# STANDARD TERMS & CONDITIONS

All goods purchased from Hancock Sheetmetal Co Pty Ltd are sold subject to the following terms and conditions:-

## 1. PRICE

Prices are subject to alteration without notice and all goods will be charged at the price ruling at time of delivery. The purchaser shall be liable for sales tax or any other taxes or charges levied by any governmental authority in relation to the goods supplied by Hancock Sheetmetal Co Pty Ltd.

## 2. PAYMENT

Payment for goods purchased from Hancock Sheetmetal Co Pty Ltd shall be made before delivery or in the case of purchasers who have an account with Hancock Sheetmetal Co Pty Ltd, within thirty (30) days from the end of the month of purchase. If the purchaser does not pay to Hancock Sheetmetal Co Pty Ltd any amount when it is due for payment then Hancock Sheetmetal Co Pty Ltd shall have the right to recover interest as from the due date for payment from the purchaser at the rate of 3% above Reserve Bank cash rate.

## 3. CREDITS

No claim by the purchaser for failure to deliver, short delivery, supply of incorrect goods or pricing or calculation errors shall be accepted unless made in writing within 7 days of date of delivery.

## 4. LIMITATION OF LIABILITY

Any claim for damages arising from the sale of goods by Hancock Sheetmetal Co Pty Ltd to the purchaser (including any claim arising through the negligence of Hancock Sheetmetal Co Pty Ltd) shall be limited to the invoice price of the goods or at Hancock Sheetmetal Co Pty Ltd's option the replacement thereof. Hancock Sheetmetal Co Pty Ltd shall not be responsible for the consequences of any technical advice by its employees in connection with design, installation and use of goods sold. Hancock Sheetmetal Co Pty Ltd gives no undertaking that the goods are suited for any particular purpose. Hancock Sheetmetal Co Pty Ltd accepts no responsibility for any discrepancies between estimates or quantities it may have calculated based on plan dimensions & site measurements.

## 5. RESERVATION OF TITLE

Property of goods supplied by Hancock Sheetmetal Co Pty Ltd shall remain with Hancock Sheetmetal Co Pty Ltd until the purchase price in respect of such goods has been received by Hancock Sheetmetal Co Pty Ltd. In the case of payment by cheque payment shall not be deemed to be received by Hancock Sheetmetal Co Pty Ltd until the same has been honoured. Furthermore the purchaser hereby irrevocably authorises Hancock Sheetmetal Co Pty Ltd to repossess the goods without any previous notice and to enter any premises for the purpose of such repossession in the event that the purchaser fails to make any payment when it is due or commences to be wound up or is placed under official management or suffers a receiver or manager to be appointed or becomes insolvent or commits an act of bankruptcy or in the event that in the sole opinion of Hancock Sheetmetal Co Pty Ltd the payment of any amount in respect of goods supplied by Hancock Sheetmetal Co Pty Ltd is in jeopardy.

## 6. CUSTOMER CLAIM

No claim by the customer for faulty workmanship or failure to supply goods conforming to the customer's orders shall be recognised by Hancock Sheetmetal Co Pty Ltd unless made in writing to Hancock Sheetmetal Co Pty Ltd within seven (7) days after delivery of goods stating Hancock Sheetmetal Co Pty Ltd's order number and date of delivery. No claim for damage or resultant expense, direct or indirect, in respect of any goods shall in any case exceed a claim for the replacement of the goods or the invoice price of the goods in respect of which any damage or expense shall arise. All damage or expense over and above such invoice shall be the responsibility of the customer. A handling fee will be levied on returned goods plus transport costs.

## 7. WARRANTY

In the event of any claim for manufactured goods, the liability of Hancock Sheetmetal Co Pty Ltd is limited to the replacement or pro-rata replacement of the faulty goods.

Such faulty goods must be returned together with proof of purchase documents.

Costs associated with the removal and refixing of manufactured goods, incorrect installation, or any loss, or consequential damage of any kind are not covered by Hancock Sheetmetal Co Pty Ltd.

Any fault associated with product will be covered by appropriate supplier warranty.

### DELIVERY POLICY

Our Delivery Policy is Kerb side unloading. It is at the discretion of our driver to unload all goods within the boundaries of your property. Any special delivery requirements must be advised at placement of order and is still to remain at the discretion of our driver.

### SITE ACCESS

Please note that it is the responsibility of the customer to notify Hancock Sheetmetal Co Pty Ltd of any special requirements or site access problems at the time your order is placed. Failure to do so may incur additional costs. Please note that photographs are taken at all site deliveries.

### WORKSAFE NSW RESTRICTIONS

Customers should be aware that under WorkSafe NSW legislation there are limitations allowing the ability of drivers to load/unload to/from heavy vehicles. Customers with special requirements or unusual sites should contact the Despatch Manager before delivery to clarify the requirements.

### PRODUCT

Product that has been manufactured or purchased specifically to your requirements CANNOT be returned or credited.

### UNATTENDED SITES

No responsibility shall be taken by Hancock Sheetmetal Co Pty Ltd for damage, loss of product or the need to return product when delivered to site or store where the customer or an authorised person of the customer is not available to receipt delivery. A re-delivery will come at the cost of the customer.

# Custom Flashings

Whilst maximum length is 8m, consideration should be given to what you transport and handle on site.  
To ensure the correct flashing is ordered for the job, follow this procedure:-

1. Choose profile & finish
2. Select side where colour is required
3. Select dimensions by Alpha code
4. Nominate angles on all bends
5. Select quantity & length (s)

## EXAMPLE

1. No. 8 Surfmist
2. Colour on side B
3. A = 20 B = 180 C = 90 D = 15
4. AB = 110
5. 4 x 4000
