Office Talk

It was remiss of us not to acknowledge Narre Warren on setting what will likely be a long standing record for consecutive victories last week.

The Magpies racked up 44 wins in a row including two premierships and that is a mark worthy of note in anyone's book, especially given the way it was achieved. Narre Warren has made no secret of their commitment to developing and promoting their juniors as the basis of success and for that they must be congratulated.

Most agree that junior development is the way to go and while we agree that few have the growth area that Narre Warren and a couple of other Casey Cardinia League clubs enjoy, the focus on promoting from within and pushing up those who are already part of a club is vital. All clubs across the three PCNSA leagues need to keep this point front of mind.

While we are feting positive achievements, well done to the crew at Carbonless Books (formerly our long-term partner Printscene) for their continued production of a high-quality and attractive set of records each week. The Footy Record and Chronicle are packed full of information and facts that cover our competitions together with football and netball across our region as a whole.

Columns including AFL Vic Country, SUA and CCUA, Stingrays, Frankston Dolphins and Casey Scorpions news, along with club notes and match previews make the publications must-reads for most local sports fans.

We strongly advise all footy followers to grab a copy each week and have a read. The answers to most queries that this office is asked to provide are more often than not inside the record.

Peninsula League will be the focus of this weekend's rivalry round with Seaford hosting Chelsea for the Frank Parsons Trophy. This award dates back to 2001 and commemorates the memory of Frank who was one of the finest and most progressive football administrators on the Mornington Peninsula through three decades.

Most trophies or shields struck to celebrate rivalry rounds between our clubs have significant history attached to them and we encourage all clubs that play these games to impart that history back to up-and-coming officials and volunteers, along with players and supporters. It is important to acknowledge our history and use it as an example and positive reinforcement as much as possible.

As clubs should now be aware, the venue for this year's Women Making a Mark in Sport luncheon has been finalised and interest in the event is growing rapidly. It will be held on Friday 18 July at the Sandhurst Club and the cost will be \$55 per person including a two-course lunch and drink on arrival. The event will benefit the Brainwave charity, which assists children with brain injuries or illnesses. It is a non-government funded charity and all profits will be donated to assist support this important cause. For bookings or further details email: info@pcnsportsalliance.com.au

Healthy Club Trial a Boost for Golden Square

By any measure, Bendigo FL club Golden Square can claim to be one of country Victoria's best.

The Bulldogs have not only won the last five consecutive BFL premierships but have also become an off-field leader through AFL Victoria's 'Healthy Footy Club Trial'.

A recent report released by La Trobe University has shown the impact of small changes designed to improve the health of club members and supporters.

The three-year program has involved several components, including offering healthier options at the club's canteen and mid-strength beer at the Bulldogs match-day bar during the game.

Survey results suggest the move to mid-strength beer is paying off.

Of the more than 500 people surveyed, 71% thought that the move to mid-strength was good idea.

In another sign of its popularity with supporters, 68% of people surveyed at four Golden Square home games thought that it would be good if the mid-strength policy was extended to every ground in the Bendigo FL.

Spectators who normally drink full-strength beer were also asked to nominate their first choice alternative if a full bar was not available. In 2012, 45% nominated full-strength mixed drinks and 39% nominated mid-strength beer.

But in 2013 those nominating mid-strength beer rose to 59%.

Golden Square President Jy Pertzelt said responsible alcohol management was now clearly aligned to the club's values and goals.

"It really started about 10 years ago with small changes being made to improve our off-field culture," Pertzelt said.

"When AFL Victoria approached us with this project three years ago we were ripe to be involved and take things a step further."

"Overall all we think it's been a positive outcome that's benefited the whole club."

"We've had the odd complaint from people wanting to buy a full strength beer but overall we haven't seen our revenue in this area drop off or seen anyone leave because of it."

"Focusing on our culture through this initiative has also helped us build better relationship with our junior club and had an impact on ability to recruit players."

"When we speak to players about coming to our club, the fact we have a good culture is usually a big selling point."

AFL Victoria Cultural Strategy Manager John Strachan said Golden Square had showed great leadership by being the first and only club involved in this program.

"Golden Square's focus is on being a healthy club that is inclusive and family friendly," Strachan said.

"Alcohol has not disappeared from the club, but its culture has shifted."

"Underage drinking has been targeted with a "no tolerance" approach and "All you can drink" events have changed to "six drink tickets" events.

Strachan said the Healthy Footy Club Trial has proved that making small changes can have a big impact.

The Health Footy Club Trial has been conducted in partnership with VicHealth.

TIME TO STAND UP

By Simon McEvoy – Leader Newspapers

LANGWARRIN is out of form – but very much under the spotlight.

So says its coach Gavin Artico, who admits the Kangaroos' steady slide down the ladder this season has frustrated the hell out of him.

And after four successive losses, Artico is happy for his side to be put under the microscope.

He hopes it will jolt his players into action.

"We've been hit by a number of injuries, which is no excuse," Artico said.

"We've been in winnable positions in games against the top bracket. But...whether it's a belief issue, or a concentration thing; whether it's a passion thing... There's a number of question marks hanging over the way guys are finishing games off.

"It's just frustrating.

"We've shown we are good enough. But then a simple instruction, (they) don't follow it, concentration goes and good sides put you away."

Langwarrin was on top of the ladder after round four, but six weeks later has been shunted to sixth spot.

But with a favourable draw, the Kangaroos can come again.

They face a rejuvenated PINES today, followed by Karingal and Chelsea. Langwarrin defeated all three earlier in the season.

Artico is demanding a spirited display against Pines today.

"We're keeping it as simple as we can and preparing as best we can but at some stage the group has got to stand up and show they want to fight it out," he said.

"At the moment they are proving a lot of the people around the footy world in Peninsula right who say they've got talent but they can't cut it. It sounds harsh but it is reality."

Pines has won two on the trot and is looking to make its own mark this season.

On a seven-game tear, BONBEACH has proven it can handle all sides in the competition – except one.

EDI-ASP are the Sharks' bogey side. The Eagles collared Bonny in last season's grand final and gave them a 41-point beating on Good Friday.

Today, the next instalment of this great rivalry takes place at Edi's home turf at Regent Park.

Bonbeach coach Steve Capp said his side is coming off its best win of the season last week when it kicked 20 goals to beat Mornington.

Capp says his Sharks – injury-free and confident – are ready to peg one back on Edi-Asp.

"We know what to expect from them," Capp said.

"They are going to come out all guns blazing and they are travelling pretty nicely as well.

"So, we expect it to be a really big game. And that's what we are looking forward to at the moment. We just love being challenged every week."

Bonbeach captain Shane McDonald is having a dominant season and will have a big say in today's outcome. Edi-Asp spearhead Jarrod Garth bagged five goals last week and will be one to watch today.

At Miles Reserve, SEAFORD and CHELSEA will both be searching for win number three.

Less than a kick separated the Tigers and Seagulls back in round two, and another tight tussle is on the cards today.

Seaford is enjoying better form in recent weeks as Dean Kemble, Luke Smith, Matt Herbert and Nick Boswell lead a Tiger revival.

Chelsea, too, is nearing another win. The Seagulls have pushed Bonbeach and Pines in the past two weeks. Brad Clark, Jason Clark and Richard Jaroszczuk are in good form.

MT ELIZA is halfway through the toughest four-week stretch in Peninsula league. The Redlegs have beaten top-five sides Edi-Asp and Langwarrin in the past two weeks and today face ladder leaders FRANKSTON YCW. Next week they are up against fourth-placed Mornington.

The Mounties are riding a revival that has seen them surge back into the top five. They've been strengthened by the return from injury of key players.

Frankston YCW keeps scoring heavily and keeps winning. Strong-marking David Bodley is enjoying a solid season, booting 23 goals in nine games.

MORNINGTON gets the chance to arrest its slide when it hosts KARINGAL. The Bulldogs have lost their past two games, but a win – by a nice margin – today could hoist them back into the top three.

REDLEGS READY FOR CHALLENGE

IN THE RESERVES...

On an eight-game tear, MT ELIZA has surged to top spot – but now the fun begins. The Redlegs face second-placed FRANKSTON YCW today and third-placed Mornington next week. Win these and Damien Kent's crew will be well on their way to September success. YCW are building nicely. Mercurial forward Brad Wakeling emerged from a minor form slump to fire off 11 goals last week, and is the man to watch today.

Successive losses has slowed LANGWARRIN'S progress and the Kangaroos will be looking to bounce back today against PINES. But the Pythons won't be a pushover. They looked pretty sharp last week as they banked their second win of the season, inspired by a couple of seasoned campaigners in Gordo Hendry and Stevie Ryan.

EDI-ASP scored their best win of the season last week, digging deep to upset Seaford. Today, the Eagles host an in-form BONBEACH, looking to cement its place in the top five. Key players will include Edi-Asp's Angus Macquire and Rowan Snashall and Bonny's Jason Gumbleton and Eammon MacCormack.

MORNINGTON will look to work its way back into form against KARINGAL.

SEAFORD'S inconsistent form has seen it slip out of the five, and today the Tigers face a CHELSEA in a must-win clash.

TIGERS STRIKE TOP FORM

IN THE UNDER 18s...

SEAFORD played some of its best footy of the season last week as it beat Edi-Asp. Harley Cook, Ryan Mosca and Matt Edwards ran rampant as the Tigers improved their record to 4-3. Now the Tigers have their sights on a top-three spot when they take on CHELSEA. The Seagulls are also in good form after kicking their highest score of the season last week, with Mason Bailey slotting six goals and David Menhennitt impressing.

Prolific scoring MORNINGTON meets kings-of-the-close-finish KARINGAL today. The Bulls have won their past three games by 4, 1 and 6 points to surge into fifth spot. But they will need to find a way to curb the Bulldogs' attack today. Impressively, Mornington has had 93 scoring shots in its past two games. And last week they had 11 different goal kickers.

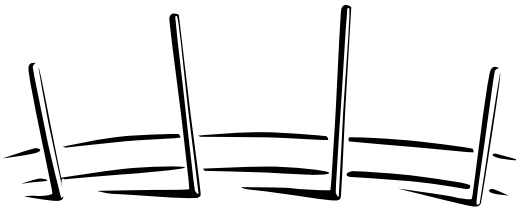

FRANKSTON YCW lost by a kick last week and now face the might of MT ELIZA. The Redlegs sit atop the ladder with a perfect 10-out-of-10 record and seem to be getting better by the week. Strong all over, Mt Eliza thumped Langy by 116 points last week as Callum Armstrong, Joel Monger and Brad Thorpe ran rampant.

EDI-ASP remains third despite losing their past two and will know the importance of a win today against BONBEACH.

LANGWARRIN tumbled out of the top five after turning in a bad one last week but should bounce back today against PINES.

Bonbeach Sharks

The Seniors ticked off another victory beating the doggies who had previously beaten the sharks first time around. Very good game of footy, with the foe bouncing out quickly to the lead. After Cappy gave the boys a REV UP at half time we saw some hard running and tackling which establish the game on our terms. Macca with a couple of bounces and slotting a great running goal & Dimma taking a hanger were some of the individual highlights. Raso was superb on their big key forward along with Jason in defence. Juddy and Ricky were good around the packs & Danny did a good job jumping over their BIG ruckman. DJ again was good at both ends of the ground. Only Edi Asp to beat this year perhaps a little incentive from last year.

The Seconds were terrific in a gutsy hard fought game with very little scoring. The tackling, chasing and the will to win, shown in the last 10min was a pleasure for your supporters to watch. Great team effort boys not often 5 goals will beat the top side. Gumby was great MacCormack, Mulholland Lacey & Robbo were just some of the good players.

The Thirds were well beaten by a very good Doggies side Hogan, Rys-Jones & Krnjaic tried hard, keep supporting your coach who is doing a great job of teaching. Big thanks to trainers & waterboys

Heading out to Mt.Eliza proved to be a day to forget for all 3 footy sides and in particular Matty Auchetti who suffered a nasty broken leg. Wishing you all the best for a speedy recovery mate.

Our senior group got off to a flyer with Sean Herdman controlling things up forward. This ascendancy was short lived as the Redlegs clawed their way back into the contest and ran away with it in the last. Luxa, Parker and McGill were solid. Mt.Eliza were too strong in the reserves leading from the outset and one of few highlights was Shawrys hanger - only to watch him then miss from 10m out! Congrats to Hilly who pulled on the boots for his 100th club game and backed up as always running for the seniors. Our unders didn't even give a yelp in what was one of the most disappointing performances seen in a long time. They must bounce back with a big win this week.

Today we host Pines in a really important game for the club this week. We also welcome the Auskick kids back for more Grid games.

Mt Eliza Red Legs

Congratulations to Luke Young on his 100th Game this afternoon!

Another successful day last week with all teams having strong wins.

The Under 18 "Reds" started the day off at Tyabb v Crib Pt and after a tight 3 quarters pulled away with a 6.9 to nil final term to record a 10 goal win. Coby and Stanesy booted 4 each, with better players including Gus Ferry, Louis and Lambo.

The Under 18's defeated Langy in another even and strong performance. Chop booted another 4 and Jarrah, Occi, McKinnon and Shaw 3 apiece. Cal Armstrong was great around the ground, Joel good in the ruck and BT, Brodie and the Rouse boys were dominant throughout.

After a dour struggle the Reserves shrugged of their opponent to record a 3 goal win with Kizza, RBC, Pagga, Housey & Fonz doing well.

Inaccurate kicking in the 1st half from the Seniors (3.11) saw us under the pump but an 8.7 to 4.7 last 1/2 was good enough to get us across the line. Heasa was outstanding with 3 goals, Lockwood another 4 and Jordy, Gilly, Boota and "The Clamp" were super. Good luck to Sammy Christie with his wrist injury and to the Langy player who seriously injured his leg in the last quarter.

TOMORROW: Lunch @ Vinnies in Mt.Eliza - \$30 per head - From 12.30pm

Good luck to the Red & Blue today! @mtelizafc

Chelsea Seagulls

Last week against the Pines, the U18s really got their act together with a strong team orientated style of play, with a bit of thought and good skill level and better accuracy around goal (drill bit 6)

It gave us the much needed finish to propel us forward for the rest of the season. Best players; Twister, Edmonds, Bailey, Stephens, to name a few. A disappointing day for the Allstars. So much at stake,

We were beaten by a side that simply wanted it more. A glimpse of hope during the third quarter but that was about it. Must bounce back with hard contested footy, no ifs, buts or maybes. Better players;

B. Edmonds, S. Appleford, M. Shaw, G. Gatluak. In the seniors, we had our chance for redemption against Pines after a poor effort in Round 3. It was certainly a game of 2 halves, looking like the Chelsea

Of old, we played a quality, structured, intense brand of footy up until half time, with the reward, a 5 goal lead. After the main break, the complete opposite, the result, a 2 goal loss. Undisciplined is the word

That comes to mind as being the main factor. Chocolates to boiled lollies! That one hurt. We need to understand that nothing short of a 4 quarter effort will do. Best players; Brad Clark, Jason Clark, Daniel

Aarsman. Good luck to all teams today. Have a great night at the "Bling It On Ball"

Karingal Bulls

Much improved effort last week than earlier in the year v the Stonecats. Whilst we didn't get the points in senior or reserve games both saw greater commitment and endeavour. Andy Mathers kicked 2 in the seniors whilst young Matthews and Wilkinson were in the best. Clements bagged 4 in the reserves and along with Roberts was in the best.

The U18s knocked off YCW for the second time this year and in doing so have climbed into the 5 and are a game clear of Langy in 6th.

Today at the kennell we're looking to topple one of the standout teams of the competition this year - with all Mornington teams in the 5 it will be a tough task for the young Bulls but this has been a happy hunting ground for us over recent years so who knows what can happen!

Tonight is the \$5k draw back at the rooms - get your last minute tickets from Wally or the committee. Next up is Bogan Bingo on July 12th - comb out your mullets and get your tickets now - only \$30 for a great night.

Keep up with score updates and some quality #hashtag use thanks to celebrity tweeters by following us on Twitter. With Scotty Frey's comeback now on ice (with a little scotch), can we get some interest in #puthicksintheSeniors.

As always thanks to our Major Sponsors - this year we're thrilled to have NP Distributions, Frankston RSL, Bank of Queensland, Bluegum, TAFT and BMK back on board and welcome new sponsors Jeep, Vawdrey and Hallam truck Centre - please support these guys as they support the Bulls.

Pines Pythons

He was considered not right for our Reserves starting 20 at the beginning of the season and at best may have been 'riding the timbers' in the first game. Fate created a few team changes, he was selected and was second BOG for the team on that day. He has followed on from that game with three BOGs, another three second bests and a couple of third bests. Some say that he was cool about that round one situ but your scribe reckons he was out to do a bit of 'watch me now'. This column sees him as having one of his best seasons for a while and with club game 475 coming up soon, in his 29th year, we once again say "Well done Gordo". Another evergreen warhorse out there in our Reserves last week was our senior coach Steve Ryan who gave a 7gl BOG effort to steer our team to a 22pt win. Best; S.Ryan, G.Hendry, J.Bezzene.

Seniors lumbered badly in the first half as the flighty gulls raced to a 25pt half time split. Slowly and steadily came our goals though and even with our 7gl third qtr it was neck and neck until Jamie Messina steered through a 50m captain's goal in the last minute to give us a 9pt win. Best; B.Hendry, J.Messina (3gls), S.White. Guy Hendry kicked 4.

Thirds have had worse days and once again gave of their best. Next Sat you get a Legend Luncheon and a 1994 Prem teams Reunion. Good to see V.Pres Terry Spalding on the improve since his mishap. In an exclusive statement to this column he quipped "I can't wait to get back to the rooms to see all my friends."

Off to the Bulpit last week for two footy wins and three netball wins (read elsewhere). The 1sts hit the deck running and kept on keeping on to prevail by 12 goals. Bysa was a standout as was the Skipper and Casey R whilst Bods booted six big uns. Stricko's boys (including himself and Heggers) ran away with the game after an even start. It was vintage Wako with 11 goals well supported by Jem T, Smrds and Ryan S. The Unders squandered a 4 goal lead at half time to go down by a kick thus making finals a difficult proposition. Wags, Greeny and the Lee boys went well. Time to regroup guys, work hard together as team and have an impact on the balance of the season.

Back at the Coburn Oval today we host the Mounties in front of the Past Players Luncheon - looks like three great games. Big day also for Brad Wakeling. He plays his 150th senior game (1sts and 2nds) for the Stonecats including the 2003 premiership. With his stints at Langy and Frankston Bombers he has played 198 1st 18 MPNFL games. Great work Wako.

Don't forget the Collopy Club, Life Members and Sponsors Lunch is on July 19 (the Bonbeach game). The following week (July 26) is the Annual Ball at the Frankston RSL with a "Masquerade" Theme. Twinkles and Whistle continue to chase down heroes for the 1974 Premiership Reunion on August 2 (the Edi-Asp game). And an early diary entry for the hugely popular Ladies Day on August 23 (the Langwarrin game)

Seaford Tigers

Last week we hosted Edithvale in a day of mixed results. The 18s were looking to snap a mini form slump against another top 4 aspirant. Things did not start off well in the 1st quarter as we trailed by 4 goals at the first break but the boys did not drop their heads and manage to slowly claw their way back in to the contest before running away in the last quarter to record a 31 point victory. Skipper Harley Cook led again from the front, with Ryan Mosca, Bryce Lloyd, Jake McCartney with 3 goals, Matt Edwards and Ash Burks getting amongst the best.

The reserves were pushing to get back in to the top 5 in a must win clash. We got off to a great start, leading by 20 points at the first break but from there it became a real arm wrestle as Edi lifted their intensity. We should have sealed the game early in the last quarter with some easy misses before capitulating in the last 15 minutes to go down by 8 points. Must win game today. Sammy Duffield was best afield and was assisted by Mark DiBlasio, Havers and Tyson Horton.

The seniors looked to continue a solid month of form and started off like a house on fire, leading by 5 goals at half time. Unfortunately we stopped in the second half as the game was flipped on its head when Edi ran rampant in the 2nd half, kicking 13 goals to 3 as we succumbed by 29 points in a disappointing result. Dean Kemble was BOG down back, along with Lukey Smith, Matty Herbert yet again, Soap Doyle, Bozza, and Stokesy. Another crucial game today!

Mornington Bulldogs

Today we welcome to the kennel, Karingal FC, Mt Martha Auskick & past players reunions from 2004. Hope you all have a great day.

Under 18s continued its recent form with a good win over a young and injury depleted Bonbeach team who played well all game, the scores in the end, perhaps not reflecting accurately their endeavour. We continue to work on our team structure, balance and the roles of all players within our game plan.

Reserves was a low scoring game with no more than a few points in it the entire day. It was very physical with the boys standing up under pressure on a number of occasions. Trailing by 9 points at 3/4 time they rallied to take the lead with only a couple of minutes remaining. Bonbeach kicked a late goal and despite two chances in the last minute the boys were only able to register behinds and went down by 2 points. Scotty was great and well supported by Smithy, Lacey and Lewis.

Seniors started well however some inaccurate kicking in the second quarter had them behind by 5 points in the main break. After half-time Bonbeach did what we couldn't do the previous quarter, kicking goals when they had the opportunities. They extended the lead to five goals and the boys couldn't manage to reduce the margin in the final. It shows that we must make the most of our opportunities and when we have a lapse in concentration good sides will put us away. Jai was great down back, Baz and Bitts were hard at it all day whilst Bakes and Pax once again were among the best.

Edithvale - Aspendale Eagles

So Tigerland was the destination for Round 10. As always we were expecting 3 tough games of footy, and the equal in Netty.

The Under 18s got off to a great start, having first use of the scoring end. Ben Obrien with three was more than useful, Brodie, Lavery and Martello also proving to be handy. However the Tigers edged closer in the second, and applied the pressure in the third. The last quarter we had no answers for them, and they ran over the top of us, Need to bounce back boys!

The reserves with a few handy additions, always kept in touch with the Tigers. Never hitting the lead until the last quarter, but leaving the opposition in their wake in the end. Angus Mac, Rowy Snash, Knives Miller and Wato, all with senior experience were the men!

The seniors were a tale of two cities....gee the first half was ordinary, although the young Tigers showed us the way, and we didnt want to do the hard work. The second half was a little better to watch, Gilly, Kremmer, Garthy and Taggy lifted a gear.

This week Bonbeach, will need four quarters of effort!

Thanks to all that organised the Ball last week, thanks to Phil Jones and his staff at Frankston International, Wendy, Lincoln, Tom, and the backup doorman Troy!

Netty keeping up the great results, on and off the field... with some fine fashion on display last week!

Stingrays

Stingrays Slide to 6th on Ladder

The Dandenong Southern Stingrays were never in the hunt against the North Ballarat Rebels going down by 44 points, which was played at Eureka Stadium on Sunday in slippery and windy conditions. With cool conditions and light drizzle forecasted for the day it was always going to be about who had the better start, with honours once again going to the opposition, but lucky all 3 scoring attempts were points in the first 3 minutes. Taylor Joyce kicked the opening goal for the day (1 of his 5) but disappointingly that would be last score the Stingrays would add for the remainder of the quarter trailing the Rebels by 16 at the first break. The Stingrays wasted numerous opportunities when they got their hands on the ball and it took Stingrays Coach Craig Black to address the group asking for commitment over the football and stop overusing the slippery pill at the quarter time break. The ground was very slippery and loose on the surface with many players losing their feet for most of the day. He wanted cleaner and more direct movement instead of hugging the wide wings. The start of the 2nd quarter looked like the players had worked it out moving forward within a minute but another wasteful entry in side 50, which was going to be the flavour of the day for the young Stingrays, cost them dearly. Ballarat time after time rebounded and controlled the ball in cleaner movement from the back half to punish them on the scoreboard slightly extended their lead to 25 points at the half time break.

The second half was going to be a huge challenge for the group with Black demanding senior players to step up and take control. The wind had picked up with the Stingrays kicking with the advantage in the third. The premiership quarter was the best for the day with both sides going goal for goal, before Ballarat scrapped a few in a row opening up a comfortable lead. The Stingrays had plenty of the ball and won the clearances and contested marks for the day, but poor entry into the forward half resulting in points or no scores at all and silly free kicks cost them greatly. A late roving goal to Lachlan Williams closed the margin to 26 points as the siren sounded giving the Stingrays a slight sniff going into the last. The last quarter was all one way traffic, unfortunately it was the Rebels doing all of the attacking kicking the first two goals and putting the game beyond doubt.

It was lucky Daylan Kempster stood tall for the day denying many marks and setting up plenty of rebound, with Alex Harnett and Sam Geurts grunt work moving the ball, but lack of support up the ground denied the Stingrays any opportunity to close the gap. A positive for the Stingrays is the performance of key forward Taylor Joyce who once again kicked a bag of 5 goals from his 11 possessions. Stingrays Region Talent Manager Mark Wheeler summed up the day by saying "We had a very good opportunity to secure a position in the top four, but too many players didn't turn up to play today....The Rebels showed us how to play the game we wanted to play, for that they reap the rewards and take our position on the ladder and we slide to the middle of the pack."

He went on to say, "There are no excuses, we were beaten on the day by the better side. We now get the opportunity to test the character of the group on how they are going to back up from this. With all Regions having the ability to bring in their Private school players in the next few weeks there could be up to 8-10 changes for the game against the Cannons...those in today's team had the ability to control their own destiny, which they didn't, now the coaching staff have the challenge to reset the team and take on a team that is touted top 2 in the TAC Cup."

Next week the Stingrays take on the Calder Cannons. The game is to be played on Saturday 28th June at Highgate Arena, Craigeburn.

The game start at 1.00pm. Entry is free.

School Holidays

The Dolphins Term Two School Holiday Program for primary aged boys and girls is running on Thursday 3 and 10 July from 9am to 3.15pm.

The program is run by Dolphins players and coaches, cost for both sessions is just \$60 (\$40 for one) including lunch, featuring fun footy activities, skill development, mini-matches and an in-depth look behind the scenes of a VFL football program. For more info or to book phone Brad on 0430 322 307.

Slow Start Kills Dolphins

An impressive second half has been wasted by an insipid first half as the Dolphins fell to Port Melbourne by 42 points on Saturday at the North Port Oval.

The second-placed Borough simply put on a show in the first two quarters, blasting 26 scoring shots to four in the opening hour.

But after a fearsome spray from coach Simon Goosey at half-time, suddenly the visitors lifted their intensity to VFL level and booted two goals in five minutes.

Khan Haretuku provided a flashback to his best form with a flying pack mark and goal, then Leigh Kitchen charged forward and converted after some excellent tackling pressure inside the forward 50.

Frankston continued their quest for respectability in the fourth quarter with youngster Ben Cavarra leading the way.

The rebounding influence of Luke Potts and Josh Tynan grew steadily throughout the day, while Shane Hockey and Tim Harper began to wrench control off the Borough midfield, thanks in no small part to the tireless efforts of ruckman Russ Gabriel.

With Potts going forward to boot two goals the Dolphins finished with a flourish, booting five majors to three in an entertaining final term.

*The Dolphins return to Frankston Park this Saturday (28 June) to face Essendon at 1pm

Youngsters Fall Short

It was 'Power forward Saturday' at Port Melbourne, but it wasn't quite enough to get the Dolphins development team over the line.

Strongly-built Cranbourne youngster Nathan Gardiner showed his four-goal haul the previous week was no flash in the pan with five more against the Borough.

He had plenty of help from Noble Park big man Vergim 'Giggsy' Faik who slotted four majors as the Dolphins ran the fourth-placed Borough to the line.

It was a hard-fought opening term with only three goals scored, but the second stanza became a goal-scoring bonanza.

Frankston piled on 5.3 with Josh Newman making his presence felt after being dropped from the senior team, and the speed of Jake Greeley and Sam Fox causing issues for the Port defence.

But the home team had plenty of attacking avenues of their own, slamming through 6.1 to take a 14-point edge into the changerooms.

The third quarter looked like it would be more of the same early, but a lapse from the Dolphins opened the door and Port walked right in.

Trailing by 32 at the last break Frankston mounted a mighty challenge, booting six goals in the final quarter to get within two goals, but whenever they threatened the Borough seemed to have the answers to secure their 18-point win.

Newman, Greeley, Fox, Faik and Gardiner were all standouts, while the cool-under-pressure Boyd Bailey impressed as did Brayden Irving.

We are entering the back half of the season and all teams and umpires are in the process of fine tuning their performances and aiming high. It is therefore an appropriate time to remind us all, as umpires, of the important aspects of our role and how we can perform to our best. We must remember, ultimately we are a part of the game and must contribute, however the game is not about us, we need to play our part. We must be fair, honest and respectful to all players, clubs, officials and fellow umpires. If we prepare well and present ourselves in good shape, correct gear and have a good knowledge of the laws, we will be well on our way. Our coaches will be there to assist us in our role and we need to listen and learn from them and be open to their feedback. At the end of the day, we must always enjoy what we do and continue to work as a team to achieve our best and we can never go wrong. Your match is the most important of the day. Enjoy it!

Accreditation!!

We have been harping on about accreditation all year. All umpires, field, boundary and goal are required to complete their umpire accreditation, whether you are in your first year or fifty-fifth. Level 1 Accreditation requires you to complete 3 steps: an online assessment, diary entries and then coach's observations. You MUST complete all 3 parts and hand them to Mark Mounsey or the SUA office. Once you have done this, they will be sent off and you will receive your official certificate. You have not completed accreditation until all three have been completed. We urge ALL umpires, if you have not begun this process, or not sure what this is, head to the SUA website for more information, and begin this as soon as possible.

International Cup Umpire's Required

Umpires are needed for the International Cup to be held in Melbourne during August 9-23, 2014. Be a part of the colour and excitement, and umpire some high quality matches. Expressions of interest are sought. All the information you need to register your interest is at the AFL Vic website. You can choose to be part of 1 game or a few. Don't miss out on this amazing opportunity! - Head to the SUA Facebook page for the link to the AFL Victoria website and to register.

Upcoming Events

Post-Match Function 3: Sat, 28th June 2014 @ 7pm @ Seaford HQ. The third post match function, which we have run once a month, aims to bring together all umpires in a friendly, social environment where we can discuss the games from the day and enjoy a bite to eat and a drink, while watching the AFL on the big screen. We will be supplying pizza and drinks will be at bar prices. Family and friends are all welcome. All we ask is for a \$5 entrance fee.

SUA Trivia Night: Sat, 12th July 2014 @ 7pm @ Seaford HQ. The annual SUA Trivia Night is coming. Get your umpiring mates, family or friends together and make a table! OR Just sign up and come along on the night and form a team. Prizes will be awarded on the night! It is \$5pp. You can either sign up on the website and confirm your attendance, or sign up at training on the list at the bar. - More information at the SUA Website under the Events & Functions section.

AFL South East

Planning for the Future

In the coming months, AFL South East will be releasing a number of plans and reports which will help shape the future direction and delivery of football and in turn netball within the region.

AFL South East is a body which has been developed to serve in the best interests of the region as a whole and to bring ALL stakeholders together – leagues, clubs, umpiring associations and sporting partners (netball).

There has been and continues to be division within this region and any rhetoric around AFL South East's motives being anything but what was listed above is designed to maintain that division and work against the interests of all.

AFL South East are working on a number of plans simultaneously – some of which will take longer to produce. These include:

Strategic Plan – the blueprint for AFL SE's operations and focus. The plan will cover the timeframe of 2014-2016 and include 7 key pillars. These include participation, community, engagement, development, facilities, partnerships and people. The plan is expected to be released in August.

Facility Development Plan – incorporating and inclusive of all levels of government, this plan will provide an important reference for facility investment in the region. All clubs and leagues will have the opportunity to present their development and upgrade needs as part of the plan, which, through a consolidated approach, will achieve broader, more targeted and more significant outcomes.

Regional Coaching Strategy – AFL South East will shortly release its coaching strategy for the region. This strategy will provide for a significant increase in the investment being made into coaching training, development and support. Many initiatives in the

coaching space will emanate from the strategy release and for those clubs that embrace these initiatives, real and tangible benefits await.

AFL South East is a multi-faceted body. We are responsible locally for the governance and application of AFL Victoria Country's rules and regulations and our Football Development Managers are responsible for the development and growth of the sport at all levels. We are also a membership based body and will continue to deliver benefits for that membership. As the overseeing body for football in the region, it is imperative that planning for the future takes a high priority at this early stage of the Commission's existence. AFL South East is here to stay and through appropriate, diligent and feasible planning, we can all look forward to a cohesive, dynamic and progressive football environment into the future.

Peninsula Netball

Another brisk wet windy afternoon of netball but we all made it through the half way point.

The ladders are showing some new strength across a three grades proving that any team can have their year.

A grade we see no movement in the top two position with Edi Asp & Pines in a percentage battle for top spot. YCW proving their strength overtaking the last years premiers to third spot. The Mt Eliza girls holding on fourth spot by one game can Langy hop on in over the next few games.

B Grade we see the same top four teams in a different order. The YCW gals playing sensational netball undefeated and game clear on top - fantastic effort. Closely followed by last years premiers Edi Asp one game behind. Mt Eliza sitting comfortably in third followed by the late burst of Pines who hold 4th spot by one game.

C Grade we see Edi Asp talking the lead again comfortably clear by one game and a whopping percentage - YCW sitting comfortably two games clear in second spot over the Pythons & Chelsea holding 4th spot.

As predictions can be made of who we will see in the finals series but will these top teams continue to hold their ground. Can we see a whirlwind of change or are we seeing the finals teams there in front of us.

Ask yourself as you take to the court today why am I here why am I representing this club, why do I want to make this game my best game.... Why - because being part of a club is rewarding as it is challenging but it gives you the power to stand as one team one club not as one person - embrace your team mates and savor the moment.

Good luck ladies

Chelsea Seagulls

Pines were always going to be a tough team to play against but our A girls effort and never give up attitude was awesome. We welcomed new player Vanessa to our team who did a fantastic job in our defence and Hayley as always stepped up and played a great game at both ends of the court. Jo was a big stand out in WA this week always being available for her team mates. A big thanks to Kiah and Tess who stepped up and played with us today.

Our B girls showed the same effort and never give up attitude that our A girls displayed however Pines were too good for us on the day. A big stand out game from Chelsea who has found herself a new position in the centre court and Shannyn who was unstoppable as our WA. Again our defence was a stand out. Kayla showed amazing courage to play for us today and her goals did not miss.

Another nail biter for our C team, unfortunately going down by one point. A bit of a slow start in the first quarter but we came back fighting in the second half of the game! Very proud of our girls putting up a good fight until the very final siren!

All girls wore black hair ribbons to show support to our two team mates who lost their pops last week.

We would like to thank our major sponsors Chelsea Heights Hotel, OA recruitment and Hocking Stuart for their continued support.

Looking forward to a close game against Seaford this Saturday!

Go Seagals!

Club Notes

Seaford Tigers

There are many wise and inspiring quotes relevant to our great game such as “if at first you don’t succeed try and try again”, “practice makes perfect”, or the most appropriate of the lot “if you play edi-asp you’re going to get smashed”.

Our girls were the apparent victims of a pre match abduction of anything resembling netball skill on Saturday. There can be no other explanation for the comprehensive defeats suffered however this is not to take anything away from a thoroughly efficient Edi Asp who outplayed us in every facet of our matches.

Although yes we lost there are many positives to come out of the weekend, things we learnt:

- Rapping Eminem whilst doing four corners although leaves your out of breath does not suffice as a good warm up
 - If you aren’t nine foot tall, you have no answers to Edi Asp
 - Unless your name is Sally Mitchell a cheeky red or ten on a Friday turns into a cheeky chunder on a Saturday
 - Chelseas ability to get falconed week in week out is uncanny
 - For all those ravers our there beware of the foam pit at future music festival....
- Bring on the gulls. Peace out.
Tay Rob (younger and also better Robertson)

Mt Eliza Red Legs

We knew langwarrin would test us and this time our A grade fell a little short. Work rate and intensity is on our radar this week as we prepare to face YCW. Once again Jess Anwyl lead by example and special kudos to our rather unwell president who still stood up when required!

B Grade had a great team win we couldn’t have asked for more from each and everyone of you. Well done girls!!!!

The real stand out positive of the day was our C Grade girls. These girls are coming together and playing as a team. All the hard work is showing and we all couldn’t be prouder.

Frankston YCW StoneKittens

Last week the Stonekittens came away with another 3 from 3 wins against Karingal.

C grade girls last week, despite having a couple injuries and girls out due to the flu, came out firing. The defensive pressure applied down the court caused many turnovers resulting in a win by 50 points. Congrats to our best on Mandy who was unstoppable in the defensive end and Izzy having her best game of the year, taking intercepts and positioning herself perfectly.

B grade last week won by a margin of 60 goals- the girls' team work and consistency every week is improving – particularly in the defensive end where Caitlin on the weekend was making it very hard for Karingal to score a goal. The girls tested out some new combinations and it was great to how adaptable the girls are across all positions of the court. A special mention to Rolly - her pressure, vertical leap and fitness was imperative in the teams win.

A grade this week played 4 solid quarters of netball- the confidence of all players on the court and leadership was fantastic. Rotating players through several key positions allowed us to try a few new combinations and set plays. The accuracy this week from our goalers was near perfect and congrats to our young gun Brooke who played a blinder. Katie ran her heart out in mid court- with beautiful feeding and pressure down the court!

Special mention to Lauren Goldie - who will be having her last game with the Stonekittens this week, you will be missed!

Mornington Bulldogs

The Mornington ladies always step out on court ready to represent the club with pride and all 3 teams fought to the final minute against Bonbeach.

A Grade didn't walk off the court with the results they were after but they really made Bonbeach work for the win in the last 10 minutes of the match. Jess, Caitlin and Sarah Watkins really applied the pressure against the Bonbeach goalers forcing very impressive turn overs! Chris, Georgia and Eliza moved the ball well through the mid court to Tess and Sarah in goals who really supported one another.

B grade once again showed a great fight with every quarter our skills getting better and better. The girls are proving to themselves that they are a great team to play together and play against. Even though the score board isn't showing the type of games we are playing I think we as a team are feeling like we are giving it our all.

C grade up by 6 goals going into the 2nd Qtr the girls were in high spirits, and it showed in their performance on the court. With all the girls applying pressure to Bonbeach they were creating many turnovers and we were looking good, but Bonbeach managed to get away from us. 7 goals down going into the last and it was goal for goal with all the girls putting in and working hard for a win. We came away with a 6 goal loss, but the score didn't reflect the game and the girls should be proud of their performance!

Edithvale - Aspendale Eagles

Over the last two weeks our girls have enjoyed the comfort of playing indoors and they have taken full advantage of the game conditions that an indoor venue offers. Today, however, it's back to playing outdoors at Sturdee Street so hopefully the rain will stay away. Even if there are a few showers, we should not have the incident of another abandoned game, as the Chelsea courts were cleaned during the week. Thanks Rachell!

Last week we played Seaford and came away with three good wins, though in A and B Grade, the games were far more competitive than the scores indicated. Thank you to the Tigers for three good games and for your hospitality.

Congratulations to everyone involved in organising our Annual Ball. What a night! Phil Jones and his team at the Frankston International sure know how to run an outstanding event and the night was thoroughly enjoyed by everyone. Well done to Stevie on winning the "Best Dressed" Award and to the Runner Up Casie - it's great to see the netballers amongst the best in a Cox Plate Field.

This week we have the Coaches Fundraiser at Regent Park. Unfortunately, only the C Grade players will be able to fully participate but I know all players will show their support for this function by heading down to Regent Park after their games.

This week we play the girls from Bonbeach at Chelsea and we are lucky to be able to start our games at 11am, so see you courtside.

Good luck to all Eagle teams playing this weekend.

Club Notes

Karingal Bulls

The teams are continually showing improvement and determination throughout the court. Coming up against YCW was always going to be tough but none of the teams stopped trying until the very end.

C girls pushed hard and fought their hardest. The team has shown great improvement throughout the court especially in their mid-court passing.

B girls showed a strong team dynamic and persisted on throughout the game.

A girls showed the right attitude and delivered some great plays.

Unfortunately the score board doesn't reflect the improvement we have seen in the girls each week. Here's to another week of more development and rebuilding. We are all excited to take on Mornington today!

Go Bulls!

Pines Pythonettes

Last week we headed down to cold windy old Chelsea hoping that the weather man predictions where wrong and they definitely where, blue sky's sunshine bit of win burn here and there and three fantastic wins.

C grade gave us a nail biter being up by 5 goals to being down to ending the game as one goal winners. B grade sat comfortable all game winning by 46 goals and A grade following suite with 47 goal win - great effort all round.

Do to forget to head back to the club tonight to see the boys strut there stuff in the man o man night

Let's go Pythonettes

Bonbeach Sharkettes

Its taken 4 years but we finally did it. Yes we won all games on the one day. It started with the mighty C's coming from 7 goals down in the 1st quarter to run away by 6 goals. A great team effort by all with Kathleen & Jess doing well in front of the hoop. Steph, Rachel & Tania controlling the midcourt with Chloe, Sam, Ally & Amber strong in defence. The B's continue their winning steak to run away by 23 goals. Another great team effort by all, led by Carly, Bec, Alana, Steph Chapps & Shae. The A's finished up a great day to win by 6 goals with Bern & Steph shooting well, Emily, Amanda & Elyse doing well in the middle & Jayde & Kate dominating in defence. A great day for our Club.

This week we play Edi/Asp. Good Luck to all# Tonight is Cocktail Night at the Club.
