

Netball Assistant Coach

ROLE DESCRIPTION 2020

Primary Purpose of Position

The Assistant Coach is primarily responsible for assisting the Head Coach with implementation and management of the SWSAS Program.

The position is answerable to the South West Sydney Academy of Sport and reports to the Sports Program Manager through the Head Coach.

Organisational Context of Position

The South West Sydney Academy of Sport was established to provide talent identification/development opportunities for specific athlete groups. To do this the Academy offers holistic programs which are focused on individual development.

Key Responsibilities of the Assistant Coach

- Assist the Head Coach with the delivery and planning of training sessions
- Assist the Head Coach to ensure sessions run on time and finish on time
- Assist with all aspects of the duty of care of athletes at all Academy activities
- Act as the Head Coach when/if the Head Coach is absent
- Provide assistance as directed by the Head Coach
- Attend all programmed squad sessions, including training, game day/s and Athlete Education sessions and official SWSAS functions
- Staff to arrive at training 15 minutes prior to training sessions commencing
