

541/542 SUITE
LANGFORD SLING
AND STACKING
DOORS

The Langford Windows residential sliding and stacking doors are a great versatile and practical option . They slide effortlessly to open up your home.

PRODUCT FEATURES

Custom made sizes to suit your requirements. A variety of sill options increases the flexibility of the use of this door suite. The doors have a double weatherpile seal to increase window and water performance.

These doors are easily flyscreened with stacking screens or Centor retractable screens. They are designed to carry a variety of glass types for sound and temperature control, including double glazed.

All doors come with key locks as standard with a variety of lock options and hardware colours including stainless steel or colour match powdercoat and recess options.
