COLLEGE**

*Bruno Adamczyk (64) Remembered, Dylan & Michelle Matthews during last week's assembly*

## FROM THE **PRINCIPAL**

### *Dear College Community*

Last Friday our Middle and Senior Years students gathered in Purton Hall for a very special assembly to honour an Old Scholar who was killed in the Vietnam War. Corporal Bruno Adamczyk attended Rostrevor from 1957 to 1959 and was killed in action on the 12 July 1969 aged 22. Bruno's grandson, Dylan Matthews, is a Year 8 Rostrevor student.

Some months ago I met with Dylan's mother, Michelle, who shared the story of her father with me as well as her commitment to keeping his memory alive. We agreed that any Old Scholar who laid down his life for his country, as we do with Old Scholars who perished in World War II whose names are inscribed near the chapel doors, deserved to be remembered and set about planning for this to happen.

Friday was the culmination of a long journey. We were joined by family and friends of Bruno and members of the 9th Battalion in which he served. We were joined on stage by a very special guest, John Schumann, the former Redgum singer-songwriter and honorary member of the 9th Battalion. John, with the accompaniment of our very own vocal teacher Rohan Powell, provided a stirring rendition of Waltzing Matilda along with a haunting performance of his iconic classic 'I was only 19'. We were blest to have such a great Australian with us who also shared powerful words that one day we might live in a world that can settle its differences without guns.

A highlight of the assembly was listening to Michelle sharing the story of her father and the impact his death had on her childhood and her family. Too often war casualties are reported as statistics. For staff and students to hear the very personal story of one soldier and his family brought a new sense of reality to the horror of warfare. It is difficult to choose a single paragraph from Michelle's story to share with you as it was so deeply moving. However, I share Michelle's words, as it spoke to the reality that Bruno was a student at the College, involved in activities which current students still enjoy, with a whole life ahead of him - See over page for Michelle's story.

After the Last Post and the Rouse was played a special plinth was unveiled with a plaque commemorating the life and death of Corporal Bruno Adamczyk complete with the words 'In loving memory of Bruno, a Rossi boy who became an Australian Hero.'

I thank all those who made this very special ceremony possible. I especially thank Michelle and Dylan for reminding every student that our lives can make difference and no-one is ever forgotten.

God Bless

## A ROSTREVOR STORY

Corporal Bruno Adamczyk ('64) 1946 - 1969, Vietnam War Veteran, 9th Battalion

Special Principal's Assembly, Friday 26 August, joined by family and friends of Bruno and members of the 9th Battalion in which he served. We were joined on stage by a very special guest, John Schumann and our very own Vocal Teacher, Rohan Powell, who together performed moving renditions of Waltzing Matilda and I was only 19.

Old Scholar, Bruno Adamczyk

An extract from Michelle Matthews speech...

*"Bruno, my Dad, was born on the 27th of July 1946 in Germany. He was an only child and when he was 3 years old he and his parents moved to Australia to have a better life and escape the unrest that was Germany at the time. They settled in Mildura for a while before moving to Magill in 1956. Bruno then became a Rossi boy as he attended Rostrevor College in 1957, 58 and 59. He was a student just like you boys, he was on the swimming team and played football but he wasn't very academically minded so left at the age of 14 to work at a printers. It was there he met my mother, Cecilia, and they became childhood sweethearts. Bruno spent the next couple of years working at the printers but his passion was to join the army. On the 30th of July 1963, 3 days after his 17th birthday, Bruno signed up for a six year commitment with the army to become a regular soldier."*

## SACE Course Counselling Evening

It was great to see so many parents at the Years 10 to 11 and 11 to 12 SACE Counselling Evening on Tuesday night. We hope that the guidance offered by counsellors assisted you and your son with selecting appropriate subjects for 2017.

Your sons will be notified of their confirmed course for 2016 in mid-November. At this time there will be a small window of opportunity for students to tweak their courses, although we don't expect that there will be too many changes given our counselling process. This becomes even more difficult next year, when classes may be full. It is worth emphasising once again the importance of selecting appropriate subjects with careful consideration of strengths and weaknesses as well as meeting tertiary requirements.

## Cyber-Safety Parent Education Seminar

Last Wednesday evening Rostrevor College hosted a ThinkUKnow presentation. This follows our Student Cyber-Safety Program.

ThinkUKnow Australia is a cyber-safety education program that educates parents, carers and teachers on how people are using technology, the challenges they may face online, and how to help them overcome these in a safe and ethical way.

The 90 minute presentation was delivered by a local law enforcement member and an industry volunteer. The presentation covered issues relating to children and young peoples' privacy

and security online, their relationships with other users and their online reputation. It provided insight into the devices young people are using, as well as the popular websites, apps and social networking sites they are accessing.

Thanks to Evan Pezos, Director – Student Welfare, for organising the evening.

## Prefect Selection

As I write we are in the process of finalising prefect selection for 2017. This last phase is for the selection of the Prefect - House Captain Positions. Nominees have had an opportunity during the course of this week to address their peers at House gatherings and students have voted for their preferred candidate. Votes are being tallied this afternoon.

At the Principal's Assembly last week Mr Dash announced four of the five Prefects who had won the non-House Portfolio positions:

<b>Flynn Pisani</b>	Head Prefect
<b>Alex Cusack</b>	Deputy Head Prefect
<b>Michael Sosa</b>	Prefect – Social Justice
<b>Damien Pipicella</b>	Prefect – Community Activities
<b>Alexander Gentilcore</b>	Prefect – Internal Services

The Prefect - Head of Boarding position was finalised earlier this week and we are pleased to announce that this position has been won by **Hugh Walker**

I congratulate the Prefects Elect and their families on the above appointments. The nomination and selection process was rigorous and families should be justifiably proud of their son's selection to the 2017 Prefect body.

The challenge for all students is to seek leadership opportunities offered at Rostrevor; this is not only for those boys who have leadership aspirations but also for those of you who just want to give it a try. In closing, remember one does not need a badge or a title to be a leader and to serve.

God bless.

# YEAR 7 RETREAT

**Br John Ahern**  
Assistant Principal  
Religious Identity  
and Mission

This week commenced on Monday with the Year Seven cohort having their Retreat day. The retreat was based around Friendship and what makes a good friend. We began with a Jelly Bean meditation; each boy was asked to close his eyes and receive three jelly beans. They were then invited to eat them and test out whether they could pick which flavour they had had. The lesson was that people are like the beans, same in essence but with different characteristics and talents. The next session emphasised that each person is a gift from God and that our inner self is more important than the outer wrapping.

The friendship session came after a game on the oval run by Mr Callisto. Students identified what makes a good friend and how we can keep good friendships going. The final session before lunch focused on a moral dilemma which concerned a ferry sinking and only eight people can be saved. Each small group witnessed passionate debate about who should be saved and why. After lunch we moved to the chapel for a final liturgy. Boys reflected on their sins and we symbolically burnt them after placing them on paper into a tin. The students joined in well and I was pleased with their participation.

This Friday the Social Justice group has taken a stand for White Ribbon Day which rejects violence against women. Here is the quote from the school bulletin.

'Domestic violence is a form of violence that can occur within any relationship. There are many different types of domestic violence, including social, physical and emotional. 9 out of 10 victims experience abuse by a male offender. Domestic violence is a serious problem in Australia. White Ribbon is the world's largest movement of men and boys working to end men's violence against women, promote gender equality, healthy relationships and provide a new vision of masculinity. Join the conversation and let the world know where you stand. Take the oath for respectful relationships this Friday in the Valley.'

I commend them for encouraging this great initiative.

## Confirmation and First Communion

On Sunday 21 August a fine group of Rostrevor students from years 4 and 5 gathered, along with their families, at Tranmere Parish Church to celebrate their Confirmation. The act of Confirmation is the rite at which a baptized person, especially one baptized as an infant, affirms Christian belief and is admitted as a full member of the Catholic Church. It is a time of great celebration for families and, indeed, the boys themselves.

On behalf of Rostrevor College I would like to offer public thanks to the following people for holding the hands of our boys as they took this important journey in their Spiritual lives; Special thanks to Archbishop Philip Wilson for taking the time to preside over the celebration for us, Father Peter Zwaans from the Hectorville Parish, Deacon Remo Patroni and Ms Stephanie Roach from the Tranmere Parish Office. Their support of our Sacramental Program at Rostrevor is invaluable! I also offer thanks to the entire Tranmere Parish for their hospitality in welcoming us into their wonderful Church. Further to this I express my thanks to Mrs Deb Monaghan, Ms Lauren Hanson and Ms Kate Parrish for assisting the boys in their preparation for the special day and to Mr Elias DeGeorge and our College Choir for making the day a resounding success. Most importantly I thank the families of the boys for their love, care and support of these fine young men.

Last weekend on Saturday 27 and Sunday 28 August, the boys then received their First Holy Communion in services overseen by Father Anthoni Adamai and Father Dennis Edwards, also at the Tranmere Church. This completed the rite of passage for the boys and was, once again, a time of celebration for families and the lads themselves as they received their First Eucharist in the body and blood of Christ.

Congratulations gentlemen!

## Book Week

Each year, around the Nation, Primary Schools celebrate a love of learning and reading by engaging in the annual 'Book Week'. During this time Schools, Libraries, Booksellers, Authors, Illustrators and children celebrate Australian Children's Literature. This year's theme was, 'Australia: Story Country' and we concluded a week of reading and storytelling in the Callan Hall where boys dressed up in an 'Aussie' theme. We had Ned Kelly, an Octopus and even a few

'Bogans' on show and the parents and caregivers assembled for this annual event were delighted to see a fair bit of creativity on show!

I thank all families in supporting their boys for the week (some racked up a fair bill in the Ideas Centre purchasing a 'must have' book!) and also Ms Jenny Leggett for supporting staff in providing picture books to read and assorted activities for the boys to engage in. Reading is the most important skill for our boys to learn as it helps them to access the curriculum throughout school and life! Perhaps we should celebrate Book Week every week?

## 'BRAiNgro' Trial

In recent editions of the College Newsletter I have reported on the Junior Campus' engagement with the Mental Health and Well-being framework, 'Kidsmatter'. Staff have been working hard in learning about the importance of mental health and well-being and the obvious benefits for the boys in our care from both an emotional and academic point of view. This training has led to the implementation of our Resilience Program 'Bounceback' over recent weeks – launched with much ceremony at a recent Callan Hall Assembly.

To continue our learning in this space, we are incredibly pleased to inform the community that we will also be trialling a new program amongst our Year 3 and 4 students called BRAiNgro. BRAiNgro is a whole school wellbeing program that uses the latest neuroscience research to provide students with a range of tools to improve social, emotional, and educational learning. We are fortunate to have developed a partnership with local and well known Psychologist, Rita Princi, who has offered to assist us in a clinical trial of this new and exciting program in our school community. Soon, we will be inviting parents and carers of our Year 3 and 4 cohort to attend an information session and our staff have already begun training in order to facilitate the program – an online learning tool that is state of the art and one of a kind! We are also lucky that we will be the only school in SA that will be able to trial this with Year 3 and 4 students. We look forward to sharing this with the community, and the outcomes of the trial, towards the end of the year.

**Bookweek Parade (Top, Column Right, Students were encouraged to dress up for the parade in what was one of the better parades in recent memory.**

## Exciting News!

Finally I offer some exciting news for some of our Year 5 and 6 students! I won't give too much away but in coming weeks we will be engaging the services of Rocket Scientist, Ms Flavia Nardini, who is the Chief Executive Officer of a company called 'Launchboxspace' (<http://www.launchboxspace.com/>). Flavia has been gracious enough to offer her time to work with groups of Year 5 and 6 boys around the theme of 'Satellites'. I'll leave it at that for now but rest assured... at Rostrevor College, all of us can 'See Further!'

# STUDENT WELFARE

**Evan Pezos**  
Director - Student Welfare

A fundamental belief for Catholic schools in the Edmund Rice tradition is that Jesus is seen God's image and likeness in its human expression, and that Jesus' values and teachings show all people 'the way, the truth and the life' (John 14:6). In harmony with this acceptance and as reflected by the Touchstones, values to be fostered within Rostrevor College's understanding and practice of pastoral care and student wellbeing include love, respect, compassion, reconciliation, justice & solidarity, tolerance, forgiveness and inclusivity.

The pastoral care of students in this context refers to action taken by the College and all its members to support and enhance student wellbeing of a personal, physical, social, emotional, mental or spiritual nature. One such school-wide initiative includes the promotion of cyber-safety and the stance taken against cyberbullying.

## Cyber-Safety/Cyber-Bullying

The internet offers the chance to explore a virtually unlimited world without the restraints of the 'real' world, additionally, content on the internet is not broken into age or developmentally appropriate areas. Without supervision and guidance, a young child can either unintentionally or purposely find content that is disturbing, explicit or inappropriate. Subsequently, Rostrevor College, working alongside parents, helps facilitate the education of its students with regards to appropriate use of technology.

In partnership with SAPOL, all Year 5-9 students attended a seminar on cyber-safety and cyber bullying. Officers from Eastern Adelaide Crime

Prevention Section paid a visit to our school, running two separate sessions including an opportunity for students to ask questions. The student presentations were followed up with an evening ThinkUKnow presentation for parents delivered by the Australian Federal Police. This evidence-based cyber safety program provides accessible cyber safety education to parents, carers and teachers through schools and organisations across Australia. Parents were also guided through the College Anti Bullying Policy which emphasises the importance of relationships in an 'Inclusive Community' such as ours.

This is the fourth year of our involvement with SAPOL, something we are grateful for. As part of our Pastoral Care Program, SAPOL also deliver 'A Guide To Obtaining Your L's and P's' and 'Drugs & Alcohol' presentations to our Year 10 and 9's respectively.

Judging by the following responses, students got a lot out of the presentations;

*"I enjoyed the presentation on cyber safety and cyber-bullying because it was informative and I gained some knowledge about safety online."*

**Christian Corbo Year 6**

*"I didn't realise that people can be bullied online by socialising online with school friends and people who they don't know i.e. strangers"*

**Nicholas Malatesta Year 5**

*"One thing I learnt from the 'Cyber-Safety' and 'Cyber-bullying' presentation is all of the little details from a photograph posted online can tell someone lots about you like your location"*

**Christian Laranjeira Year 6**

*"This was important to me because it taught me about problems and dangers in the outside world and on social media sites that I thought were safe."*

**Isaac Kelly Year 5**

*ThinkUknow Above and Top - SAPOL present ThinkUknow to year 5-9 Students, with a parent presentation last Wednesday*

## MY/SY MUSIC NIGHT TICKETS

Thank you to the families that have already purchased tickets. We understand there have been some issues with ticket purchasing on the Qkr site and apologise for the inconvenience. However, the sites integrity has been checked and no faults have been logged. We suggest that, if you are using the app on a smart device, please ensure you have updated the Qkr App with the latest version available. Hopefully, this will eliminate any further issues.

Furthermore, although purchasers cannot determine how many seats are available on a table (in the first instance), the site will not actually allow you to process payment if there are less seats than you require available. At this time, an alert will advise the number of seats remaining, if any. The Table / seating plan for this event can be found [HERE](#).
