MLTAQ Online Speech Contest

Secondary German Year 11 Division Speech

Please choose your own topic and write a speech in German. You can look at the ideas for year 10 and build on that by going into more details. **For example**, you can talk about yourself a little and then talk about friendships in detail (what qualities make a good friend). The length of your speech shall not exceed 5 minutes. No gestures are to be used other than greeting and farewell. Judges will consider accuracy, pronunciation and delivery. While the use of palm cards is permitted, students are expected to deliver their speech fluently.

Secondary German Year 12 Division Speech

Please choose your own topic and write a speech in German. You can look at the ideas for year 10 and build on that by going into more details. **For example**, you can talk about what the future may hold for you after a brief personal introduction. You can talk about what subjects you are studying and what these may lead to. The length of your speech shall not exceed 7 minutes. No gestures are to be used other than greeting and farewell. Judges will consider accuracy, pronunciation and delivery. While the use of palm cards is permitted, students are expected to deliver their speech fluently.
