

Stramit® Rainwater Products

Stramit®

Stramit Building Products produces an extensive range of high-quality rainwater goods for both domestic and commercial applications. Stramit® Rainwater Products are manufactured from COLORBOND® steel, made right here in Australia by BlueScope Steel.

**A Warranty
You Can Trust**

With 30 full-time researchers and scientists and over 70,000 sample-panels undergoing testing, it's no wonder that COLORBOND® steel is backed by a warranty of up to 12 years*.

Now that's a warranty you can really trust!

Colorbond®

*Shorter warranty periods may apply. Warranties must be applied for. For full terms & conditions visit colorbond.com or call 1800 022 999.
