

HCS Total Restroom Program

Viral Protection & Odor Control Solutions

The appearance and smell of your restrooms can leave a big impression on your clients and staff. People equate a dirty restroom with a dirty operation. HCS can assist you in providing a positive restroom experience.

Deep Cleaning Service

removes odor causing dirt and bacteria from fixtures, floors, walls partitions, counters and toilets

Weekly Hygiene Service

Focuses on sinks, toilets & urinals to sanitize & disinfect ensuring complete protection

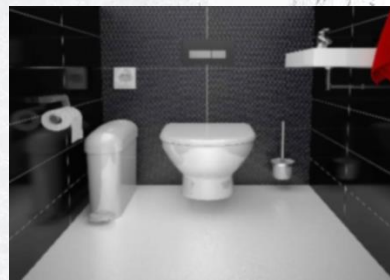

Air Freshener Solutions

Continuous odor control with Airadicate (a malodor counteractant & neutralizer)

Urinal Screen Protection

Dual fragrance and enzyme protection that also helps reduce organic scale build up

Sanitary Bin Disposal Service

Supply and service of sanitary units to eliminate odors and minimize waste

Consumables

Toilet paper, hand towel, soaps, sanitizers, facial tissue and more...

Serving GTA and the Golden Horseshoe since 2005
