

It was remiss of us not to acknowledge Narre Warren on setting what will likely be a long standing record for consecutive victories last week.

The Magpies racked up 44 wins in a row including two premierships and that is a mark worthy of note in anyone's book, especially given the way it was achieved. Narre Warren has made no secret of their commitment to developing and promoting their juniors as the basis of success and for that they must be congratulated.

Most agree that junior development is the way to go and while we agree that few have the growth area that Narre Warren and a couple of other Casey Cardinia League clubs enjoy, the focus on promoting from within and pushing up those who are already part of a club is vital. All clubs across the three PCNSA leagues need to keep this point front of mind.

While we are feting positive achievements, well done to the crew at Carbonless Books (formerly our long-term partner Printscene) for their continued production of a high-quality and attractive set of records each week. The Footy Record and Chronicle are packed full of information and facts that cover our competitions together with football and netball across our region as a whole.

Columns including AFL Vic Country, SUA and CCUA, Stingrays, Frankston Dolphins and Casey Scorpions news, along with club notes and match previews make the publications must-reads for most local sports fans.

We strongly advise all footy followers to grab a copy each week and have a read. The answers to most queries that this office is asked to provide are more often than not inside the record.

Peninsula League will be the focus of this weekend's rivalry round with Seaford hosting Chelsea for the Frank Parsons Trophy. This award dates back to 2001 and commemorates the memory of Frank who was one of the finest and most progressive football administrators on the Mornington Peninsula through three decades.

Most trophies or shields struck to celebrate rivalry rounds between our clubs have significant history attached to them and we encourage all clubs that play these games to impart that history back to up-and-coming officials and volunteers, along with players and supporters. It is important to acknowledge our history and use is as an example and positive reinforcement as much as possible.

As clubs should now be aware, the venue for this year's Women Making a Mark in Sport luncheon has been finalised and interest in the event is growing rapidly. It will be held on Friday 18 July at the Sandhurst Club and the cost will be \$55 per person including a two-course lunch and drink on arrival. The event will benefit the Brain-wave charity, which assists children with brain injuries or illnesses. It is a non-government funded charity and all profits will be donated to assist support this important cause. For bookings or further details email: info@pcnsportsalliance.com.au

Netball Representative teams take the court on Sunday 29th June with the 13 & Under, 15 & Under and 17 & Under heading to Frankston & District Netball Association Tournament at Jubilee Park Frankston.

The WM Loud Senior team lead by Kerry Twyford & Laura Herrington will attempt to go one better than runners up in 2013 at the State Netball & Hockey Centre in Parkville.

Good Luck to all players and officials.

Spirit of Sport Medal Winners

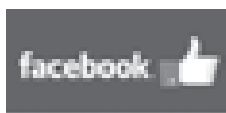

Nicholas Schumann - Tooradin-Dalmore Football Players will be presented with a framed certificate & medallion by a member of the Victorian Police on Saturday 28 June

HEALTHY CLUB TRIAL A BOOST FOR GOLDEN SQUARE

Golden Square FNC are reaping the rewards of AFL Victoria's Healthy Club Trial.

By any measure, Bendigo FL club Golden Square can claim to be one of country Victoria's best.

The Bulldogs have not only won the last five consecutive BFL premierships but have also become an off-field leader through AFL Victoria's 'Healthy Footy Club Trial'. A recent report released by La Trobe University has shown the impact of small changes designed to improve the health of club members and supporters.

The three-year program has involved several components, including offering healthier options at the club's canteen and mid-strength beer at the Bulldogs match-day bar during the game.

Survey results suggest the move to mid-strength beer is paying off.

Of the more than 500 people surveyed, 71% thought that the move to mid-strength was good idea.

In another sign of its popularity with supporters, 68% of people surveyed at four Golden Square home games thought that it would be good if the mid-strength policy was extended to every ground in the Bendigo FL.

Spectators who normally drink full-strength beer were also asked to nominate their first choice alternative if a full bar was not available. In 2012, 45% nominated full-strength mixed drinks and 39% nominated mid-strength beer.

But in 2013 those nominating mid-strength beer rose to 59%.

Golden Square President Jy Pertzelt said responsible alcohol management was now clearly aligned to the club's values and goals.

"It really started about 10 years ago with small changes being made to improve our off-field culture," Pertzelt said.

"When AFL Victoria approached us with this project three years ago we were ripe to be involved and take things a step further."

"Overall all we think it's been a positive outcome that's benefited the whole club."

"We've had the odd complaint from people wanting to buy a full strength beer but overall we haven't seen our revenue in this area drop off or seen anyone leave because of it."

AFL Vic Country

"Focusing on our culture through this initiative has also helped us build better relationship with our junior club and had an impact on ability to recruit players."

"When we speak to players about coming to our club, the fact we have a good culture is usually a big selling point."

AFL Victoria Cultural Strategy Manager John Strachan said Golden Square had showed great leadership by being the first and only club involved in this program.

"Golden Square's focus is on being a healthy club that is inclusive and family friendly," Strachan said.

"Alcohol has not disappeared from the club, but its culture has shifted."

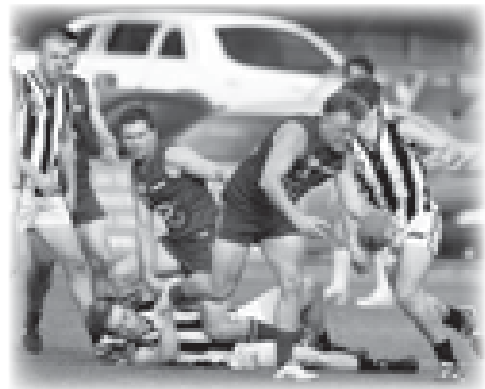

"Underage drinking has been targeted with a "no tolerance" approach and "All you can drink" events have changed to "six drink tickets" events.

Strachan said the Healthy Footy Club Trial has proved that making small changes can have a big impact.

The Health Footy Club Trial has been conducted in partnership with VicHealth.

Planning for the Future

In the coming months, AFL South East will be releasing a number of plans and reports which will help shape the future direction and delivery of football and in turn netball within the region.

AFL South East is a body which has been developed to serve in the best interests of the region as a whole and to bring ALL stakeholders together – leagues, clubs, umpiring associations and sporting partners (netball).

There has been and continues to be division within this region and any rhetoric around AFL South East's motives being anything but what was listed above is designed to maintain that division and work against the interests of all.

AFL South East are working on a number of plans simultaneously – some of which will take longer to produce. These include:

Strategic Plan – the blueprint for AFL SE's operations and focus. The plan will cover the timeframe of 2014-2016 and include 7 key pillars. These include participation, community, engagement, development, facilities, partnerships and people. The plan is expected to be released in August.

Facility Development Plan – incorporating and inclusive of all levels of government, this plan will provide an important reference for facility investment in the region. All clubs and leagues will have the opportunity to present their development and upgrade needs as part of the plan, which, through a consolidated approach, will achieve broader, more targeted and more significant outcomes. **Regional Coaching Strategy** – AFL South East will shortly release its coaching strategy for the region. This strategy will provide for a significant increase in the investment being made into coaching training, development and support. Many initiatives in the coaching space will emanate from the strategy release and for those clubs that embrace these initiatives, real and tangible benefits await. AFL South East is a multi-faceted body. We are responsible locally for the governance and application of AFL Victoria Country's rules and regulations and our Football Development Managers are responsible for the development and growth of the sport at all levels. We are also a membership based body and will continue to deliver benefits for that membership.

AFL South East

As the overseeing body for football in the region, it is imperative that planning for the future takes a high priority at this early stage of the Commission's existence. AFL South East is here to stay and through appropriate, diligent and feasible planning, we can all look forward to a cohesive, dynamic and progressive football environment into the future.

Jeremy Bourke
Region General Manager
AFL South East

Football Preview

ROC still a chance..

Round 10 produced a few head-scratching results led by ROC's huge upset win over giant killers Cranbourne.

A combination of accuracy in front of goal and self-belief after half time was the key to the Kangaroos victory, which sparked emotional celebrations in the rooms afterwards. Cranbourne coach Scott Sutherland and his brains trust will be looking forward to putting the game behind them while ROC followers are still holding on to their slim hopes of playing finals after the result.

Beaconsfield again became the tipsters nemesis, disproving recent form and scoring a resounding – maybe season defining – victory over arch-rivals Berwick last weekend. The Eagles are a Jekyll and Hyde combination that every opponent will need to be wary of on that effort.

Tooradin gave new coach Lachlan Gillespie the perfect start to his tenure with a huge result over Hampton Park, while Narre Warren now sits two games clear on top of the ladder courtesy of a solid win on the rebound over fellow finals aspirant Pakenham.

Four of this weekend's five games look worthy of making the journey to a Casey Cardinia League venue and if results fall the way of the favoured sides, amazingly the door to the final five will be open again.

Berwick v Pakenham

Berwick found a way to ruin their record against Beaconsfield last week and, after that, many local pundits are openly wondering whether they have over-rated the 2014 Wickers. This weekend's effort against Pakenham, and final result, will answer that query.

The Wickers were unable to find a way to win a game

that would have cemented them in second position. They get another shot at that and coach Rhys Nisbet will be looking to Madi Andrews, Mitch Johnson, Luke Sheppard and Kristian Meredith to inspire that effort.

Along with stars Russell Lehman and Dom Paynter, it is encouraging to see names like Chris Cairns, Jarrod Tonks and Jarrod Thiesz among the Lions best as depth is vital to success in this competition. That could prove the difference in this game.

We have been on board the Wickers bandwagon from round one but the faith is starting to waiver. At the Edwin Flack Reserve, in front of their faithful, Berwick should win but they will certainly have to earn it.

Narre Warren v Beaconsfield

Beaconsfield coach Clint Evans pulled the rabbit out of the hat in an important game last week and gets the chance to do it again against the ladder leaders.

Eagles fans saw the best of big-marking forward Shaun Pollard and league medallist Scott Meyer last week and the positive affect the dominance of the two stars had on their team mates was noticeable. Evans will be looking for a repeat of that - times two.

Narre Warren again underlined its talent pool last week. Under 19 prospects Liam Myatt and Toby McLean are following in the footsteps of former juniors and now top-liners like Ben King and Josh Tonna, creating even more excitement at Fox Road.

Those at Holm Park Road last weekend would know that Beaconsfield's victory was no fluke, but backing that up at Narre Warren will be a big ask. This time it doesn't really matter whether the 'good' or 'bad' Beacy turns up because the Magpies are just too good.

ROC v Hampton Park

As predicted Hampton Park's happy bubble was well and truly burst last weekend but another week brings another chance. ROC players will be feeling very comfortable

about their chances and, on form, should be.

Brad Jones finally got his side to click and did that against quality opposition and at an unfriendly venue. New belief in the hearts of leaders like Ben Tivendale, Chris Potalej, Andrew Logan and Neil Adams will inspire team mates to strive for finals.

Hampton Park came back to earth last week and, save for the games of Nathan Allen, Dean Jamieson, Brodie Yapp and Josh Green the effort was disappointing. The Redbacks are still a work in progress.

That said, Hampton Park only has one way to go and ROC will qualify as a 'big scalp' in the context of their season. Form says the Kangaroos will get the win but it may be closer than many think.

Doveton v Tooradin

This game is a lip-licking scenario. Tooradin with a new coach and new, winning outlook will travel to Doveton who, similarly have the confidence bred from a big win and a (remote) sniff of finals.

Shannon Henwood's side has been hit hard with injury this year but he has never stopped believing in their ability to win. That is typical Doveton spirit and Michael Henry, Michael Laszczyk, Jake Mullen and Scott Dinsdale share it along with their team mates.

Tooradin will face a much greater challenge this weekend and all at the nest will know that. While Ryan Louch, Jake O'Donnell, Jake Genoni and Julian Suarez partied in attack last week, an even bigger effort will be required to back that up.

The jury is still out on the Seagulls. A win is a win but it is yet to be seen if the changes at the Western Port Oval are long term or not. On that basis we will go with the Doves to win because we know what we will get from them.

Keysborough v Cranbourne

On paper this is the dud game of round 11, but a statement like that has come back to bite the writer more than once.

The fact is that Keysborough is struggling in every aspect of its sporting endeavours this year. Despite the presence of playmakers Chris Bryan, Daniel Morland, Ryan Goodes and Rob Minney, the Burra is simply undermanned in comparison to its opposition.

The Eagles are at the opposite end of that scale but has other issues. Consistency across four quarters would be a good start and the onus is with on-field leaders Marc Holt, Michael Boland, Ryan Jones and Max Gearon to light the fuse.

Football Preview

Cranbourne does not like travelling – ever. The mood at Casey Fields will have been anything but happy this week and the last thing the Eagles would be looking forward to is a pre-game drive to an away ground. Sorry Burras but someone has to pay for that.

Reserves

The reserves ladder is as open as it has been for more than a decade at the same time of the year and it will be up to a combination of luck with injuries and depth of talent that tells the story in regard to the two finals spots currently up for grabs. The battle raging between Cranbourne, Doveton, Tooradin and Beaconsfield will come to a head again this week when the Doves host the Seagulls in a desperate encounter. Both had huge wins over inferior opposition last weekend so confidence will be super high in the dressing sheds. Doveton has the luxury of Ricky Hayes in attack and that tips the lever in their favour.

The other five-shaper of the day will see Berwick at home to Pakenham. The Wickers have overcome all rivals bar top dogs Narre Warren to date and should again prove too classy for the determined young Lions.

Other winners will be Narre Warren over Beaconsfield, ROC over Hampton Park and Cranbourne over Keysborough.

Under 17s and Under 19s

Narre Warren and Berwick have broken away at the top of the Under 19 ladder and look likely to be circling each other for the rest of the year unless one of those below can cause an upset. That could very well occur this weekend if Pakenham can find the key to a four-quarter effort against the Wickers. The Lions incentive should be high because a loss will see Cranbourne replace then in third spot, however on form, the tip has to stay with Berwick. Narre Warren will handle Beaconsfield and Tooradin will down Doveton, however the clash between Hampton Park and ROC is a line-ball. Maybe the Redbacks in this one.

There are two big games in the Under 17s this week with Hampton Park lining up for a chance to force win number one against ROC at Starling Road and Tooradin looking to knock Doveton out of third place at the Robinson Reserve. Unfortunately neither away team will get the chocolates. Other results will see Narre Warren down Beaconsfield and Berwick beat Pakenham.

Club Notes

ROC Kangaroos

The 17's failed to field a side last week due to injuries in both 17's and 19's. The 19's put themselves out of the game in the by letting the opposition kick 9 goals to 1 behind in the 1st quarter, from then on Cranbourne kicked a further 9 goals to our 6 for us to go down by 77 points. The Reserves had there best start for the season kicking 6 goals to 1 in the first quarter and still held a 9 point lead at the main break. then Cranbourne kick 14 unanswered goals in the second half to run out easy victors. The Seniors were keen from the first bounce to make sure there club stalwart Ben Tivendale celebrate his 250th game in style, We put on 2 goals to 2 behinds in the 1st quarter, the second saw a much even contest with both sides kicking 5 goals apiece, the 3rd saw us kick 3 goals to 1 and put a 19 point margin at 3 quarter time, i went out to the huddle to see the players reaction and there mind set for the last and for the first time you could sense that they were not going to let this one slip, and to there credit they matched every challenge Cranbourne threw at them. So much for the write up in the Chronicle about us traveling to Casey-Fields and getting the confidence belted out of us, Oh well thats football.

Saturday 12/7 Reverse Draw.

Saturday 26/7 Fancy Dress.

Hampton Park Red Backs

WOW what a difference a week can make! From 2 great wins in Rd 9 to 4 defeats in Rd 10 just goes to show you are only as good as your last win! The Under 17's whilst undermanned played some hard football but on the day Tooraddin proved too strong. After the bye the week before the Under 19's were raring to go and played some good football throughout the game but on the day Tooraddin were more determined - Great games to B Batt, J Isle & N Donnelly. And from then on things just went down hill very quickly - the contrast between the the last 2 weeks was massive and our Coaches were left shaking there heads in bewilderment! Its back to the drawing board for the Reserves and Seniors this week with such disappointing results. The skill levels, confidence and determination were greatly diminished compared to the week before - get to training remember the spider traits and lets lift this week against ROC...good efforts to R Anderson, A Koe and R North for the Reserves and B Yapp, N Allen & J Green for the seniors! On a brighter note Round 11 we celebrate a huge milestone for one of our much loved players - Sean Noonan who will be playing his 100th game for the club - his loyalty, dedication, skill and determination is to be admired and learned from - Great effort Noons!! "In order to excel, you must completely dedicated to your football. You must accept criticism you must not accept defeat. Without 100% dedication you wont be able to do this!"

Doveton Doves

The seniors had a comfortable win against Keysborough with everyone contributing in a team effort. The two's also had a comfortable win with the comeback kid Ricky Hayes kicking seven in another team effort. Our third game saw the Narre South Lions under 14's have a very impressive win against Berwick, well done fella's. Thanks to all the guys who turned up to the 1984 reunion and to Steve for arranging it. After the R13 game against Hampton Park we have a \$1,000 draw at the rooms - tickets available soon. Our R15 game on the 2nd August against Pakenham is our "White Ribbon Day" This is a campaign to raise awareness for the elimination of violence against women across Australia. Please support this initiative and participate by purchasing a white ribbon from the rooms on match day. Last week's members draw was won by Shane Triffitt who unfortunately wasn't present so the members draw jackpots to \$450.00. This week's

senior match day awards are sponsored by Keith Dawson & Terry Henry. Our "SPONSOR OF THE ROUND" is SBG (Superior Building Group) who are located in Cranbourne. Website - www.superiorbuildinggroup.com.au
 Good luck to all teams today. Quote of the week "Don't measure yourself by what you have accomplished but by what you should have accomplished with your ability"
 The Doveyman.

Tooradin Seagulls

We travelled to Hampton Park last week and the club had a fantastic day with 4 wins. The under 17s got the day off to a flyer with a 64 point win against the Redback's to help their push for a finals spot. The Under 19s played really well but inaccurate kicking cost them from a big win, the boys won by 30 points but had 14 more scoring shots than their opposition. The reserves continued their good form with a 86 point win, a great team effort which was highlighted with J. Gillespie kicking 6 goals. The seniors got back on the winners list after last week's heart-breaking loss to ROC, the boys played well as a team in what was a strong 4 quarter effort, the only downside was inaccurate kicking again restricting the margin, the boys came away with a 114 point win. The club would like to congratulate senior coach Lachie Gillespie on his first win, well done Lachie! Today we travel to Doveton where the seagulls will look to continue their winning form in all grades! Go TDFC!

Keysborough Burra

Keysborough traveled down the road for its round 10 encounter against Doveton. After a keenly contested first half the doves ran out good winners. The Burra played out the game and credit to the new players to the seniors who did their best and now have a taste of what is expected.

Best Players: Danny Morland, Geoff Humphreys, Cam Dalton, Matt Collett, Mick Downie and Ryan Goodes.
 Goals: Tim Werner 2, Matt Collett 2, Richard Minney, Geoff Humphreys, Ryan Goodes and Danny Morland.
 Our Reserves team had a few late changes but credit to Boydy and his squad who came to the cause of the Burra and have a go with their mates. Thanks to all. Our team shared the ball around and brought some good move-

ment resulting in scores.

Best Players: Tommy Armstrong, Joe Sanbar, Gerard Smith, Nick Schiano, Steve Tut and Joe Scata.

Goals: Joe Sanbar and Gerard Smith

It is Sponsors Day today so thanks to all our Sponsors and hope you all have a great day.

Many thanks for your support in our community.

Go Burra !

Cranbourne Eagles

They say a week is a long time in football. That is certainly the case this week. After playing to the level we expect against Narre last week we came out and served up something that is completely unacceptable. Credit to ROC who bought their "A" game to record a deserved win. Some serious soul searching has hopefully occurred this week or the year may be one of regret, rather than celebration in our 125th year. Fortunately our seconds and thirds showed some resolve to both record good wins. Our \$10,000 draw is on next Saturday (July 5th) so hurry and get your tickets as these are selling fast. This will be a great afternoon and evening. Tickets are available for the whole day or for the band only after 7.00 p.m. See Sue Rus for more information. Our 125th anniversary Hall of Fame Dinner is to be held at Amstel Golf Club on Saturday August 2nd. This will be the highlight of our anniversary year and seating will be limited. The Hall of Fame committee are working hard on the initial batch of inductees and you do not want to miss out on this night. See Luke King to confirm your spot. Good luck to all of our footy and netball teams today against Keys, Go Eagles.

Berwick Wickers

No notes supplied.

Pakenham Lions

Last weekend at the Pakenham Football Club, we hosted the Narre Warren Football Club in what was a much anticipated match of the round. Unfortunately in all grades we fell short, however we did have our chances in each game to take right up to the ladder leaders. The class of Narre Warren shone through and it certainly shows us that we still have a bit to work on in matching them in all facets of the game.

With the other results in the Seniors last week, it certainly has closed the gap on the ladder between 2nd placed Berwick and 5th placed Beaconsfield. This week, we have an extremely massive opportunity to consolidate ourselves in the top 3 by playing Berwick. Last time they beat us on our home turf by 96 points and we are extremely confident that we can make up that difference and come home with the points.

The Reserves and Under 19s can also consolidate their spots in the top 3, while the under 17s need a win to keep in touch with the top 5. Good luck to each side in what should be a cracking day of football.

Don't forget, Sat 5th July is our Comedy night. Marty Fields, Tom Seigert and Brad Oakes. Tickets \$40 each. Includes Show, Finger Food and drinks at bar prices. Tickets on Sale at the beer booth or email pakenhamfnc@yahoo.com.au. Also tickets for our \$10,000 reverse draw are available now. All players have been given a book of tickets. Please grab a ticket and help support our major fundraiser event of the year..

Club Notes

Narre Warren Magpies

Narre took on Pakenham last week and we registered four solid wins. In the Ones, Pakenham's young midfield runners were like lightning in an even first term, but Narre settled and set up our win with a 6-goal second quarter. Jackson Parker relished the open spaces; Col McNamara was a lynch-pin around the ground, and Jordyn Flannery's development as a Senior ruck option continued with a great four-quarter effort against some of the league's most experienced big men.

Our Twos worked hard to win a competitive game convincingly by 8 goals. Ben 'Dutchy' Holland was awarded the 'Bartley Electrics' best-on-ground, dominating in the air all day; while 'Bustling Billy A' is relishing his key role in defence. The Under 19s hard-fought 5-goal win featured Rhys Dempster and Tristan Warkuss in our best. And our Under 17s dominated to win by 17 goals - Matt Cronjaeger and Brad Homfray kicked 3 each while Jayden Campbell was a standout.

Social notes - Don't forget Narre's Annual Sportsman's Lunch is next Friday 4 July at the Fountain Gate Hotel. Entertainment by Richmond legend Kevin Bartlett, former Hawk Campbell Brown and comedian Des Dowl- ing. Tickets are \$120 for 3 course meal plus beer, wine and soft drinks. To book phone Dasha Dwyer on 0410 593280 or Stewie Stephenson on 0419 820024 by Tuesday.

Narre's 60th Anniversary Gala Dinner is only 2 weeks away. Book now or miss out - Phone Janette McGill on 0438 876040.

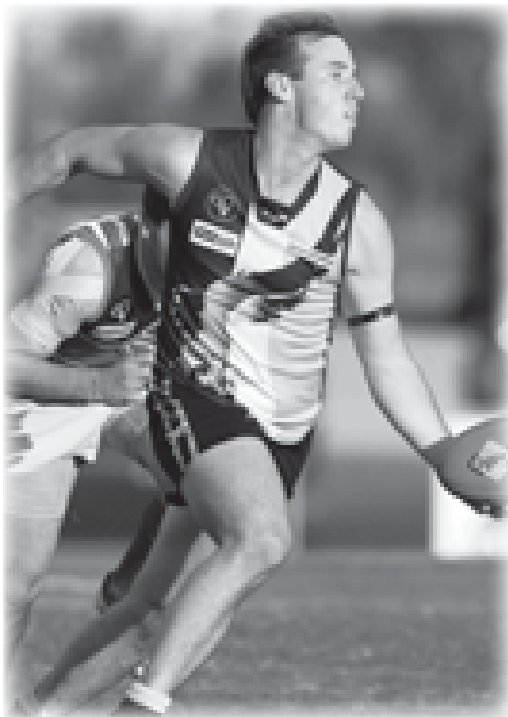

Feature sponsor is Narre Warren Autobarn (next to Bun- nings).

Beaconsfield Eagles

Well. Redemption was at hand last Saturday as the senior team made amends for the below standard effort against Berwick in round 1, well done boys!! Undermanned teams battled hard in the remainder of the games, but were unable to achieve victory. Everyone at the club wishes James Pryor a speedy recovery from the nasty injury he sustained last week. This week sees us take on the strong Narre outfit and we must be at our best today to challenge them, a committed effort is expected. July 12 is our Presidents Luncheon with Greg Champion as our entertainer - \$85 for 3 course lunch inclusive of beer, wine & soft drink. Bogan Bingo Show is July 19 @ \$30 ea. And to round it off we have a Cocktail night with

finger food & live music on 26th July tickets @ \$30 ea. We've got all your socializing covered with no need to step outside of Beacy. See Deb McManus for all tick- ets, email secretary@beaconsfieldfc.com or call 0418 316 942 Buy a ticket for your chance to win a brand new Honda CR-VVTi including all on road costs and 12 months servicing. Tickets are \$100 each & you have a 1 in 500 chance to win. Contact Geoff McGowan to get your ticket - call 0410 446 988 or email mcgowan@mcgowanptyltd.com.au Thursday nights at the club are becoming increasingly popular with the locals who come along for dinner in a warm and friendly environment, so if you haven't been down to the club on Thursday nights for a meal and a quiet drink, you don't know what you're missing out on. Scoop.

South East Juniors News

Timbarra Under Lights

By Nick Crook

The Timbarra Junior Football Club has received a most anticipated and long-awaited boost with the installation of their new light towers.

Last Tuesday the lights were turned on for their first training session and in order to celebrate the milestone they were joined by several players from the Melbourne Football Club. Jack Watts, James Frawley, Shannon Byrnes and Sam Bleasdale all came down to help out with the youngsters' first training under lights.

The Demons hung around to run some drills, answer questions, sign autographs and take photos with the juniors.

It has been a long six years without lights for the TJFC who have had to schedule their training times as early as four o'clock to ensure the team can get on and off the ground before the natural light dissipates. The new lighting ensures that the club is no longer a slave to the fading sun on cold winter nights and will no longer be forced from finishing training early due to poor lighting. "The floodlights are such an important thing for a football club because without lights at our ground we had had to complete training before it gets dark which can make it difficult for parents to get their children to training early enough," said the TJFC President Wayne Scott.

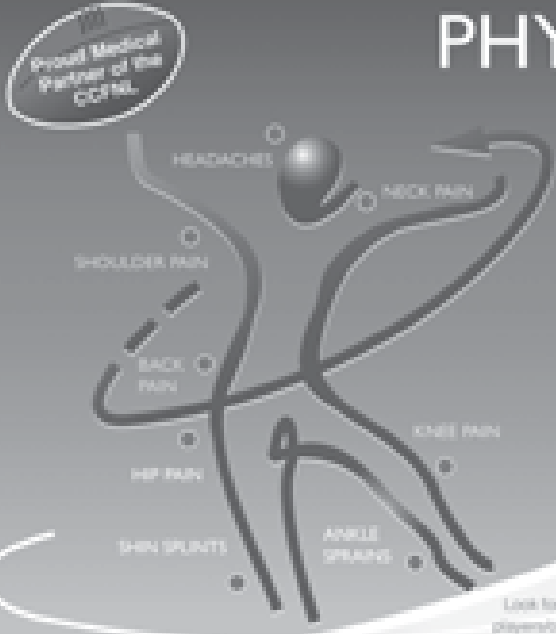

"It also inhibits the parents' ability to volunteer as coach or even assist at training – not every parent can attend training at four o'clock."

The club will also be a more united one now as some of the older teams who were training at the nearby Akoonah Park can return to their home ground with the rest of their club. All teams will now train at the one venue which Scott hopes will increase the "sense of community" and atmosphere in and around the club.

Most of all the club, and president are just grateful that they've got some lights for their young stars.

"2014 is our sixth season, so it has been a bit of a wait but we are grateful the council was able to find the funding to have them installed this year."

Casey Scorpions News

Casey Scorpions vs Box Hill Hawks

By John McLaurin

The Casey Scorpions were on the receiving end of a heavy defeat at the hands of the Box Hill Hawks on Saturday going down in the end by 85 points. The final margin of the round 11 Peter Jackson VFL clash was bolstered by a nine goal final term where the Hawks got into party mode and relentlessly crushed their opponents.

The Scorpions were right with the visitors at quarter time. Tim Smith and Jack Fitzpatrick each kicked a goal in the first stanza to keep us within striking distance. The visitors upped the ante in the second term, leaving the Casey lads in their wake. They went into half time with a 38 point buffer. To make matters worse for the home side, Smith (shoulder) and Shannon Byrnes (ankle) were done for the day as a result of respective injuries.

To their credit, Rohan Welsh's charges came out of the main break and managed to win the third period. Unfortunately it was a short lived as the Hawks piled on. The Scorpions struggled to contain Ben McEvoy who kicked 5 goals for the Hawks on his way to being the best man on the ground. The big man was in terrific form taking some wonderful grabs. He got some really good supply from his star-studded midfield. Whatever he missed Sam Cust (4 goals) swopped on.

Casey giant Max Gawn was really solid for the home side and played his heart out. He combatted well against Box Hill's trio of ruck options in Luke Lowden, Sam Grimley and McEvoy but could only do so much. In end they were just too strong on every line. Alex Georgiou and Evan Panozza were more than serviceable in their defensive posts but were also helpless to stop the last quarter avalanche.

Best for Casey was Viv Michie (30 disposals). The former Fremantle listed player won both inside and outside ball all day. Again, he used it well which is what we've come to expect from him. The penetration in his kicking is a real feature of his game and his teammates would

be well advised to get the pigskin into his hands whenever possible.

Sam Blease (28 touches) also had a terrific game particularly in the first half where he had 16 kicks and 5 handballs to half time. The speedster was sensational coming off half back and was effective with his disposal. Dan Nicholson (25 possessions) worked hard all day and Dom Barry possibly played his best game for the club.

Next Saturday the task doesn't get much easier as we play host to the Williamstown Football Club. It promises to be a big day as we will be raising awareness for breast cancer by promoting the pink ribbon foundation. Raffles will be drawn on the day and all spectators are encouraged to wear pink on the day to mark the occasion.

KICKING GOALS AT WORK?

Feel the glory at the 2014 VWA Health & Safety Awards!

If you've made a positive change to your workplace, you deserve to be recognised. Whether it's improvements to workplace safety, health and wellbeing, or helping injured workers return to the job, no idea is too big, small, cheap or expensive.

GET YOUR ENTRIES IN BY 4 JULY FOR YOUR CHANCE TO WIN BIG!

Plus all entries are showcased on the awards website,
so you can share and promote your great achievement.

Head to **healthandsafetyawards.vwa.vic.gov.au** to enter.

We are entering the back half of the season and all teams and umpires are in the process of fine tuning their performances and aiming high. It is therefore an appropriate time to remind us all, as umpires, of the important aspects of our role and how we can perform to our best. We must remember, ultimately we are a part of the game and must contribute, however the game is not about us, we need to play our part. We must be fair, honest and respectful to all players, clubs, officials and fellow umpires. If we prepare well and present ourselves in good shape, correct gear and have a good knowledge of the laws, we will be well on our way. Our coaches will be there to assist us in our role and we need to listen and learn from them and be open to their feedback. At the end of the day, we must always enjoy what we do and continue to work as a team to achieve our best and we can never go wrong. Your match is the most important of the day. Enjoy it!

Accreditation!!

We have been harping on about accreditation all year. All umpires, field, boundary and goal are required to complete their umpire accreditation, whether you are in your first year or fifty-fifth. Level 1 Accreditation requires you to complete 3 steps: an online assessment, diary entries and then coach's observations. You MUST complete all 3 parts and hand them to Mark Mounsey or the SUA office. Once you have done this, they will be sent off and you will receive your official certificate. You have not completed accreditation until all three have been completed. We urge ALL umpires, if you have not begun this process, or not sure what this is, head to the SUA website for more information, and begin this as soon as possible. International Cup Umpire's Required Umpires are needed for the International Cup to be held in Melbourne during August 9-23, 2014. Be a part of the colour and excitement, and umpire some high quality matches. Expressions of interest are sought. All the information you need to register your interest is at the AFL Vic website. You can choose to be part of 1 game or a few. Don't miss out on this amazing opportunity! - Head to the SUA Facebook page for the link to the AFL Victoria website and to register.

Upcoming Events

Post-Match Function 3: Sat, 28th June 2014 @ 7pm @ Seaford HQ. The third post match function, which we have run once a month, aims to bring together all umpires in a friendly, social environment where we can discuss the games from the day and enjoy a bite to eat and a drink, while watching the AFL on the big screen. We will be supplying pizza and drinks will be at bar prices. Family and friends are all welcome. All we ask is for a \$5 entrance fee.

SUA Trivia Night: Sat, 12th July 2014 @ 7pm @ Seaford HQ. The annual SUA Trivia Night is coming. Get your umpiring mates, family or friends together and make a table! OR Just sign up and come along on the night and form a team. Prizes will be awarded on the night! It is \$5pp. You can either sign up on the website and confirm your attendance, or sign up at training on the list at the bar. - More information at the SUA Website under the Events & Functions section.

Stingrays News

Stingrays slide to 6th on ladder.

The Dandenong Southern Stingrays were never in the hunt against the North Ballarat Rebels going down by 44 points, which was played at Eureka Stadium on Sunday in slippery and windy conditions. With cool conditions and light drizzle forecasted for the day it was always going to be about who had the better start, with honours once again going to the opposition, but lucky all 3 scoring attempts were points in the first 3 minutes. Taylor Joyce kicked the opening goal for the day (1 of his 5) but disappointingly that would be last score the Stingrays would add for the remainder of the quarter trailing the Rebels by 16 at the first break. The Stingrays wasted numerous opportunities when they got their hands on the ball and it took Stingrays Coach Craig Black to address the group asking for commitment over the football and stop overusing the slippery pill at the quarter time break. The ground was very slippery and loose on the surface with many players losing their feet for most of the day. He wanted cleaner and more direct movement instead of hugging the wide wings. The start of the 2nd quarter looked like the players had worked it out moving forward within a minute but another wasteful entry in side 50, which was going to be the flavour of the day for the young Stingrays, cost them dearly. Ballarat time after time rebounded and controlled the ball in cleaner movement from the back half to punish them on the scoreboard slightly extended their lead to 25 points at the half time break. The second half was going to be a huge challenge for the group with Black demanding senior players to step up and take control. The wind had picked up with the Stingrays kicking with the advantage in the third. The premiership quarter was the best for the day with both sides going goal for goal, before Ballarat scrapped a few in a row opening up a comfortable lead. The Stingrays had plenty of the ball and won the clearances and contested marks for the day, but poor entry into the forward half resulting in points or no scores at all and silly free kicks cost them greatly.

A late roving goal to Lachlan Williams closed the margin to 26 points as the siren sounded giving the Stingrays a slight sniff going into the last. The last quarter was all one way traffic, unfortunately it was the Rebels doing all of the attacking kicking the first two goals and putting the game beyond doubt. It was lucky Daylan Kempster stood tall for the day denying many marks and setting up plenty of rebound, with Alex Harnett and Sam Geurts grunt work moving the ball, but lack of support up the ground denied the Stingrays any opportunity to close the gap.

A positive for the Stingrays is the performance of key forward Taylor Joyce who once again kicked a bag of 5 goals from his 11 possessions.

Stingrays Region Talent Manager Mark Wheeler summed up the day by saying "We had a very good opportunity to secure a position in the top four, but too many players didn't turn up to play today....The Rebels showed us how to play the game we wanted to play, for that they reap the rewards and take our position on the ladder and we slide to the middle of the pack."

He went on to say, "There are no excuses, we were beaten on the day by the better side. We now get the opportunity to test the character of the group on how they are going to back up from this. With all Regions having the ability to bring in their Private school players in the next few weeks there could be up to 8-10 changes for the game against the Cannons...those in today's team had the ability to control their own destiny, which they didn't, now the coaching staff have the challenge to reset the team and take on a team that is touted top 2 in the TAC Cup."

Next week the Stingrays take on the Calder Cannons. The game is to be played on Saturday 28th June at Highgate Arena, Craigburn. The game start at 1.00pm. Entry is free.

Scores:

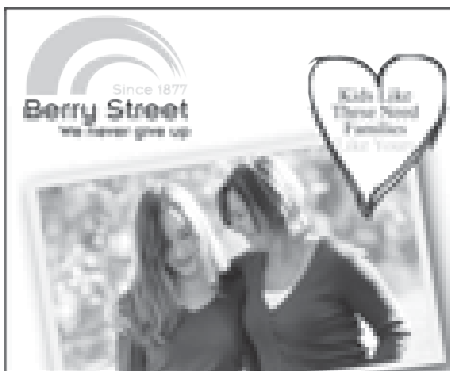

Dandenong Stingrays 1.0 3.3 5.5 6.6.42

North Ballarat Rebels 3.4 6.6 9.7 13.8.86

Stingrays Goal Kickers: Taylor Joyce 5 and Lachlan Williams 1

Stingrays Best Players: Taylor Joyce, Alex Harnett, Daylan Kempster, Sam

Geurts, Matthew Homfray and Lachlan Williams.

*The Annual MPNFL Women Making a Mark Luncheon
Friday 18 July 2014 at The Sandhurst Club*

The Charity we are supporting this year is **“Brainwave”**. Brainwave is Australia’s only Charity that focuses on supporting paediatric brain illnesses and injuries. Brainwave supports children with a wide range of conditions including brain tumours, muscular dystrophy, epilepsy, stroke, multiple sclerosis, cerebral palsy and acquired brain injuries resulting from road and bicycle trauma. And it is a non government funded charity. Special guest speakers & guests will be announced shortly. Get your tables together ladies (and gents) and start booking them now.... Price \$55.00 (inc 2 course meal & drink on arrival)
Email: info@pcnsportsalliance.com.au

Round Ten allowed teams to gauge their improvement from the beginning of the season. Pakenham, Beaconsfield and Tooradin all turned their round one form around to record A Grade victories.

In A Grade, Pakenham turned the tables on Narre Warren, running out six goal winners after a late comeback from Narre Warren to narrow the margin to two goals. Beaconsfield defeated Berwick by six goals and Tooradin were convincing winners over Hampton Park, all showing improvement. Cranbourne were too strong for ROC winning 49 – 32 at Casey Fields.

The top four sides in B Grade maintained their consistent performances. Berwick defeated Beaconsfield, Tooradin took the points over Hampton Park, Keysborough continue their winning way and Narre Warren improved on their round one performance against Pakenham. ROC turned their form around to defeat Cranbourne by three in a close match.

The C Grade matches mirrored the round one results despite changes to several line ups as clubs have now settled their sides. Beaconsfield, Tooradin, Doveton, ROC and Narre Warren all added four points to their ladder tallies.

While the D Grade results were a close replica from their first hit out, the margins have narrowed. Tooradin closed the gap to a narrow three goals against Hampton Park, under new coach Leanne Smith. Cranbourne and Pakenham scored steady wins and Berwick turned the results around against Beaconsfield in a one goal thriller.

It was pleasing to see closer results in the junior matches last weekend, after several weeks of one sided matches. Cranbourne challenged the dominating ROC in the 17 & Under match, scoring 32 goals against their formidable defence. Beaconsfield and Narre Warren were victors in both 17 & Under matches.

ROC and Cranbourne fought out a defensive contest in the 15 & Under match at Casey Fields. Beaconsfield and Berwick took a game each in the 15s and Narre Warren were too strong for Pakenham in both 15s sections. Tooradin and Hampton Park enjoyed a competitive match with Tooradin earning the 25 – 14 win.

Beaconsfield recorded two 13s wins against Berwick while Pakenham and Narre Warren shared a win each. ROC were six goal winners over Cranbourne, helping them to stay in touch with the top four.

Netball Preview

Round Eleven looks to set up plenty of enticing netball with Berwick taking on Pakenham in the full ten matches and Narre Warren hosting Beaconsfield in a full complement of games. Tooradin will face a tough Doveton in A Grade, Keysborough host Cranbourne in B and C Grade and ROC welcome Hampton Park to the bright, new facilities.

ROC Kangaroos

No notes supplied

Hampton Park Red Backs

This week we have begun a meat raffle on home games, which was a big success this week. Thanks Cherie for organising it and congratulations to Luke O'Brien and for winning this week's prize.

Our Under 15s are going from strength to strength, and although they haven't had a win yet, they continue to improve every week. It was an especially good effort from the defensive end this week.

D Grade started the second half of the season with another win. Although the result wasn't as convincing as the first time around, it was still good to get the points. It was nice to have Amy back on court.

C Grade were right in the game until half time, unfortunately after that we got tired and started to fall away. Well done to Jess and Megan who were best on court for the day. Your effort really helped to move the ball down the court with ease. We wish Chloe a speedy recovery! B Grade were also in the game until half time. Donna and Kirsten shot really well and Lisa and Mickey had it covered in defence.

Congratulations to Sheena and Ebony who shared best on court. Also, congratulations to Claire and Katie on their promotions to A Grade. A few more weeks together should see the team becoming more competitive.

Go Redbacks.

Doveton Doves

This week we had the pleasure in hosting Keysborough and what fantastic netball weather we had.

Our C Grade girls had another fantastic win against the Keysborough girls. Its great to see the hard work and team spirit finally coming thru in the girls game. Defence girls Talarna, Emily and Taylor had it locked down tight from the first pass working hard together to shut down the keysborough goalers. With some awesome Mid court work the girls worked well to bring the ball down to the

Netball Notes

gaolers. This week was a great week for the Doveton girls to try some new combination of players and its all coming together nicely. Keep up the awesome work Girls. Our B Grade girls were unable to secure a win but what an awesome game the girls played considering some of their players were unable to play this week. Not once did they give up they keep fighting the whole game. There were some awesome midcourt and defence intercepts from Belle and T Hunt. Its great to see the girls come off smiling and still enjoying their game. Keep your chins up girls your amazing.

A big massive Happy Birthday to Julie Vane on her birthday today. Go DOVES.

Tooradin Seagulls

Last Saturday was a good day out for the Tooradin Netball & Football Club. Not only did our footy teams all have great wins against Hampton Park but our netball teams also came away with 4/5 wins. 15's red finished off the game well to come away with their 2nd win for the season, D grade showed a huge amount of improvement from the last time they played HP and although they went down by 3 goals, it was a pleasing result. C grade put their foot down in the 2nd half and played some great netball & ended up with a convincing win. B grade played 2 out of 4 good quarters to come away with a solid win but must string 4 quarters together to be competitive against the top sides and keep themselves in the top 5. A grade ..Yay!!! A fantastic game by the girls after a disappointing loss last weekend against ROC. It was great to see this team notch up their first win for the season and I know it meant alot to them all after coming so close in other games. Well done girls! Tonight is our annual formal night so we look forward to everyone getting dressed up & getting their glam on! It is always a fantastic night and I'm sure tonight will be no different. A BIG thankyou to all of the senior players who gave up their own time last Thursday to assist with the junior clinic. The feedback has been great & the junior girls all gained alot from it. Thanks again! Happy 21st Birthday to Jenn Rooke & Happy 18th Birthday to Lauren Genoni. We hope you both enjoyed these special days. Go Seagull's!!

Keysborough Burra

The girls were eager to start the next half of the season with a bang! C grade did all they could against Doveton but Dovetons height and accuracy was to hard to beat on this day. Cath did well running a full game in C creating many turnovers and did not stop applying pressure all game. Goalers did well but working on movement, holds and space is something to review at training. Kelsey and Katie were that fraction too short for some long passes but are combining really well. No win this week but next week we will be ready for a good match.

At this stage it looks like B grade has got a hand on 3rd posi but doesnt mean that we can step back and relax. A little uncertain in this game to begin with but we again started the game really well with a very handy lead at quarter time. Amy and Candice are becoming unstoppable in the attacking end making work much easier for the goalers. Katie played a half up and did reall well in WD until an old face of Julie Nisbet decided to join us again - she definitely looks better in the red, white and blue! It was tough work for our defenders as holding your own was a must but managed to win some great contests. Still not producing 4 good quarters but coming out with some good netball. Another good win and percentage booster for the girls.

Cranbourne Eagles

Last week Cranbourne's Under 13's left their run a little too late against ROC, if their was 5 more minutes in the game it would have been ours. The girls didn't stop or give up - their best trait. Best On Lacey for great goaling. The Under 15's had a tough and low scoring game. ROC came out winning by 3 goals. Let's regroup and finish the year off strong. Best On Hailey Galpin. The Under 17's played the top team and the girls played a great game. A few things didn't go our way and heads were dropped. They then pulled together an fought to the end. The score not showing how great the game was. It was a great game by D grade. We had a slow start but a fantastic 3rd quarter shooting 19 goals gave us a great advantage. Great game played by all, also congratulations to Georgia Blackney and Amber Bibby who were best on! In C grade it was an outstanding performance for the first 3 quarters. The things we are working on are paying off. Unfortunately a slump in last quarter allowed ROC to come away with a win. Best On Michelle Hickey. B Grade started slowly which found them down by 6 goals in the first 5 minutes. Credit to all as they turned things around and kept on fighting. Unfortunately they couldn't come away with the win. Best On Nat Sparks. A Grade came out and took control right from the start. The team is starting to come together. Some outstanding performances Jessika O'Hanlon and Tara Cecil. Well Done to Tegan Robertson in her first A grade game. Best on Alanah Hardy.

Berwick Wickers

Last week our girls took on the tough task against Beaconsfield of the 'Battle of the Creek' which unfortunately didn't fall our way in the A grade match, despite the outstanding display of quality A grade netball. Our B, C & D grade all took significant wins which has cemented all 3 teams in 2nd position on the ladder - this is a great position for all of our senior teams to be in coming into the 2nd half of the season.

It wasn't our junior teams day, with our 15's White the only juniors to take the 4 points for this round. Huge improvements could be seen in many of our junior teams in comparison to their first round matches against Beacy, so all girls should be congratulated on their efforts on court during this round.

Congratulations to our best on court recipients for Round 9: A Grade (Dr. Andrew Tang Best on Court): Emily La-Roche

B Grade: Nicole Westmorland

C Grade (Rochet Kitchen's Best on Court): Tovi Amona

D Grade: Lauren Carfora

U17's Red: Grace Wanders

U15's Red: Allee Pastras & Amanda Westmorland

U15's White: Zarah Smith

U13's Red: Sophie Casticum & Hayley Alman

U13's White: Haillee Pastras & Sophie Williams

Good luck to all of our teams this week as we host Pakenham at home. Let's give it our all and give 100%, and hopefully we can come away with solid wins across the board. Go Berwick!

Pakenham Lions

The intensity in the A game was great from both sides from the first whistle. The review & modifications of our mind set & game structure was clearly evident & the girls implemented everything that had been discussed during the week with commitment to each other & a strong team effort across the board. B Grade had a disappointing result with the first half fairly even but unfortunately we weren't able to stay with Narre Warren in the second half. C Grade the scoreboard did not reflect how well the girls played against a strong Narre Warren side, great team effort. D Grade saw a game challenged with injuries but all players stood up to the changes to have a positive win. U17 Red's started well against a strong Narre team and showed great intensity but was unable to be maintained. 17's White team played competitive netball and were ahead at half time. The third quarter

Netball Notes

Paky couldn't respond to the extra pressure applied from Narre Warren but we fought back in the last quarter but couldn't close the gap. U15 Red saw again this team with only 7 players a few changes were made which our players adapted very well and great to see their hard work from training paying off. Our U15 White struggled against a strong Narre Warren side with only 2 players playing at their usual standard. U13 Red had some good passages of play but couldn't compete against the strong Narre Warren side. U13 White had a great win with a game filled with team work across the court.

Narre Warren Magpies

As we returned to the beginning of the fixture, Narre Warren took on Pakenham on a sunny Winter day producing seven pleasing wins. The 13 Red side continue to improve each week, winning 37 - 1. The 13 White side tried very hard scoring seven goals against a much bigger Pakenham side. Delaney Brown made her debut in the black and white. Both of the 15 & Under sides recorded convincing wins, cementing their top of the ladder positions. The 17 Red and White sides both collected the four points. Well done to Coach Kez who took the 17 White girls in a close match. D Grade went down by seven in a close contest, B & C Grade were steady winners, with both teams finishing strongly in their final quarters. A Grade was an exciting encounter with Narre Warren chasing down a ten goal margin to narrow the lead to two goals in the final moments. Alice Gough worked tirelessly at Goal Keeper for four quarters, while Holly Booth stepped up in the second half, scoring accurately to reign in the lead. Pakenham steadied to take a six goal win in the end. All ten teams take on Beaconsfield at home where all ten games are expected to be close battles. With all teams sitting in the top five, the black and white army will be out in force to support all our teams! Coming Events: 12th July - NWFNC 60th Celebration, 18th July - Netballers Amazing Race Talent Show, 23rd August - Ladies Night.

Beaconsfield Eagles

Beaconsfield welcomed bedrock to holm park for the second round if battle of the creek.

Our juniors got the day off to a fantastic start with only our 15 whites just going down to Berwick.

Well done to all junior teams on a great day of netball.

D grade suffered their first loss of the season going down to Berwick only just. The girls fought back from a 9 goal deficit . It was a great fight back girls well done.

C grade also suffered a 2 goal loss to Berwick. The girls fought hard all game and the lead changed between the 2 sides for the whole game with Berwick just getting the better of beacy.

An undermanned b grade knew they were in for a tough game and unfortunately just couldn't Maintain composure and went down to a better team on the day.

A grade pulled off a Stella performance to bring the battle Of the creek trophy back home. It was a fantastic game To watch congratulations to Dave and the team on a fantastic win.

Don't forget there is no training this coming Thursday (5 July) as it's our Georgio's night.

Good luck to all teams against Narre Warren this week

Young Rising Netball

Lauren's star on the rise

Sponsored by
**Star News
Group**

Gazette

Berwick Netball Club has unearthed a rising netball talent in 17 year old Lauren Hargreaves. Lauren has been nominated for the 2014 netball Young Rising Star award. Lauren started playing with Hallam in Under 11s at COBNAI and also spent time with the Under 11 Berwick side that played in the Dandenong competition.

She joined Berwick FNC in 2007 as a bottom aged Under 13 and has moved through the grades impressing coaches, team mates and opposition alike with her skill and court sense. This has been underlined by her personal achievements in that time which includes four best and fairest trophies and one runners-up award. She was also runner-up best and fairest for the league in 2009 and 2011.

Lauren lists her netball highlight as her selection for the Victorian Under 15 state team and subsequent trip to Darwin to play in the national carnival against other state representative sides in 2012.

Her representative appearance list is long and includes selection in the Southern Saints Under 19 VNL team

and GSV Rep Team in 2013 together with the Boroondarra Under 19 Development team this year. She has also twice attended the Central East Zone Academy.

Lauren made her Berwick A-grade debut this season and has set her sights on a long career playing the game she loves at as high a level as she can.

"I want to play netball for as long as I possibly can," she said. "My aim is to play A-grade for Berwick in a premiership and play championship level in the VNL."

Sharks Junior Tournament

Good Luck to the following players who will be representing the PCN Sports Alliance at the Frankston & District Netball Association Tournament

Date: Sunday 29th June **Starting time:** 9:00am
