Galilee Catholic School

Uniform Policy

Together with our school logo and the values of welcoming, respecting and constructing, the wearing of the uniform symbolizes our unity and identity as a Catholic school community. At Galilee Catholic School students are expected to wear the school uniform at all times. Whilst wearing the uniform, such as on excursions, before or after school etc, students are representing Galilee Catholic School and are expected to uphold the image and identity of our community. The uniform must be worn with pride and reflect our image and identity at all times.

Parental support and cooperation is essential in supporting the school to achieve high standards. As part of the enrolment parents sign a declaration 'I/we accept the standards school sets regarding grooming, uniform and personal presentation.'

Students are expected to wear the standard uniform each day of the week unless notified by school staff. There will be 2 days per week when home groups will have a set physical education lesson requiring the full school sports uniform to be worn.

During terms 1 and 4 summer items shall be worn and in terms 2 and 3 winter items are to be worn. In the case of cooler or warmer weather conditions at change over of terms.

- Summer items may be worn in the first week of term 2 or last week of term 3.
- Winter items may be worn in the last week of term 1 or the first week of term 4.

Hat - Sun smart policy

Students must have a school sun safe bucket or slouch hat to be worn whenever the UV levels are 3 or higher as per the Sunsmart Primary Schools Guidelines. Students without hats will be required to go to the stages or under the verandah during outside learning times.

This can be a source of clean, second hand uniform products and is open a number of times per week. Please enquire with the administration staff for the current opening times.

STANDARD OF UNIFORM

Uniforms should be kept clean, well presented and appropriately worn at all times. Over time uniform items become tattered and must be replaced.

Parents/carers are expected to notify their child's homeroom teacher of the appropriate reason why their child is not wearing the standard uniform.

Should the School Uniform Policy continue to be infringed or disregarded after 3 times, with notes home being provided, your child will be excluded from outside learning and excursions, and school functions where they will be representing the school, as the uniform expectation is not being honoured. Learning will continue. If there is ongoing recurrence to adhere to the uniform parents/caregivers will be contacted by school leadership.

We are aware that 'trends' come and go and different items come from time to time. The school has the right to make amendments as necessary to ensure the standard and image of the school is upheld. No other items can be introduced to the uniform without approval of the Principal.

Our uniform has been designed to be inclusive. If you have any queries please do not hesitate to contact you child's homeroom teacher or the front office.

LABELLING AND LOST PROPERTY

Parents/carers are strongly encouraged to label **all** uniform items to ensure they are safely returned to children. The lost property basket is located at the admin building should you be missing a uniform item.

- Hair longer than shoulder length must to be tied back (boys and girls)
- If hair is not within these specifications then parents will be asked to rectify and the student will have to wear hair up and/or a hat to cover whilst in public, ie outside learning/excursions/events ec

NB RE SCHOOL SHOES:

Black school shoes that have 'appearance' like a sneaker but are a school shoe are accepted. Often these shoes are leather and designed for active wear at school. (i.e. Clarks). What is not accepted is black sneakers or canvas shoes.

Black shoes are to be plain (i.e. no decorations/flowers). We have provided some examples to help.

These shoes are examples of correct school shoes:
