

Gawler & District College B-12

EdPass – How to Log On

What is EdPass?

EdPass is the gateway that enables staff and students attending SA schools to access the essential tools they need to support teaching and learning from anywhere. Here is a snip showing some of current shortcuts – your own shortcuts can also be added later:

How do I access it?

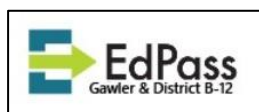

There are several ways:

1. Head to <https://portal.edpass.sa.edu.au> on any device
2. On a school Chromebook, click on the **Education** folder found top left of the Chrome browser favourites bar and select **EdPass**
3. On a school Windows 10 laptop or desktop, open the Chrome browser - EdPass should be the first tab open.

How do I log in?

Again, there are several ways:

1. Firstly, check out the text underneath the EdPass logo at the top, you should see one of these:

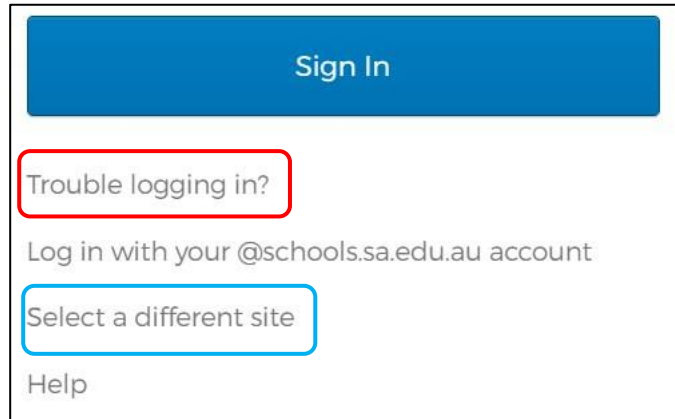

2. If you see **Gawler & District B-12**, use the same username and password as you log in to your laptop with – e.g. firstname.lastname for students. Tick the box to remember you.
3. If you see **Portal**, or you can't log on - **please turn over!**

4. If you see **Portal** under the EdPass logo, or you are having trouble logging in:

Scroll down to underneath the Sign In button and click on **Trouble logging in?**

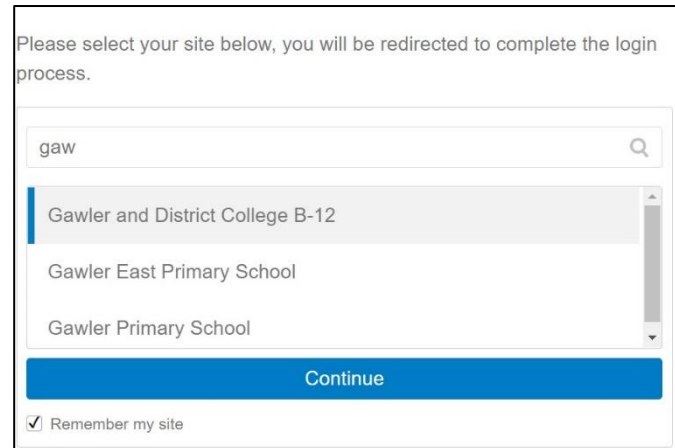

You will then see some other options.

Choose **Select a different site**

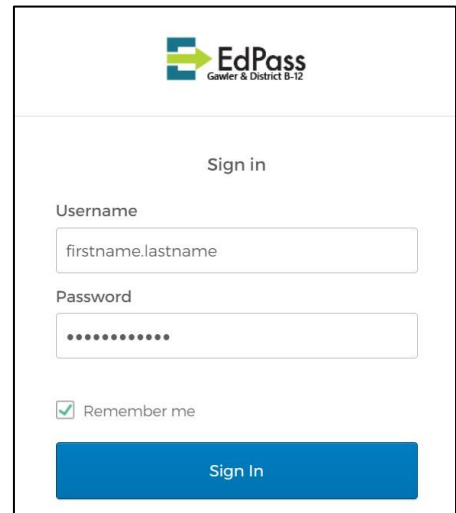

5. Type **gaw** in the search field and select Gawler and District College from the list.

Tick the box next to **Remember my site** and click **Continue**

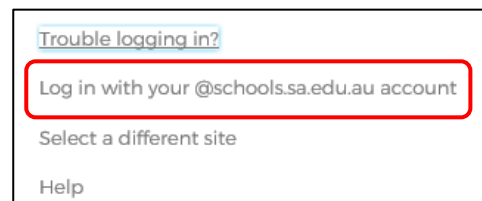

6. You should then be presented with the correct logon screen, showing **Gawler & District B-12** under the EdPass logo.

Log on with your curriculum network details, the example shown is for students.

7. **IF ALL OF THE ABOVE ATTEMPTS FAIL:**

Select **Log in with your @schools.sa.edu.au account** and log in with your school email address and Learnlink password

8. If you need a password reset, please use the Contact details on our website: <https://www.gdc.sa.edu.au/contact-us> - using the heading **IT Support**
