CHALLENGE & CHANGE FOR THE EXTERNAL ASSESSMENT

Drawing on our collective learning from 2020, the second series of pre-external examination events will deliver just what you as teachers and students need to help you feel motivated and prepared. With the very generous assistance of academics across the university sector, these events will provide expert support for General English, EAL/D and Literature.

THE DETAILS

Our teacher event will be an in-person experience (venue to be advised) with a streamed option for our remote members. For the student and teacher event, our flexible modes of delivery allow you to engage with our curated materials from the comfort of your own school or home, or a combination of both.

The program will consist of two events:

TEACHER ONLY EVENT

Saturday 31 July 2021

- Available as an in-person event or online through our Vimeo portal
- The event will provide workshops to help you and your students prepare for the analytical essay

STUDENT AND TEACHER EVENT

Wednesday pm 8 & Saturday am 11 September 2021

- Workshops and synchronous online Q&A sessions
- Teachers register their class of students and can participate in real time with their students on Wednesday or Saturday.
- Alternatively, schools can also choose to run their own workshops at a convenient time, using the pre-recorded materials.

Recorded materials will remain available to all participants via Vimeo until the examination week in October.

Teachers can register for one or both events, and students can register independently.
