

LW | PRODUCT OVERVIEW

400 SUITE  
LANGFORD HINGED  
DOOR

Our hinged door is a high performing unit that is neat and secure. They are highly versatile, equally at home as a feature door, a bedroom door or in a formal lounge room.

## PRODUCT FEATURES

Commonly accompanied with sidelites or highlights these doors can couple to any of our window range to create an eye catching feature.

Parliament hinges can be fitted to allow the door to fully open 180°. They can be fitted with inlaid Sashless ClearVent windows, allowing screened ventilation when closed.

Various locks are available including electric strikes, colour match lever handles and stainless steel entry handles.

The frames are designed to carry a variety of glass types including double glazing.

Custom design features including horizontal or vertical midrails, colonial bars and feature glass can be used to create a door exactly as you want.

The double doors have a double rebate to the edge, this ensures high weathering and your safety with the lock and flushbolt mechanisms concealed within the rebates.
