**Chaffey Bros La Conquista  
Tempranillo Blend, La Resistance  
GSM & Synonymous Shiraz**

Chaffey Brothers have a commitment to sustainable winemaking employing a number of processes for saving water and using both certified and uncertified organic practices. Their commitment to minimal interventionist winemaking also makes their entire range vegan friendly.

In the Battle for Barossa the Chaffey Brothers have a foot in both camps. Spanish alternative varietals like Tempranillo, Graciano and Grenache seek to conquer as resistance is provided by a traditional GSM blend. And of course Shiraz will always be synonymous with the Barossa. Pick your side today.
