\$25,000 applies to each and every claim in respect of which your legal liability is covered under this section arising directly or indirectly out of or caused by or in connection with, or for, personal injury to any person who is not engaged in the business under a contract of service or apprenticeship, but who has been engaged, hired or contracted by you to perform work under your supervision in connection with the business.

For all other claims under this section, the excess applicable to this section which appears in the policy schedule applies.

Labour Hire Employees

This **endorsement** applies to the Vero Fire Protection Industry Insurance Product

Disclosure Statement and Policy Wording (prepared on 24 April 2018) (Your Policy).

The following endorsement applies to the Public and products liability cover section of Your Policy.

On page 62 of Your Policy insert the following new exclusion under the heading 'What you are not covered for under this policy section' :

This policy section (including the Additional benefits) does not insure You for liability arising directly or indirectly out of or caused by, through, or in connection with, or for:

Labour Hire Employees

Personal injury or property damage arising from or in connection with Labour hire employees. On page 67 of Your Policy insert the following new definition under the heading 'Definitions':

Labour hire employee means:

Any person who is an employee of a labour hire organisation and who is not engaged in the business under a contract of service or apprenticeship, but who has been engaged, hired or contracted by you to perform work under your supervision in connection with the business.

This endorsement is made a part of the policy and is subject to all of the terms and conditions thereof. Except to the extent expressly stated, this endorsement does not modify the terms and conditions of the Policy.

Pipe Freezing

This endorsement applies to the 'Public and Products Liability cover section' of your policy. The following exclusion is added under the heading 'What you are not covered for' under this policy section' on

page 62 of Your Policy:

Pipe Freezing

This policy section (including the Additional benefits) does not insure You for liability arising directly or indirectly out of or caused by, through, or in connection with, or for:

Pipe freezing or any other technique for work, including repair, to pipe(s) without having to shut off, isolate, or drain water or other liquid from the pipe(s) or pipe system.

In all other respects your policy remains unaltered

Yours faithfully
