Office of the Principal

27 July 2021

Dear Parents and Caregivers of Galilee Students,

I am sure you have been following the news from the Premier of SA that schools are likely to be open for all students and return to normal operation on Wednesday 28 July.

Should the Premier make that announcement, then our school will have a normal full school day on Wednesday and we will expect students to be at school ready to start morning homeroom at 8.45am (except for those students still serving a period of isolation).

Please continue to refer to the following resources for the latest information:

SA Government website <http://www.covid-19.sa.gov.au>

SA Health Website <https://www.sahealth.sa.gov.au/>

Catholic Education SA Updates www.cesa.catholic.edu.au/alerts

I thank you for the way you have adapted to the sudden change that was thrust upon us last week. My thanks also extends to our staff who have either been at school or supporting students online.

As always, students should not attend school if they are unwell or are required to self-isolate by SA Health. I pray that you continue to be well and we look forward to the school being fully open on Wednesday.

Please note that some government restrictions may still be in place and this will mean normal access to the school site by parents may not be possible. More information will be provided in due course with regard to these restrictions.

Kind regards

Yours Sincerely,

Dr Paul Rijken
