Dear Parents/carers,

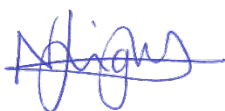

**Re: COVID-Safe QR Check-In Reminder**

Just a reminder to please scan the QR Code when entering any of our school buildings. If you do not have your mobile device with you, a sign in sheet is available in the Front Office. SA Police are now regularly checking businesses and individuals to ensure that this is happening.

Please note that the Check-In is purely for SA Health contact tracing purposes. Updated information about COVID-19 can be accessed via SA Health <https://www.sahealth.sa.gov.au>

Thank you for your continued support with the health and safety of our whole community.

Kind regards

Nick Wright  
Head of Campus
