Welcome to NZRA.

At NZ Roadside Assistance, we go the **extra mile** to keep your vehicles mobile and your people safe on the road.

We specialize in developing customised roadside assistance programmes to suit our business clients' personalised requirements at direct wholesale rates. NZRA also provides cost effective and tailored Roadside Assistance programmes to the public.

With automotive experts, solid systems and outstanding customer service, we guarantee a premium roadside service with the **fastest response throughout New Zealand (approx 30-40 minutes)**.

Our flexible, personable approach means we work with you to design, implement and manage a roadside support programme which you can either brand as your own or use our trusted NZRA branding.

Proud to be 100% New Zealand owned and operated, we provide technical and customer support for all your motoring needs with tailored programmes for fleet and private vehicles, motorcycles, taxis, buses, vans and trucks.

OUR PEOPLE

We believe our people are our biggest asset. Having a dedicated and experienced team ensures quick, reliable roadside assistance services when you need it most.

NZ Roadside Assistance was founded by Paul Gostick, our managing Director with over 25 years in the Automotive Industry, his expertise covers both national and international levels of Automotive assistance services.

Paul and his team of qualified automotive and customer services experts, have over 50 years combined experience and we are always pleased to meet and discuss how we can provide our services for you and your customers, 24 hours per day - 7 days per week.

Quality services

Looking for quality, reliable roadside assistance you can rely on **24/7, 365 days a year, nationwide?**

Whether you have a few vans or a large fleet of vehicles, we can develop and manage an automotive solution that guarantees your staff and customers the roadside support they deserve.

Our extensive service provider network ensures the fastest response time in New Zealand (approx 30-40 minutes) so when your staff or customers have an accident or breakdown, they'll know you've got their back with fast, safe, reliable roadside assistance.
