Coaching Panel and Training Supervisor Appointments

It is with great pleasure that we announce the below appointments of the Coaching Panel and Training Supervisors for the 2016 season. The Southern Umpires Association has a rich history and we are honoured to have these people put their hands up and to help continue the growth and development of the umpires and the SUA. The Board of Management have the upmost confidence that these individuals will give all they have to their roles and will uphold the high standards the broader football community has for us. We congratulate them and look forward to a big 2016.
