1st XI Cricket

Rostrevor 9/117 in 35 overs (**Patrick Shrestha 20, Guy Hutchinson 19, Jack Hill 18**)
Lost to St Peter's 7/118 in 33 overs (**Patrick Shrestha 2/27, Dylan Smith 1/8, Harry Petty 1/11**)

A disappointing way to end our State KO Campaign. We were beaten by a better side on the day and we must find a way to improve our batting in the next 2 weeks prior to Intercol. This has been the area this year that we have struggled when the pressure has been on.

An early start due to the heat and reduced overs brought a new dimension to this game. St Peter's won the toss and sent us in to bat on a wicket that provided a fair bit of assistance early on. However, **Josh Richards** and **Jack Hill** made a good start putting on 30 for the first wicket. **Harrison Rahaley** added 17 and took the score to 2/55 when he lost his wicket. From here, the batting really lost momentum and wickets fell at regular intervals. We limped to 9/117 but thought that we were 20-30 short on that wicket against that opposition. We would certainly need to bowl well in order to win the match.

Our opening bowlers, **Patrick Shrestha** and **Dylan Smith**, again made an excellent start with the ball and together with a great run out from **Guy Hutchinson**; we had St Peter's at 4/20. The bowling was generally excellent and **Harry Petty** consistently hit great areas and caused every batsman problems. St Peter's were 6/60, when a partnership of 50 including some big hitting put the game beyond our reach. Full credit to the bowling unit for giving their all in some trying conditions; however, the total of 117 was, as expected, 20-30 short of what was required.

Congratulations to **Lawson Nitschke** (Year 11) on being elected as Swimming Captain for 2016.

If your son, be he a current or past scholar, has made any significant achievement in an activity outside of the College, please pass this on to me via email to jfischer@rostrevor.sa.edu.au so that I can include his achievements in the weekly newsletter.

SWIMMING CARNIVAL

MIDDLE & SENIOR YEARS

2016 – The Year of School Spirit?

Well it lived up to expectations as the glitz and glamour associated with the House Swimming Carnival was on show!

It was a day of close competition from the very start, as the score board continued to tell the tale of the struggles that took place in the pool. Throughout the day, no more than a handful of points separated the combatant Houses. The competition also spilled outside the pool, as the Houses challenged each other for the prestigious House Spirit Trophy. Ingenious chanting, rhythmical songs and flamboyant garb and paraphernalia adorned the somewhat usually meek and placid surrounds of the Adelaide Aquatic Centre! One old timer from the public, as he asked me to refer to him, looked on in amazement and amusement at the frivolity unfolding and simply shook his head and said, "I love it!"

As the day unfolded, the defending champions, Gurr House began to lose their hold on the Br JV Bourke Trophy, as the Egan House onslaught took hold. Quality performances in the relays and super human efforts in the novelties, saw the Red Monster claim the spoils on the day, its first for some years.

The final score card for the day read:

Middle School Shield Winners

Egan House

Senior School Shield Winners

Gurr House

Br J V Bourke Shield for Champion House

Egan House

The School Spirit Shield Winners (for supporting house members)

Individual performances throughout the day were outstanding, with many of the students achieving PB's and colossal efforts for their respective teams.

Yr 9 Mr S Squires Medal **Joshua Rahaley**

Yr 10 Br D P O'Connor Medal **Rui Lau**

Yr 11 Br J Moylan Medal **Lawson Nitschke**

Yr 12 Br J V Bourke Medal **Matthew Del Corso**

The winner of the prestigious, 'Invitational Event' in which the elite swimmers of the College are involved, was won by outstanding Year 10 swimmer **Rui Lau**, who swam a calculated and well paced race.

In closing, it would be remiss not to mention the herculean effort seen in a way the Physical Education Faculty ran the day. The cool and calm of a well oiled team is needed when events of this magnitude are on show for all to see. It would be remiss of me not to mention the efforts the heads of house and the efforts required to manage their respective teams whilst also maintaining their sanity. A BIG WELL DONE! Then there is the irrepressible Mr Vlad! He hits you with more questions than Millionaire's Hot Seat, but is dedicated to ensuring all is above board, also a BIG thank you.

It was also pleasing to see the parents at the event watching and cheering their respective fledgings; their spirit at times rivaled that of the boys! Passionate is a word that comes to mind!

It was a fantastic event and a credit to all that made it possible.

SWIMMING CARNIVAL

JUNIOR YEARS - FRIDAY 04 MARCH

Rostrevor College Junior Campus Swimming Carnival

Friday 04 March saw the running of the 2016 Junior Campus Swimming Carnival. After the first weeks 4 weeks of the term practising and trilling, the boys finally had the chance to put it altogether and compete in their respective Houses for the Holy Grail; the title of champion house for 2016.

After some very close divisional races in which all competitors gave their very best, Murphy came out the victors, a result that has been a long time waiting. Naturally, the Murphy boys were exuberant as **Hugo Shute** held up the shield, vowing to repeat the result in the athletics.

Throughout the morning there were many fine individual efforts with the following boys awarded Age Champions.

Under 9 Damon Tatarelli Age Champion

Adam Hardwarewala Runner up

Theodore Sweeney Third place

Under 10 Tom Braunack Age Champion

Tom Fotheringham Runner up

Ignatius Crafter Third place

Under 11 Alex Pertl Age Champion

Jack Haddad Runner up

Colby Mercer Third place

Under 12 Luke Thoday Age Champion

Hugo Shute Runner up

Cameron Tunno Third place

Damon Tatarelli was awarded the Brian Meaney Trophy, for his outstanding overall performance in the pool.

I would like to congratulate all the boys in the Junior Years, for their wonderful individual efforts in the pool and for the amazing House spirit they showed supporting their teams.

I would also like to thank all those who helped make the day so successful and run so smoothly. A great team effort.
