Werx COMMERCIAL Services

Bathroom Werx has all the resources, skills and capacity to service large or small commercial jobs all around Australia.

Our Technicians are fully trained in handling big projects and are fully compliant with occupational health and safety regulations.

Where are Bathroom Werx services possible.....

Here is a idea of where ***Bathroom Werx Re-enamelling Services*** are commercially possible:

- Bathrooms: *Wall tiles, baths, basin, vanity tops, shower bases, spas.*
- Washrooms & Restrooms: *Wall tiles, urinals, partitions, benchtops, basins.*
- Showers including communal areas: *Wall tiles, shower bases, partitions*
- Staff change rooms: *Wall tiles, partitions.*
- Powder rooms: *Basins, vanities, benchtops, wall tiles.*
- Kitchens: *Wall tiles, splashback tiles.*
- Public amenities: *Wall Tiles, vanities, basins, benchtops.*

A Bathroom Werx Makeover is a great alternative to an expensive “rip-out & replace” renovation.

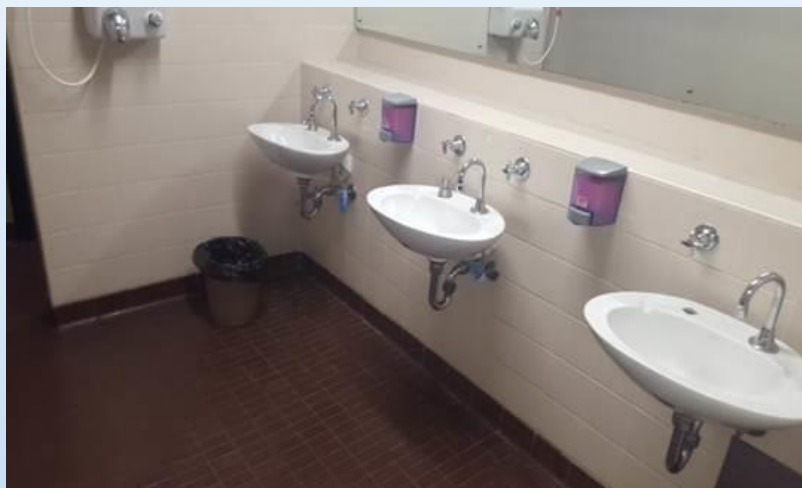

- ✓ The work is done much quicker than a traditional renovation resulting in a minimal downtime of your facility.
- ✓ The new surfaces are easy to clean and will look new and glossy for years.
- ✓ Graffiti is easily removed with our unique one coat system.
- ✓ The new surfaces are guaranteed for 2 years in writing backed by our 30 years of experience.
- ✓ The Werx Enamel is made in Australia from the finest materials and specifically formulated for bathroom sanitary ware and the heavy punishment and use that bathrooms are subject to.
- ✓ The Werx Enamel is CSIRO tested and passes all the relevant Australian Standards.
- ✓ No plumbing, no re-tiling and NO MESS!
- ✓ Great range of colours to choose from to suit your decorator scheme.
