- must belong to a club affiliated with Tennis Victoria.
- are permitted to play for any club as many times as necessary in their personal grade or above at the discretion of the Executive Committee.
- may still play for their own club as an emergency.
- must be recorded on the Emergency Pool List by contacting the Record Secretary prior to playing at [wtdaladies@gmail.com](mailto:wtdaladies@gmail.com)

### Special Pool Emergency Rules applicable for Finals:

All Pool Emergencies (with the exception of Section 7) are not permitted to play in their personal grade during Finals (irrespective of how many matches they have played in that grade). They are only permitted to play above their personal grade in Finals. A request MUST be made to Record Secretary prior to using ANY Pool Emergencies in Finals.
