

recycle right

At EcoGroup, we're all about recycling right.

We proudly spearheaded the sustainable demolition industry in Australia. Using ground breaking technologies we provide innovative services including demolition, excavation and site remediation.

EcoGroup are the leading supplier of recycled bricks, pavers, crushed brick, briquettes and mulch.

We are on a mission to transform the demolition, construction, and landscaping industries by providing a green alternative.

At the core of everything we do, lies a deep commitment to sustainability. By maximising salvageable materials and minimising the waste that goes to landfill, we're preserving the environment for generations to come.

red porous crushed brick tennis

red porous crushed brick

Our red porous crushed brick (otherwise known as red brick dust) is crushed to 2.5mm, and is ideal for surfacing clay tennis courts. It is also available as an ultra fine product.

Crushed from 100% red recycled bricks, it's a great environmentally-friendly option for club owners and sports fans. Our red porous crushed brick comes in 25kg bags, 1m3 bulka bags, or loose by the cubic metre.
