

## what's on in house Issue 3

Term 4 2014 : Monday 13 October - Friday 12 December

---

### Celebrations

As playgroups windup for the year on December 12th, we reflect on what a wonderful year our 'House' community has shared and appreciate the friendly, welcoming and skilled members that attend.

We would like to express our thanks to the Management Committee, in particular our Chairperson, Kate, for the support and direction that they have so generously offered over the year.

The centre is closed from December 18th through till January 27th. **Playgroups re-commence** at the beginning of term on **Monday 2nd February 2015**.

Wishing you all a very Merry Christmas, a fun and safe holiday and renewed vitality in the the New Year.

Jen and Fran

### Management Committee Update

#### WSNH Annual Member Survey

Thankyou to the 53 members who completed our Annual Members Survey which was handed out randomly to playgroups. The results give us a good understanding of the demographics of our members and their needs. Some interesting statistics include:

- 72% have support from extended family at least on an occasional basis

- 73% of families catch-up outside of playgroup
- 71% of mums are currently not working
- 43% would be interested in attending a Sundowner
- 79% have read this eNews 'what's happening in house'
- 24% like us on Facebook
- 64% of members meet here for 'Social Networking'

### Auditors

The Audit is currently being carried out and is hoped to be completed before the end of term. Jean, on the Committee has offered her skills to write up the Financial Report which will save the House \$1500. Thanks Jean!

---

### Fun and Creative Inspiration was evident in our Term 4 workshops

Our Cabernet & Canvas evening had 10 eager participants who bought each canvas to life. The girls all painted a scene of Cottesloe Beach with expert guidance from artist Riki. The finished work speaks for itself - WOW. We hope to run another similar evening again in 2015. So get you paint brushes ready.

No, it wasn't the Olympics, but the Christmas Wreath making workshop was a winner! Thanks to our tutor Kate who brought beautiful fresh foliage and trimmings our front doors are the envy of the street.
