# CO-CURRICULAR NEWS

## Winter Term 2 Co-Curricular

This weekend we have the first round of winter co-curricular activities, coupled with Generations in Jazz where our musicians will get the chance to showcase their talents. On this basis, a big thank you needs to go out to all boys and their families, as well as the coaches for their efforts in the lead up to the first round of competition this Saturday. I know many boys are eager to contribute to the sporting traditions that have long been a part of Rostrevor College.

## Fixtures Information

All programs have been provided to coaches and are available on the Rostrevor College website, along with weekly maps that will be updated by Wednesday of the week your son is playing at an away venue.

Students are reminded to check their emails or the notice boards outside of my office to see which team they have been selected in as there is often movement of players between teams where A and B divisions exist.

## Co-Curricular Requirements

I would like to remind all boys who have nominated to play a sport, that attendance at both training and games is compulsory and coaches must be made aware of reasons for absences well before Friday as it is often problematic to find replacement players at the last minute. If you are unsure of who your son's coach is, please contact me either via email or phone.

Please be mindful of introducing yourself to your son's coach and offering to be of assistance on game day to transport boarders, keep the time, score, act as goal umpire or linesman as I am certain all coaches will appreciate your assistance.

## In other Co-Curricular News:

- Old scholar and now sporting hero Bruce Kamau played an important role in scoring the first goal for Adelaide United in the A-League Grand Final against West Sydney last Sunday.
- Year 9 student Anzac Lochowiak represented South Australia in the National Under 15 Kickstart Team at the AFL 2016 National Diversity Championships from April 3-8 at the Tony Ireland Stadium in Townsville. Throughout the 22 rounds of 20 minute footy games, Anzac kicked 8 goals and was named in the 2016 AFL's National Flying Boomerang Team (AFL's National Indigenous Program) to represent Australia. The Under 16 National NAB Championships against the World Team will be held at the Gold Coast in July.

If your son, be he a current or past scholar, has made any significant achievement in an activity outside of the College, please pass this on to me via email to [jfischer@rostrevor.sa.edu.au](mailto:jfischer@rostrevor.sa.edu.au) or by phone, so that I can include his achievements in the weekly newsletter.

## NOTICES

### Generations In Jazz

We would like to wish the students who are traveling down to Mount Gambier this weekend good luck with their endeavours in the Generations in Jazz competition. Many hours have been put in by staff, students and parents in the lead up, notably last weekend's Wine & Cheese Night organised by the Music Support Group which gave all the travelling bands an opportunity to gain some stage practice. It was an event well attended by over 150 of the College Community with proceeds going back into the music program.

### Junior, Middle and Senior Years Parent-Student-Teacher Interviews

- Day Students (surnames A-L): Wednesday 11 May from 2.30pm-8.30pm
- Day Students (surnames M-Z): Thursday 19 May from 2.30pm-8.30pm

All interview bookings are to be made electronically. Your son's report provides the basis of the interviews and will display the teacher(s) requesting an interview. However, if an interview has not been requested and you would like to meet with a particular subject teacher, you are most welcome to do so by booking an interview yourself.

### Note early dismissal times for Wednesday Week 2 & Thursday Week 3 2.30pm
