Subject: Authorisation for Dietitian Review of Resident(s)

Nutrition Professionals Australia (NPA) has been requested to review the following resident(s):

.....
.....

NPA will provide a suitably qualified Accredited Practising Dietitian to review your resident(s) *at the next scheduled* visit or earlier if required.

Best practice and evidence based guidelines will be used when making recommendations for care.

Please be assured that all our dietitians have a \$10m professional indemnity insurance cover and a current police check.

The dietitian will enter documentation into the clinical record and will provide clear guidelines and instructions if intervention is required.

If a visit is required between the usual scheduled visits NPA's standard fees are as follows:

Each visit will cost \$150 per resident.

Call out fee of \$100 – waived if more than one resident is seen

(Note: All prices exclusive of GST. A Tax Invoice will be sent separately)

If the visit needs to be within a shorter time frame or is URGENT please indicate on the referral page.

Please complete the details below including your signature and the details regarding the resident on the attached page or copy and complete if multiple residents need to be seen. Please then return all pages to NPA by return fax 08 8227 1200.
