RE: Snap, Darlinghurst

To whom it may concern,

We have been using the printing services of the Darlinghurst branch of Snap Printing for well over six months and have found them to be extremely professional and helpful. We use Snap predominantly for the printing of our corporate brochures and business cards, but have had occasion to take advantage of their wider range of printing capabilities.

Rahul Daga is dedicated to providing the best possible customer service and works hard to meet our needs, often meeting with us in person to talk through options and offer technical advice. Some time ago Rahul was very helpful in providing a custom size printed fabric banner and worked with us in sourcing the right material for the look we wanted to achieve as well as suggesting ways to keep costs down.

Most recently Snap Darlinghurst were able to turn around a 100 unit print only one day after receiving the artwork.

We have no qualms in recommending Rahul and his team at Snap Darlinghurst for all your printing needs.

Sincerely,

Maria Orlandi
Marketing Manager
