

ROSTREVOR
COLLEGE

First XI, A younger First XI is showing some promising signs leading into next year's competitions

CO-CURRICULAR NEWS

Dear College Community,

1st XI Cricket

Rostrevor 170 (Harrison Rahaley 72) and 7/187
(Dylan Fitzsimons 44, David Hamann 35, Angus Honner 32)

Defeated Trinity College 61 (Harrison Petty 4/25, Joel Size 3/25, Cale Elefsen 2/2)

Given the inexperience amongst the playing group, it was a pleasing result and a great way to finish the term whilst providing a number of younger players a chance to play at 1st XI level. The energy and intensity shown by all of the players was also pleasing and we must now take that into the State Championship games next year.

After resuming at 5/39, our simple message was to bowl full and straight, which is what was largely executed by both **Harrison Petty** and **Joel Size**. They both bowled with good pace and with the help of **Cale Elefsen**, we were able to take the last 5 wickets required for the addition of only 22 runs.

Rather than try and chase outright victory by asking Trinity to follow on, we decided to bat again to get some much needed practice in the middle. **Angus Honner** especially looked very good against the new ball and looks exciting for the 1st XI moving forward. He was ably supported by **Dylan Fitzsimons** and **David Hamann** who batted well and made the most out of their time at the crease. **Samuel Rahaley** chipped in with a well-compiled 22 and **Harrison Petty** also batted well to get to 27. As has been the case too often this year, we had a lot of players who made starts but couldn't go on to really capitalise and turn the start into a big score. This is an area we need to focus on moving forward to 2017.

In other Co-Curricular News:

- Year 10A cricketer **Scott Hammat** batted exceptionally well but was left stranded on 99no against Adelaide High in their excellent win as he ran out of batting partners.
- Year 11 **Alexander Gentilcore** has been selected to receive a prize in the Australian Music Examinations Board's (AMEB) 2016 Showcase and Awards Ceremony. Alexander's selection was made by the Advisory Board's Prizes Committee on the recommendation of the examiner of his Grade 5 Piano exam; an outstanding achievement.

If your son, be he a current or past scholar, has made any significant achievement in an activity outside of the College, please pass this on to me via email to: jfischer@rostrevor.sa.edu.au or by phone, so that I can include his achievements in the weekly newsletter.
