Qkr! App	Payment via your mobile phone app. Refer to stmarys.sa.edu.au for details
EFTPOS / Cash	Payments can be made at the front office 8.15 am to 4.00 pm Mon–Fri

Families must be up to date with Tuition Fees payments when nominating their daughter/s for any extra-curricular College events.

COMPULSORY CAPITAL LEVY

A Capital Levy forms part of the total annual fee. This compulsory charge is not tax deductible and is used for ongoing development of College facilities.

This levy makes a tangible difference to the College's ability to maintain and improve the high-quality facilities the students enjoy.

FAMILIES WITH FINANCIAL DIFFICULTIES (SCHOOL CARD)

School Card Forms are available from the government website **sa.gov.au** or the College Front Office.

Families intending to apply for School Card, are asked to indicate this on their Payment Plan. The College requests that completed application forms are submitted early in Term 1 2026. If qualified, a possible remission of up to 40% will apply to the Tuition component of fees.

Families who do not qualify for School Card but may still require assistance due to their financial situation and/or for special circumstances may apply for a Variation in Fees. Assessments on eligibility will be determined during an interview, supported by the appropriate financial documentation. Contact the Fees Officer to arrange an interview.

Subjects Studied Off Campus

On occasion, a student may wish to study a subject that does not fit in their timetable or that is not available at St Mary's College i.e., Open Access or School of Languages. Consulting with the Director of Teaching and Learning, all enrolments with the external provider are processed by St Mary's College. The cost of these courses to families is negotiated at the time of enrolment.

Once the invoice has been received from the external provider, St Mary's College will pay the provider directly. Any costs agreed upon with families will be billed to the family fee account. The student is required to maintain their studies and attendance at both St Mary's College and the course. Should studies not be maintained, the full cost of the course will be charged to the family fee account.

The College expects all families to be up to date with their Tuition Fee payments when considering enrolment for an external course.

The cost of extra courses in addition to a full St Mary's College study load is the financial responsibility of the family and will be charged to the family fee account.

Vocational Education and Training (VET)

Where a student chooses to study a VET course as an alternative to a SACE subject offered at St Mary's College, the course fee is subsidised 50:50 up to a maximum of $400.

This amount will be refunded on successful completion of the course, provided the student maintains their studies and attendance at both St Mary's College and the course.

The cost of extra VET courses in addition to a full St Mary's College study load will be the financial responsibility of the family.

SACE Fees

Students who need to sit SACE examinations interstate or overseas will be required to pay costs set by the SACE Board of South Australia to facilitate such requests. Contact our SACE Coordinator for more information.

SPECIAL ARRANGEMENTS

Parents and Guardians are advised that one term's notice must be received in writing to the principal when intending to withdraw their daughter from the College. If no notice is provided on a student leaving St Mary's College, one term's fees will be payable in lieu of notice.

Payment of school fees is still required when a student is absent from school for any length of time, e.g., an overseas holiday.

The St Mary's College Board acknowledges its responsibility to take all reasonable and legal steps, including a debt collection agency, where necessary, to ensure College fees are collected in full.

Families experiencing difficulties with the payment of their school fees, or requiring further assistance, are encouraged to contact the Business Manager or the Accounts Department to discuss their arrangements.

Student Personal Accident Insurance

All students receive insurance cover via Student Personal Accident Insurance. This is a student accident insurance policy specifically designed for schools. The policy provides benefits for a range of non-Medicare medical services, such as dental and physiotherapy costs, which are incurred because of an accident during a school activity.

Additional expenses such as medical expenses (allowable by law), emergency transport, home tuition, and school fee relief are also payable under the policy.
