## SOLO'S 2018

Parents/Students all solos are the property of JOKSOD. The final decision regarding solos is made by Miss Jo. However, I would like to hear your views on what solo you would like to keep and ideas for next year.

There are a lot of considerations to take into account and a lot of thought and work that goes into each solo, all to benefit the individual student.

Solos are usually kept for 2 – 4 years, however, in some cases students will need a new solo after one year. This decision is made by Miss Jo.

If you are not sure which solos are appropriate for you or even if you are ready, please place down your thoughts and I will contact you early next year. (List email address)

\*Please note that students must be participating in troupe work to do a solo.

\*Students doing Championships must be winning prizes in open sections and be approved by Miss Jo. \*Please read term 4 newsletter regarding further rules for Classical Championships. Students participating in classical solos and over 10 years must be participating in at least 3 classical classes per week.

Please understand that there is very limited time after school hours to schedule solos. The more options you have the better we will be able to accommodate you.
