Issue 24 - November 2016

Term 4: 10th October - 9th December 2016

Whew - It's just about time to wrap up for the year and celebrate!

This month brings us towards the end of the year - a time for reflection, preparations for the festive season and celebrations. We appreciate all that our members bring to the centre and look forward to hearing your visions for strengthening our community hub further.

So how well have we met your needs this year? If you haven't already completed the hard copy Customer Perception Survey, we'd love you to give anonymous feedback online at [Customer Perception Survey](#)

Preparing for Christmas seem too big? Tick off the Wreath and Gift boxes by joining in our workshops. Have some fun, support each other and take a small break from the kids while they're in crèche!

And as for celebrations.....we have a cracker planned for all the family. Santa's Sizzling Sundowner is on again. Save the date - Friday December 2nd.
