# Organisation Structure

## Board Meeting Attendance

Chairman/Chief Executive Officer	Mario Ring	11/11 Meetings
Deputy Chairman	Bernie Carroll	10/11 Meetings
Head of Operations – South East	Phil Kerford	10/11 Meetings
Head of Operations – Merchandise	Graham McIntyre	11/11 Meetings
Head of Operations – Finance	Rohan David	11/11 Meetings
Head of Operations – Finance	Tammy Peck	08/11 Meetings
Head of Operations – HR & OH&S	Josh Chenoweth	07/11 Meetings
Head of Operations – Facilities & Licensing	Michael Craighead	05/11 Meetings
Head of Operations – Communications & PR	Andrew MacDonald	05/11 Meetings
Head of Operations – IT & Telecommunications	Rick Taig	06/11 Meetings
Head of Operations – Events & Social	Matt Craig	08/11 Meetings
Head of Operations – Events & Social	Ross Lewis	01/07 Meetings
Head of Operations – Director of Umpiring	David Golby	04/11 Meetings

Please note: In July the Board of Management moved a motion to appoint Matt Craig the sole Head of Operations for Events and Social. This explains Ross Lewis only having a maximum of 07 meetings.

# Yearly Reports

## **Chairman/Chief Executive Officer**

### ***Mario Ring***

Season 2017 has been another outstanding year for the SUA. The year started off placing three new coaches, and an Umpire Director. Dennis Wright excepting the head coach role, Nick McDonald taking up the assistant coaches roll, Adam Holland head Boundary coach, and David Golby the Umpires directors roll. Early February was the start of a very busy, and busy season. The SUA took on the FDJFLU, as well as all the girls competitions being Div 1, Div 2 and Development.

After the final round, there were changes made this year for the start of next season within the three leagues, there will now be a two-tiered competition being Peninsula and Nepean with a relegation system. SEFL will be included next year, as it will become a three-tier system with relegations. How this will all pan out, we are not sure, but we will continue to umpire the three leagues as it stands.

The umpiring department has done another outstanding job this year, led by David, Dennis, Troy, Adam, Scott and Trevor. With all the changes going on within the leagues, these guys kept everyone on their toes. They made sure that we did the job we were meant to do, and that was officiate our games the best we can. At times we were stretched to the limit, but all games were filled by some umpires doubling up on games over the weekends and week days.

It was with great pleasure the association was again asked to go the King Island, and help umpire their 2017 preliminary, Junior and senior Grand finals. Rick Morgan doing the Preliminary Final, Tylan Mehmed officiating their Junior GF, and Bernie Carroll officiating in a three system Senior GF. The SUA were also approached to umpire the re-enactment game between Mornington FC and Mordialloc FC, to commemorate the 125 years of the drowning of seven Mornington FC members on the way home after their game at Mordialloc on a rough bay.

As Chairman it has been a very busy year for myself and Deputy Bernie Carroll, with many changes and challenges. We cannot become complacent, as there will be many more changes and challenges in 2018. We are continually meeting with the S.E Commission, as they would like us under their RAC. Bernie and I will be making sure the SUA has a strong voice. There will be many benefits with us joining the commission, umpiring and streamline of many processes, non-negotiables will be our values, Integrity. Fairness and most important our heritage. This will make sure we stay leaders in our field, and continue to grow and become a major hub for umpiring bodies. At this stage the MPJFL still want to continue with their own umpiring group, but feel this will change as it is not in the direction the Commission what to continue. We will keep members informed as things begin to happen, through our communications email.

On a final note, I would like to thank my board members for all their time and commitment throughout the year. I would also like to thank all the running umpires, coaches, parents and partners for their commitment and support through the year. As chairman I would like to wish everyone a Merry Christmas and safe New Year. I look forward to seeing everyone early January next year, getting ready to go for the season launch.

*Mario Ring*

## **Head of Operations – HR & OH&S**

### ***Josh Chenoweth***

This year has been successful year for the SUA and its members. In relation to reporting and management of injuries, out of our 400 plus members we suffered in total 5 (down from 6 in 2017) injuries, this is great news especially with the integration of the Frankston juniors into SUA. Our total expenses incurred dropped by just over \$1000 YOY however we did have to 2 Claimable LTI injuries.

Since the early intervention program was introduced 4 years ago we have seen a dramatic decrease in lost time injuries (LTI'S) and overall expense incurred by the association. So the next part I'm very excited to deliver again..... with this decrease YOY we have achieved a massive cost saving equalling \$8,000 to the association. Which is a drop in physio bills and a decrease in our insurance premium, which is \$1,000 decrease YOY. A great effort and return off the back of some hard work, proactive injury management along with structured training programs, focusing on strength and conditioning.

In 2014 we welcomed Lifecare as our injury management partner; we have seen outstanding results in 2017 with more umpires being on the park week in and week out, which made it difficult for the coaches especially during the finals. Lifecares early intervention project has help us this year not just by keeping umpires available, but has also prevented minor injuries becoming major ones. I would again like to thanks Matt and the team at Lifecare for their help and assistance in keeping us all fit on the park.

This season we welcomed Indah Health on as a partner with SUA, who offer SUA members Chiro services along with Pilates and Yoga. Emily and the team ran some Pilates sessions for members this season which were well attended along with being enjoyable... Even though a few people found some muscles they never knew they had!!!! Again all of our members have followed the correct procedures in relation to reporting and managing their injuries, which has helped keep our premium to a minimum which is fantastic news. Workcover premiums in any organisation are the second biggest expenses after salaries/wages.

In 2018 I would ask again that everyone again reviews the Operations Manual and refresh themselves with the SUA policy and procedures in relation to injury reporting and management along with our Human Resources policies including code of conduct and workplace standards including Social media policy.

On behalf of the board I would like to thank everyone for their commitment and for making the SUA the premier umpiring body that it is today!

See you on the training track!

*Josh Chenoweth*

## **Head of Operations – Facilities & Licensing**

***Michael Craighead***

## **Head of Operations – Communications & PR**

***Andrew MacDonald***

No report provided.

## **Head of Operations – IT & Telecommunications**

***Rick Taig***

In terms of IT & Telecommunications portfolio in 2017, I have continued my focus of building our social media reach, creating a technology inventory, updating the website and creating how to guides.

Our social media interactions have continued to grow rapidly with a 15% growth across all platforms in 2017. Our Facebook page now sits at over 557 likes. Each post averaged a reach of over 500 views. Our Twitter page has over 300 followers and a strong percentage of these are people from the wider football community interested in what our umpires are doing. Our Instagram account has continued its strong growth with over 200 followers, which gives us the ability to post photos of events and members achievements. If you are not following us on any of these social media platforms then search for 'Southern Umpires' and join in.

I also continued in the role of the Webmaster role and set out to update its content and utilise this vital information portal for all umpires. The current website has been in use now for a number of years and is beginning to become outdated. I am in the process of looking at a number of options for a new website layout and structure to take us in a new direction in the online world.

I would like to thank all members for their support and interactions online in 2017. Please be sure to get on board and follow us for all the inside information around SUA going forward. Enjoy your break and be sure to check your emails for updates regarding a pre-season start date and information for next year. See you all in 2016.

*Rick Taig*

## **Head of Operations – Umpiring**

### **David Golby**

Season 2017 started the year with the SUA appointing three new head coaches for Field, Boundary and Goal, and also a new Junior Co-ordinator to cater for the inclusion of the Frankston District Junior Umpires. All three Senior Coaches have been running members with the SUA for a number of years and were also Assistant Coaches in 2016 prior to their appointments this year.

One of our aims this year was to retain our Coaching Panel into 2018 and help build on their experiences so that we develop our up and coming umpires whilst also maintaining our senior list. Our Head Coaches need to be supported in order to manage the number of umpires we have officiating at the SUA. In summary there were over 400 running members which included over 60 Goal, 140 Boundary, 120 Senior Field and approximately 80 Junior Field Umpires.

Our age demographic across the group is:

31% - 14 to 16 years old.

37% - 17 to 29 years old (Half of this group were 17 to 19 years and half 20 to 29 years)

12% - 30 to 49 years old.

20% - 50 plus years old.

Looking at the numbers, we need to be able to communicate with young people, as nearly a third of our members are under 16. We have roughly another third in the 'prime' 17 to 29 year age. (Where most of the Clubs Senior playing list is.) The 30 to 49 year age bracket is where we have the least umpires. (Whether retiring players have little interest in umpiring, get into Club roles or simply want a break after playing is unknown.) There has been plenty of advice to suggest some experience in playing makes for a better umpire, yet the stats show we have few umpires in the 'retired players' age bracket. Our final group is the 50 plus bracket with many being under 60 and competent enough to be umpiring Senior footy and mentoring our young group.

Another area we could improve with numbers, is our Women's contingent. With over 400 umpires, less than 20 are women. That's only 5% of our group and plenty of scope to attract more girls into umpiring given the amount of Junior, Intermediate and Senior Women's games being played across all competitions.

Prior to the start of this season the SUA officiated in the Women's TAC Cup Carnival held at Frankston Park. We also nominated 2 Field and 2 Boundary umpires for the Defence Forces preseason Cup. In addition to a host of local practice matches including the 'Bushman's Cup' (Langwarrin v Pearcedale), the SUA umpired the Mordialloc v Mornington game, held to remember a similar event from the 1800s where 15 of the Mornington players lost their lives when their ferry sank in rough seas near home.

Our pre-season also saw the inclusion of many Senior and developing umpires train with V-Line Umpiring Academy. During the year VLine umpires have the opportunity to officiate in Senior Country Championships (1 v 2 being held at the MCG), the best of Metro v VIC Country, several TAC Cup games and the VLine U15 Carnival. Many of our umpires have progressed through the Academy and used it as a pathway to trial for VFL.

In season 2017 all VFL umpires took a week off and trained with their local umpiring body. The SUA were pleased to see 20 current VFL umpires across Field, Boundary and Goal train at Seaford and Fountain Gate where their umpiring careers started. (Note: 1 Field and 1 Goal, ex SUA Umpires, also made the AFL's Umpiring list and debuted in Senior Football this year.)

Each week our Coaches make around 500 umpiring appointments across the Senior, Junior and Women's competitions. A full complement of Field, Boundary and Goal umpires are appointed to all Senior Men's games, whilst Field umpires only are appointed to Women's and Junior competitions.

This year also marked the inclusion of more Women's games with the South East Women's Development competition and SE Women's Division 1 and Division 2 leagues coming under the SUA umbrella. In addition to the these games we also supplied umpires to the Bass Coast women's games from the start of year when other umpiring groups couldn't meet that demand.

The inclusion of the Frankston District Juniors also saw our numbers and demand on Coaching resources grow. After an uncertain start our FDJ Co-ordinator regularly made over 90 appointments each week across 60 junior games. (We are currently reviewing the Coaching structure required to support and develop our Junior umpires. More Staff and potentially an additional training night to help smooth numbers from Wednesdays is being considered.)

Training on Wednesday night at Seaford continued to be well run with regular attendances of 80 plus umpires and some nights approaching 100 members. The Fountain Gate training base was also steady with many umpires now residing in the South East Corridor. MPJFL Juniors also had a separate venue supplied by the Rye Football Club.

Structured 'skills based' training has been identified as one item we can do better next year in order to develop Senior and Junior Field umpires. More resources and training plans will be prepared off season for the start of the new year. Along with a review of our Coaching structure, a focus on support staff and observers will be required to improve umpiring. Fitness based training will continue to be run at both Senior Venues but the responsibility will be on the individual to prepare themselves for match day.

Looking ahead the SUA has nominated 2 Field, 1 Boundary and 1 Goal umpire to trial at VFL next year. Demonstrating we are still developing umpires with the skills to take their game to a higher level. The average age of this years Senior Field Grand Final Umpires was just over 28 years, so again shows we have youth on our side when it comes to officiating the big games at seasons end.

With a good mix of youth and experience, and Coaches that are keen to continue on, we are well placed to go into 2018 and develop our umpires to meet the growing competitions through the South East, Peninsula and Nepean. Women's and Junior competitions will also continue to expand and we will meet these challenges as well.

I look forward to meeting next year's umpires and a revised competition within Peninsula and Nepean and know our Association will prosper with it.

*David Golby*

## **Boundary Umpiring**

### ***Adam Holland – Coach***

This year was the start of a new era. With David Golby taking on the director role, I took up the job of head coach with Paul Stow as my assistant.

With only 4 weeks to prep for the year, it was a hard task to get a strong coaching group together. With the assistance of Matt Craig, helping out at our south east base, looking after everything for me. With game day help from Marcus Arrowsmith, Phil Howard, Chris Cato and Jordy Nicholls.

Our goal from the start, was to get quality back into our umpiring and I think we achieved that towards the end of the year. With 130 boundary umpires on our list, it was hard to get the message across but credit to our group, they got on board with our standards.

Training was a major focus and our first year umpires were the ones to set the standards early with heavy attendance from them. We ran drills most nights to improve our skills and learn new things. With the two bases, we wanted to have everyone umpire the same. Over the years, the quality between the two was a big gap, this year we got everyone to umpire the same way. In finals, this showed that we had achieved that goal.

With numbers quite low at the start of the year, this gave us a chance to trial umpires at different levels. This worked to a degree. With the numbers low this meant a lot of double ups. Once we got settled after Easter and numbers built, it was full steam ahead.

With finals approaching, we concentrated on our polish for a strong finals campaign through juniors and seniors. Lots of 3 umpire games to fine tune our game. I think this year was our strongest finals group we have had in 6 years and that's a credit to our whole group.

I would like to thank my Boundary umpires for all their hard work during the year. To all the guys that have helped me throughout the year, thank you.

To David Golby, thanks for all the hours you have put in this year to make it look like everything runs smooth.

*Adam Holland*

## Goal Umpiring

### ***Troy Bellchambers – Assistant Coach***

2017 started with a new direction and a new coaching staff. Each and every umpire was given a clean slate and all top spots were up for contention. Last season and all the issues were put behind us.

The squad was made up of around 60 members. Which is up from last year which is very positive for SUA. We welcomed 7 new members joining us for the first time. Unfortunately we had two members on the long term injury list which we hope to have back next season. At the start of the season numbers were very low. It was a real struggle to fill entire rounds. Many weeks I would receive game requests right up to the Friday before each round.

I need to thank every member that got that late week frantic phone call needing someone to do multiple games, many times it would require that umpire to do three games. Everyone was very flexible and helpful. The fact that the fixturing by the leagues was the biggest headache of all most weeks didn't help things. A huge thanks to all of my support staff. To Darren, jumping on board as assistant coach, your knowledge and guidance throughout the season has been invaluable. I know the entire squad feels the same.

Equally to my observers, your knowledge and mentorship has been a huge blessing. Doug, Glenn, Neil, Steve, James and Ross. Your sheer level of experience and knowledge of Goal Umpiring has not only helped each individual umpire but shown a huge improvement to the entire squad. I am not sure as umpires, and this goes for every umpire discipline, you realize the importance of having hands on game day feedback. These guys do this job purely for the love of the game and to help up and coming umpires with their years of experience and guidance. So once again guys thank for your efforts this season each and every one of you.

Last by no means least, a big thank you goes to my wife Kathy. Kath was responsible for passing on all the emails, updating all the Schedula appointments, putting all the observation scores together and above all just making life as easy as possible at home all while juggling all four daughter. So once again, thanks darl. With the squad being so strong, chasing the top spots was fierce and competitive. There were 14 points splitting the whole squad at the start of the finals. At seasons end 10 points were all that separated 1<sup>st</sup> and 10<sup>th</sup>. And 4 points covered the top 6 on deciding the three senior Grand Finals Spots.

We had 5 new umpires doing their first senior game this season with many more pushing their case for next year. There were 4 umpires who were at the V/Line Academy level and with our nominated VFL trialee having another great season, its onwards and upwards for the next season for the SUA Goal Squad.

Thank you all for your patience while I got through the teething stage and found my feet. Hope to see you all next season.

*Troy Bellchambers*

## **Junior Field Umpiring**

***Scott Gathercole – Coach***

This year we had an early start to season, with the help of a few Frankston umpires we were able to fill all games. With several new umpires which included several ex player we were able to introduce these umpire to the game with the help of some experienced umpire and as the year went on they continued to improve. Our training base at Rye was a great success for the umpires that trained out of there, getting the one in one coaching. I would like to thank the Rye football club for their continued support of our umpiring group.

I would like to thank the following people for the help throughout the year, whether it was filling in for games, helping with the new umpires or helping with the running of the finals, so a big thanks to Michael Fallon and Brian Stannage. I would like to congratulate Jye Stannage on doing his first U/17 game, I would also like to congratulate all the award winners for the year, coaches award winner Dylan Howard he was fantastic all year only missing a few training seasons.

Best first year umpires, Miles and Archie Shepard these two boys were great all year and have great futures as umpires. And this Year's umpire of the year. Justin Mason. I used Justin as a mentor style umpire he umpired with several of our new umpires teaching them throughout their games, He was also appointed to his first U/17s grand final. I would like to thank Mario and the board for their continued support.

Last of all I would like to thank my wife Michelle and my family for allowing me to coach and umpire the juniors.

*Scott Gathercole*

# Finance Report & Statements

## **Head of Operations – Finance**

***Rohan David / Tammy Peck***

### **SUA 2017 ANNUAL REPORT**

#### **HEAD OF FINANCE – Rohan David**

Season 2017 has been a busy and challenging year in the Head of Finance role.

The financial result for the year ended 31 October 2017 is a surplus of \$56,360. This has been achieved on a turnover of \$804,454.

This is a solid result. Some of the major factors contributing to this result have been –

- our first season for supplying umpires for the Frankston and District Junior Football League
- meeting an increased commitment to supplying umpires for the South East Womens' Football competitions
- the reduced requirement for the purchase of on-field uniforms from our suppliers
- we were (with very few exceptions) able to provide a full team of umpires (field, boundary and goal) for all of the games each week in the respective competitions
- containment of the level of our WorkCover premium

I would like to thank our Chairman, Mario Ring, for his unwavering commitment to the SUA and for his support to me throughout Season 2017. Very few would realise the time and work that Mario devotes to ensuring the smooth running of the SUA.

I would also like to make special mention of Robyn and Rodney Young for their invaluable assistance behind the bar. I do not know what I would have done without them.

Graham McIntyre has done an outstanding job with our merchandise. I acknowledge Graham's contribution to the SUA over the past decade with our merchandising requirements.

I advise that I will step down from my position on the SUA Board of Management and, therefore, will not be seeking re-appointment to the Head of Finance role for Season 2018.

I wish all SUA members and their families a safe and enjoyable off-season, and hope to see as many of you as possible back for Season 2018.

Rohan David

November 2017

# Committee's Report

## SOUTHERN UMPIRES ASSOCIATION INC A.B.N. 57 852 366 758

### COMMITTEE'S REPORT

Your committee members submit the financial report of the Southern Umpires Association Inc for the financial year ended 31 October 2017.

#### Committee Members

The name of each member of the committee during the year and if different, at the date of the report;

Rohan David  
Graham McIntyre  
Mario Ring  
Bernie Carroll  
Josh Chenoweth  
Rick Taig  
Tamara Peck  
Matthew Craig  
Michael Craighead  
Phil Kerford  
Andrew MacDonald

#### Principal Activities

The principal activities of the association during the financial year were:

To provide umpiring facilities to members of the association.

#### Significant Changes

No significant change in the nature of these activities occurred during the year.

#### Operating Result

The profit of the association after providing for income tax amounted to \$56,360.00.

Signed in accordance with a resolution of the Members of the Committee.

Committee Member: \_\_\_\_\_  
Rohan David

Dated this \_\_\_\_\_ day of \_\_\_\_\_

# Notes to the Financial Statements

SOUTHERN UMPIRES ASSOCIATION INC  
A.B.N. 57 852 366 758

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2017

---

The financial statements cover Southern Umpires Association Inc as an individual entity. Southern Umpires Association Inc is a not for profit Association incorporated in Victoria under the Associations Incorporation Reform Act 2012.

The principal activities of the Association for the year ended 31 October 2017 were .

Comparatives are consistent with prior years, unless otherwise stated.

### 1 Basis of Preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012. The committee has determined that the association is not a reporting entity.

In the opinion of the Committee of Management, the Association is not a reporting entity since there are unlikely to exist users of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

### 2 Summary of Significant Accounting Policies

#### Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and are net of any rebates and discounts received.

**SOUTHERN UMPIRES ASSOCIATION INC**  
**A.B.N. 57 852 366 758**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 OCTOBER 2017**

---

### **Plant and Equipment**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment of losses.

Property, plant and equipment, excluding freehold land, is depreciated on a straight line basis over the assets useful life to the Association, commencing when the asset is ready for use.

### **Impairment of Non-Financial Assets**

At the end of each reporting period the association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss , except for goodwill.

### **Cash and Cash Equivalents**

Cash and cash equivalents comprises cash on hand, demand deposits and short term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

**A.B.N. 57 852 366 758**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 OCTOBER 2017**

---

**Revenue and Other Income**

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the association and specific criteria relating to the type of revenue as noted below, has been satisfied.

All revenue is stated net of the amount of goods and services tax (GST).

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

**Sale of goods**

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and the cessation of all involvement in those goods.

**Interest revenue**

Interest revenue is recognised using the effective interest rate method.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

Revenue from training services is generally recognised once the training has been delivered.

**Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the balance sheet.

# **Statement by Members of the Committee**

**SOUTHERN UMPIRES ASSOCIATION INC**  
A.B.N. 57 852 366 758

## **STATEMENT BY MEMBERS OF THE COMMITTEE**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 2 to the financial statements.

In the opinion of the committee the financial report as set out on pages 1 to 8:

1. Presents a true and fair view of the financial position of Southern Umpires Association Inc as at 31 October 2017 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Southern Umpires Association Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

**President:** \_\_\_\_\_

**Treasurer:** \_\_\_\_\_

# Independent Auditor's Report

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SOUTHERN UMPIRES ASSOCIATION INC A.B.N. 57 852 366 758

### Report on the Financial Report

I have audited the accompanying financial report, being a special purpose financial report, of Southern Umpires Association Inc (the association), which comprises the balance sheet as at 31 October 2017, and the income statement, a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

### Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporation Act VIC 1981 and are appropriate to meet the needs of the members. The committee's responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting obligations under the Associations Incorporation Act VIC 1981. I disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Independence

In conducting my audit, I have complied with the independence requirements of Australian professional ethical pronouncements.

**INDEPENDENT AUDITOR'S REPORT**  
**TO THE MEMBERS OF SOUTHERN UMPIRES ASSOCIATION INC**  
**A.B.N. 57 852 366 758**

**Auditor's Opinion**

In my opinion, the financial report of Southern Umpires Association Inc presents fairly, in all material respects the financial position of Southern Umpires Association Inc as of 31 October 2017 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act VIC 1981.
