

FIELDIES FINALS MATCH PLAN 2015
TOGETHER GET THE JOB DONE.....

Let Them Play Footy – Only Intervene When Necessary...

**Have a basic game Plan -do some research on teams ground
weather fellow umpers etc**

**Team first mentality- Communication-work in 3 Ump System
-Rotation-chop out .mid zone call**

**Act appropriately when required, control by voice and actions, doesn't have
to be whistle- Match management...**

- **Keeping 20 m from general play side on to contest. CDMP.**
- **Moving around stoppages-Find the Footy**
- **Hold the whistle in scrimmages for a moment unless game is volatile.**
- **Allowing player to take advantage**
- **Out of zone free kicks for obvious block, holds, head high,sling tackle,,reportable offence.**

NOT INTERPRETATIONAL FREE KICKS.....

- **We DON'T want to see soft free kicks, ie nudges,show of strength,slight chop of arms, hands in back.. etc**
- **Match Management-control the game whilst letting them play footy.**
