home Energy Assessments** to people wishing to control their energy bills and who have ongoing payment difficulties.

Skilled Energy Efficiency Advisors work with households to identify areas of high usage and provide strategies to reduce energy consumption.

Referrals for home visits are available through financial counsellors or via attendance at a ConnectEd information session.

Referrals should include:

- Name of client
- Address
- Phone number
- Energy retailer/s
- Reason for referral
- Copies of bills if possible and with approval from client would greatly assist.

Email referral to ConnectEd@unitingcommunities.org
