This plan is relevant to Outdoor training activities only.

In indoor areas, increase natural ventilation by opening windows and doors where possible.

Agree

Yes

Tell us how you will do this

Reduce use of Indoor activities until allowed by NSW PHO prior to 1 December 2021.

In indoor areas, increase mechanical ventilation where possible by optimising air conditioning or other system settings (such as by maximising the intake of outside air and reducing or avoiding recirculation of air).

Agree

Yes

Tell us how you will do this

Encourage windows to be opened as opposed to air conditioning use.

Ensure mechanical ventilation systems are regularly maintained to optimise performance (for example through regular filter cleaning or filter changes).
