Dear Parents/Guardians,

### Year 12 Examinations

If you are the parent/guardian of a Year 12, you will be in the thick of supporting your daughter/s in the final phase of her Secondary schooling. Our Year 12s have begun their final examinations and have, so far, displayed a calm maturity. This week, SACE examinations began with; Biology, Essential Mathematics, Mathematical Methods, Vietnamese (Continuers), and just this afternoon, for the first-time, students completed their Modern History examination electronically. In the coming years the SACE electronic examinations model will expand to most schools.

Year 10 and 11 examinations are not far away and it is a good idea to begin to encourage your child/ren to focus on an early and productive study timetable.

### Move Up Day

Do not underestimate the power of making space for a rigorous Transition Program in a school setting. In just two days' time, our Reception to Year 5 students will move up to the next year level for the morning. We are also looking forward to welcoming 24 of our soon to be, 2020 Reception students and their parents.

The transition model at St Dominic's focuses on building relationships with new teachers, familiarity with the surrounding environment, and developing a feeling of safety. Our focus on wellbeing is especially significant, as many studies in this area show that 'readiness' for school is predictive of long-term academic and occupational achievement.

### Save the Date

Dates that are worth adding to your diary;

- **Wednesday 20 November**  
6:45pm - 7:30pm Parents & Friends Meeting followed by Fete Meeting from 7:30pm
- **Tuesday 3 December**  
2:30pm Dismissal for all students  
7:00pm End of Year Mass  
for Year 3 - Year 12 students and their families
- **Thursday 5 December**  
9:00am End of Year Liturgy  
for Reception - Year 2 Students [Families of these students are also welcome to attend.]

### Fete Gratitude

Our Convenors have taken time to thank the many businesses, donors and people that have supported a stall and ultimately the 2019 Fete. Thank you to all and enjoy the read!

**Your Say  
Adelaide**

### Help shape parking in North Adelaide

*The City of Adelaide is seeking feedback in relation to the new parking*

*controls that currently affect the St Dominic's Priory College community.*

These parking controls, put in place across North Adelaide in July, have caused many problems for you, staff, and local residents.

The College has lobbied to have these controls reversed. We have written to the Mayor, CEO and relevant Councillors at the City of Adelaide. One of our staff members also gave a deputation to the City of Adelaide at a previous Council Meeting on Tuesday 25 June. This staff member was given the opportunity to address the City of Adelaide Council for 10 minutes.

### Some of you have asked; what can be done to help?

To express your concerns on the parking controls in North Adelaide, you can complete an **online feedback form** or consider attending a '**Community Pop in Session**' as part of the community consultation process.

For more information and to provide your feedback, please visit  
**[yoursay.cityofadelaide.com.au/nth-adl](http://yoursay.cityofadelaide.com.au/nth-adl)**

**This consultation period closes  
5:00pm Monday 18 November 2019**

Additionally, you might also write or phone directly, the Mayor and Councillors. You can access their details via the City of Adelaide website: **[www.cityofadelaide.com.au/about-council/your-council/lord-mayor-and-councillors/](http://www.cityofadelaide.com.au/about-council/your-council/lord-mayor-and-councillors/)**

**Please remember to ensure  
any statements you make  
are from you individually.**

*Maribel Noujaim*  
Acting Principal

# Primary News

from Ms. Cate O'Leary  
Primary School Coordinator

"A Growth Mindset is not a declaration, it's a journey."

As parents and teachers, we are all working towards helping our children and students gain the most from their learning opportunities. At times it is hard for them to build or maintain their motivation when success doesn't come easily. Talking with them about strategies they can use or steps you take when confronted with difficulties can be helpful in moving them on from a road block in their learning progress.

Last Friday our classes participated in our challenging **Growth Mindset Day**. We are thankful to Ms Deb Osborne who coordinated this successful event and all the students and teachers who enthusiastically participated in the many activities. Our students completed sessions which challenged their skills and broadened their thinking and creativity.

**ART:** drawing the College Chapel on canvas using Charcoal as the medium. All classes have their artwork on display.

**DANCE:** thanks to Carmel Margaritas for teaching us a very energetic, creative and fun dance routine.

**WRITING:** walking to the park, all classes wrote poetry with the theme of nature.

**PHYSICAL:** junior classes enjoyed the *Life Be In It* equipment and senior classes rotated through a series of physical problem solving challenges.

**STEM:** all classes created marble mazes using a magnet ball and magnet wand, with each year level being given varying degrees of difficulty.

**Move Up Morning:** This Friday we are all looking forward to 'Move Up' Morning for our students from Reception to Year 5. We look forward to welcoming our new Reception Class for 2020 and new students for other Year levels too. 2020 Reception students will be attending a second transition session on Friday Week 5 (15<sup>th</sup> of November). Year 6 guides will greet new families in the front office and take them to their respective classes.

**Next week is PE Week and all classes will be involved in active sessions. Please check all notices carefully.**

Year 5/6 Lacrosse Carnival

## Growth Mindset Day

I was challenged when going to the park and having to write a 10 lined poem the theme of nature, with similes, metaphors and personification. I learnt that having a Growth Mindset isn't always easy and would recommend the day to other schools because it will improve their mindsets and help them become more persistent.

- Victoria Chavez Yr 5

### My favourite part of Growth Mindset Day:

The best part was making the marble runs.

- Millie Year 1

...the Sports games, because I got to be lifted up into the air by a parachute.

- Ivy Year 2

...when we had to draw the Chapel on a canvas with lead pencil and charcoal.

- Sidak Year 1

I loved going on a walk. I saw birds, butterflies, grass, twigs and lots more.

- Mia Year 2

...the Magnet Maze. Our maze looked hard but it was actually easy.

- Helen Yr 2

My favourite part was when we threw the big ball.

- Sofia Year 1

My favourite part was the dancing.

- Soraya Year 1

## In and around the classroom:

Spring is upon us; the warmer weather is here and the flowers are blooming. The Year 1s have been exploring poetry and have written a Spring Haiku poem.

Spring is beautiful  
Blooming blossoms falling down  
Sunshine is now here. Emilia

Fluffy clouds moving  
Bees buzzing worms wiggling  
Sunshine birds singing. Olivia

Along with our Spring theme the students have also been growing Broad Beans. Some of them are growing well but they have all had lots and lots of love and attention from all of the enthusiastic Year 1 students.

With Friday's logistical preparations well under way by College ground staff, administration and teachers, another busy Fete weekend begins!

Saturday saw the shape of the Fete really coming together with many stall holders setting up, unpacking and even cooking - the majority of the equipment that supports our stalls had now arrived on site.

Many stall holders had already spent valuable hours preparing for the big day on Sunday - attending meetings, holding bottling days, working bees, calling suppliers, pricing and sourcing goods, and asking favours from family and friends.

Sunday arrived with promising weather, a little chilly to start but a perfect forecast.

Last minute preparations taking place - from very early in the morning the buzz of workers and stall holders setting up, last minute preparations taking place, floats distributed, coffees consumed, rubbish cleared and the delicious smells of fresh food mingled with sound checks and excited helpers everywhere,

The food again this year was excellent, such an enormous variety to choose from - so many options, all lovingly prepared and appreciated by the hungry crowds. Amazing drinks options once again with not only cold drinks but delicious hot coffees and amazing Afternoon Tea served in a beautiful setting.

The Produce stalls were loaded with incredible delights and inviting as always; keeping busy all day. The Book Stall, Classic Treasures and Craft offered so many treats - many donated and lovingly made by the College community and their families. The ever popular Chocolate Wheel provided fantastic entertainment to the crowds as they sold their bats to a happy crowd.

The Auction, as always, a brilliant success on a huge magnitude - providing not only great entertainment but wonderful items in their Live and Silent Auctions. This event supported wonderfully by incredible bar choices lovingly served to happy bidders.

The Cake Stall and Sweet Stall were heaving with delicious treats for lucky families and visitors - favourite stalls for many and a nod to the wonderful generosity of our Old Scholars.

The well stocked Ice Cream Stall and busy Lucky Dip proved very popular with our

younger attendees, and the addition of popcorn and fairy floss - served by a clown, no less - was a wonderful success also.

After the happy crowds finally made their way from the College and the day closed in, the packing up began with many stall holders selling out - many happy families enjoying the day and many tired stall holders already brainstorming ideas for next year.

The pack up team worked seamlessly as always to make sure the hundreds of jobs required to return the school to its normal routine took place.

A huge thank you to everyone involved, if I've forgotten you it's not because you were not appreciated. You are all seen as wonderful volunteers, giving up your time, your weekend, your chance to attend the Fete as a visitor because you are busy working so hard.

The excellent admin staff, ground staff, office staff, planners, counting house, clean up, dish washers, rubbish collectors - you are all appreciated and valued greatly.

So many families year after year find the time to volunteer whilst working full time, supporting their children with their studies, sports and hobbies.

It would be so great to see future Convenor spots filled immediately, new faces happily signing on to rosters that are bursting with so many volunteers the Bulletin doesn't need to beg weekly for helpers, families coming forward with suggestions to improve the day, organising donations, attending Fete meetings and helping out in preparation days.

It is no coincidence that the same people that make the Fete a great success are the same people who help out and run stalls on Sports Day, at Family Mass, and the Quiz Night. These are all events that need enthusiastic volunteers and everyone in our community can help out in some constructive way to make the load lighter for all involved.

Just remember when you see requests for help for any future events at the school -

**Act as if what you do makes  
a difference - it does!**

It makes a difference to this wonderful community that we are all very lucky to be part of.

**Scott Griffin & Stuart Lapsley**

**Findon Fair Fruit & Veg**

## Asian Food Stall

We would like to sincerely thank all the parents who supported the Asian Food Stall at the 2019 Fete. Your generous donations of spring rolls, meat and cooking ingredients were superb.

Thanks also to the generous support of **Lucky Asian Grocery** (Kilburn), **Asian Jumbo Takeaway** and **Hanson Travel** for donating cooking needs and vegetables. See you all again next year.

Wendy Luc

## Counting House

Thank you to everyone who contributed to the success of another memorable Fete Day. Everyone worked tirelessly in bringing this huge event together – well done.

Vanessa and I are especially grateful and appreciative of our helpers in the Counting House. A heartfelt thank you to *Susan Crowe, Denise Kennedy, Sarah Meathrel, Georgia Meyer, Maeve Moore, Audrey Nguyen, Helen Pedler, Christine Purgacz, Corinna Renney, Joe Sperenini, Carolyn Slater, Libby Suter and Olivia Suter.*

Lina Martino & Vanessa Grund

## Cake Stall

To all members of the College community; parents, students and staff who baked, a very grateful thanks to you all.

The amazing selection of cakes, slices and biscuits were quickly snapped up. We also thank the Old Scholars for their ongoing contributions; we enjoy the yearly reconnecting with those who come along to the Fete and always to the Stall to say hello. Here's to another successful year for the Old Scholars' Cake Stall.

Elena Tarraran

## Drinks Stall

Thank you to the wonderful parents and students that volunteered their time to work on the Drinks Stall. Both stalls worked very efficiently and we nearly sold out of drinks.

A very big thank you to the **Lockleys Hotel** who donated ice.

Sarah Hall and Gabby Stradling

## Pot Plants

A huge thank you to the parents, grandparents and students who came to our potting mornings, helped out on Fete Day, and donated plants for us to sell; especially *Bernadette Smith, Michael Scroop, Catherine Dinos, Helen Lloyd*, and from the primary school, *Deb, Michelle and Raquel.*

The Pot Plant stall would also like to acknowledge the continued support of **Living Colour Plants.**

## Afternoon Tea Stall - 'Rose Café

Team 'Rose Cafe' would like to extend a BIG thank you to all the *students, parents and school staff* who gave their time so cheerfully and to those who most generously provided cakes and made donations to our stall. Your contributions ensured a highly successful day and were greatly appreciated. Many thanks also to our talented College musicians, whose performances were very much enjoyed by large audiences.

We also acknowledge the support of **Prospect Bakery**, who supplied the delicious scones at a discounted price, and North Adelaide Foodland who donated coffee, tea, milk and cream.

Thank you to everyone for all your support - we could not do it without you!

## Chocolate Wheel

The Chocolate Wheel Convenors, Ida, Tina & Sophie would like to thank Rod Jensen for his charismatic spruiking, special guest wheel spinners and our wonderful helpers throughout the day – *Amanda, Belinda, Marisha, Christie and Grace.* Another successful year and great time had by all. Thank you for your continued support.

Ida Masullo, Sophie Mihelios, Tina Grasso

## BBQ Stall

Scott and I would like to thank all who supported the BBQ Stall on Fete Day, especially our dedicated volunteers that helped throughout the day. To all those who turned up early and helped setting up, preparing and cooking the delicious bacon and egg muffins, sausages, scrumptious chicken salad as well as cleaning and packing up, we appreciate your help.

The success of the BBQ also relies on our wonderful suppliers who so generously donated their goods - please support them as they continue to support us each year.

Finally, thank you to all those who purchased food from our stall and once again a sincere thanks to everyone for making it a successful day.

Mark Hawkins & Scott Coombe

## Lucky Dip

The Lucky Dip team would like to extend their gratitude to: *Natalie Sinton, Vishal Sharma, Hanna Samuels, Bianca Benass-Evans and Andreia Rodrigues.*

Lauren Schwarze & Jo West

## Italian Food Stall

The Italian School convenors wish to thank all the valued volunteers from the school community who assisted with serving at the Italian Stall on Fete Day. In addition we wish to thank the businesses who provided goods for our stall: **Say Cheese, Mr Potato S.A., Nunga Produce, Rainbow Fresh, Olympic Party Hire, Schinella's Your Local Market.**

Maria Colangelo

## Cappuccino

The Cappuccino Stall had its best year, yet! Thank you to the Year 7 students, and following helpers, that helped out: *Natalie Blagdan, Robbie McNair, Georgina Bondza, Tran Le, Kevin Monteleone, Lisa Merritt, Fiyari Kidarie.*

Lisa Merritt & Tran Le

## Ice Cream

Thank you to all my hard working volunteers who gave up their time once again at this years Fete and for all the other events held this year. Once again, a fantastic result and a complete sell out. As this is my last year as convener of the Ice Cream stall a sincere thank you to all who have supported me, your help and participation was really appreciated.

Irene Drousas

## Books Stall

A big thank you to all the volunteers; families, students and friends of the school who contributed to the success of the Book Stall. A special thanks to *Cate and Muriel* for their pre-fete organisation, to the students who carted books to the stall and set them out on the tables, and to those who helped pack up after Fete was over! It was, as always, a tremendous team effort.

## Craft Stall

This year the Craft Stall moved to a new position under the carport near the Tuckshop and there appeared to many more happy purchasers as a result! Our stall was brimming with gorgeous handmade creations from crocheted animal beanies (a sell-out this year!), crocheted bunting and doily bunting, hand embroidered baby jump suits (also sold out!), scrunchies, headbands and gorgeous fabric hair ties in an array of delightful fabrics (sold out in less than an hour!), handmade gumnut babies with tiny bottles, Christmas bottle bags, hand painted animal and ballerina sets, noughts and crosses and terracotta pots with succulents (all sold out!), crocheted baby blankets, dinosaur tails, handmade teddy bears (sold out!) giant shoppers, appliquéd tee-shirts and washers, Harry Potter wands and bookmarks and hand designed greeting cards to name a few!

There were some new items this year such as stunning hand crafted leather key rings and some previous years' favourites such as the crocheted coat hangers (always a sell out!) and the gorgeous smocked dresses which are so popular and sought out every year that we include them in a lucky square! Thank you to everyone who contributed to our stall looking amazing and buzzing with happy customers!

The Craft Stall is fast becoming a favourite stall at the St Dominic's Fete and the word on the street is you have to get in early to avoid missing out! We are so grateful to everyone who donates, creates and/or assists on the day. Thank you! And if you are keen to get involved and be a part of this successful stall keep your eye on the Bulletin for upcoming craft stall busy bees!

**Kate Jensen, Jacqui Griffin, Cathy Haddad**

## Produce - Jams, Cans & Packet Foods

On behalf of the Produce Stall I wish to thank all of those who contributed to the success of the stall this year. I would like to thank those who kindly provided donations of fresh produce, helped make jams, relishes, sauces and other goods, assisted with sorting cans and packet goods, setting up and packing up the stall and the wonderful parents and students who helped sell goods throughout the day.

Special thanks goes to *Danielle* and *Loretta* in the College Office - we could not have done everything we needed to do to get ready without them.

It is so warming to see so many get involved - from as young as the Year 4s right through to past parents and grandparents of students. Finally I wish to acknowledge the kind help from Mary Brennan, Jo Duffy and Michelle Hogan (past parents), Mary Greven and Sonya Muller's mum, Dianne Menhennett, who all generously supported the stall this year by making tasty products for us. I am truly thankful for your help.

**Rebecca Copeland**

## Rose Comp

Michael and Suzi would like to thank *Bernadette Day* and her family for their unwavering support again this year, and for the contribution of a beautiful hand-made quilt, for the stall to raffle. Thank you also to all who entered their roses.

**Michael Puddy & Suzi Lane**

## Sweets

To all those who contributed; thank you for the goods and your help on the Sweets Stall!

## Yiros

A big thank you to our Yiros Stall Volunteers, *John McWhirter, Natalie Eiffel, Luisa Romeo* and students. Welcome and thanks to new Convenor *Karen Nesgos*. Huge thanks to *Shauna & Peter Thorn*. Thank you to *Schinella's* for their generous donation of quality fruit & veg, it is much appreciated. Another great St Dominic's Fete.

**Teresa & Geoff McAnulty**

## Fruit & Veg Stall

Thank you to everyone who donated fruit and vegetables to our stall. We received many comments from buyers that produce was fresh and of high quality. We would especially like to thank the following people and businesses:

**Schinella's – your local market**, Prospect Road

**Findon Fair Fruit & Veg** – 115 Findon Road

**Rainbow Fresh** – 18 Burma Street, Pooraka

**Patlin Gardens** – 129 Hayman Road, Penfield Gardens

This year some of our popular products included our fruit and vegetable basket raffle, take home pasta vegetable dinner packs, kids garden kits and pre-packed salads. Thank you to everyone who supported our stall. See you next year!

**Olimpia Calleja & Dominic Eaton**

## Desserts

A heartfelt thanks to our sponsors for delicious, quality produce again this year: **Schinella's – Your Local Market**, **Adelaide Fresh** (Prospect), **Muratti Cakes and Gateaux** (Prospect), and **Romeo's Foodland** (North Adelaide).

Thanks also to the wonderful parents, staff and student volunteers who gave their time so generously on the day. Special thanks to *Sr Jill, Ms Noujaim, Kathryn Hudson* and *Vanda Sinicropi*, who ensure smooth running of our stall on Fete Day.

We welcome new parents to join the Desserts Stall Team for next year's Fete.

**Katie Noble & Skye Newton**

## Classic Treasures

The Classic Treasures Team acknowledges the assistance of all volunteers who offered their time to this stall on Fete Day. The vast array of items donated, along with the impressive set up achieved by those helping on Saturday, ensured the success of the stall. Many hands do make light work. We had fun with customers and our orange spot special, we also received lots of positive comments about the display tables and cabinet.

A special thank you to *Kathryn, Daisy, Rolf and his family* along with the other parents, students and Teachers that gave up some of their time, we hope you enjoyed the day and hope you return next year. We encourage all students, staff and parents to keep this stall in mind next year when having a spring clean or someone you know moving or down sizing... until 2020, Thankyou.

**Leigh Dungey**

## Sri Lankan / Indian Foods

A big thank you to all parents, who donated delicious foods and other accessories to the Sri Lankan/Indian stall.

A special thanks to all who turned up early to help set up the stall, and to those who assisted throughout the day. It was another successful year! Finally, thank you to the Fete Committee for their advice and assistance behind the scenes, ensuring a smooth operation on Fete Day.

Our heartfelt thanks to all involved in providing donations, preparation and presentation of the items on offer in this year's Auction. In these tough economic times we are very appreciative of the generosity of our donors and their continued support of St Dominic's.

A very big thank you to our small team of volunteers, particularly *Maria Lappas* and *Carla Park* who with their creativity assembled, prepared and presented the items on offer for both the Live and Silent Auctions. We are grateful for assistance from *Renae Hewett*, *Sarah Brogan* in preparing the Live & Silent Catalogues and *Loretta Lighezzolo* on the Auction slideshow display. Our wonderful group of helpers before Fete, wrapping final prizes, valuating wine selections and preparing the hall – *Chris Purgacz*, *Louise Carlier*, *Lorraine Kozlovic*, *Margi Conti* and *Laila Damin*. It takes a dedicated team to make the Auction a success and we are very grateful to *Noreen Pardoe*, who came in out of retirement to assist with set up and handover on the day.

In this spirit of generosity, our extraordinary auctioneers *Tom Hector* and *Phil Harris*, **Harris Real Estate** kept the public not only entertained but encouraged the audience to "dig deep into their pockets" to support our College. The comments from our audience certainly demonstrated a job well done by our Auctioneers, with long standing attendees commenting this was one of the best Auctions they had attended! We thank Tom and Phil and hope to see them back next year for more entertainment!!

Our gratitude to *Gavin Reeves*, who ensured a sufficient supply of wine and beer for the Bar, *Lina Martino* for securing the Liquor License, *James Stradling* who kept the beverages flowing on the day and *Liesl McPeake* and *Theresa Rodrigues* who complemented a glass of "red" with beautiful cheese boxes and cheese boards which definitely were a hit amongst the cheese lovers! A special thanks to **Schinella's** and **Foodland Sefton Park** for Cheese and Fruit donations.

Behind the scenes, we cannot thank *Kathryn Hudson* enough for all her immeasurable and unmatched support, knowledge and organisation in all areas. Her energy & drive is amazing!!

On the day our band of Spotters – *Adriana Milazzo*, *Maria Lappas*, *Cathy Di Stefano*, *Lana Ngo*, *Karl Barber* and Lifters – *Mario Lappas* and *Geoffrey Owens* worked hard to ensure successful bidders were identified and presented with the proof of their bids to ensure seamless handover after payment, as well as lifting the larger baskets to display the contents.

Many thanks to *Matt Noble*, who managed the Final Bid Log and *Liana Bosco*, *Renae Hewett* who assisted with receipting and processing of payment at the end of the Live and Silent Auctions. Hope you all enjoyed the buzz of "Auction" and will help out next year!

We are still in awe of the generosity of class gifts which went towards the many silent and live packages. Thank you to Parents of the Primary School Students and Years 7, 8, 9 & 10 families – the quality of the gifts made remarkable baskets which had bidders almost knocking each other over to ensure they had the final bid!

We are extremely grateful for the generosity of the Live Auction donors, especially the local businesses who support our school. We ask that you remember them when it's time to dine out, buy groceries, celebrate life's milestones or buy a special gift. Without their support we would not be able to offer such wonderful items at the Auction.

Our special thanks to each and every one of them.

## Business for a Day 28 - 29 October

The Year 10 Commerce students had the opportunity to work in groups and run their own business for a day. They prepared a business plan beforehand whereby they researched what products they were going to sell. They had to market their products, look at the logistics involved in running a business, prepare financial statements and review how the business performed. There was bubble tea, brownies, spiders, ice cream with toppings, krispy kremes and mini cheesecakes for sale.

This practical exercise enabled the girls to combine the theory of Business and Finance, Legal Studies and Economics taught in the classroom. A fun time was had by all, with students acknowledging how much work is involved in running your own business. They raised \$1000 in profits which will be donated to the **Christmas Vinnies Appeal** and the **Dare 2 Dream Foundation**. Well done girls and thank you to everyone for your support!

**Mrs Tina Caruso, Commerce Teacher**

## 2019 Debating SA Awards | Friday 1 November

His Excellency the Honourable Hieu Van Le AC, Governor of South Australia and Debating SA patron presents the runner-up medallions to the 8B Debating Team; Maddy, Anya, Sarah, Halena, Georgina and Thinesa at the Awards Ceremony on Friday evening at Sacred Heart College.

## National Youth Science Forum Monday 28 October

Last monday, I was honoured to be one of the 63 students from South Australia to attend the National Youth Science Forum at the Government House. I had a really good time getting to know students from around the state with different education backgrounds but the same passion for science.

I also had an opportunity to talk to His Excellency the Honourable Hieu Van Le AC, Governor of South Australia. We had a tour around the place; the paintings were stunning.

There were about 1400 applicants around Australia this year and I was pleased to know that 60% of the applicants were female. I hope to see the girls at our school applying for NYSF2021.

**Anna Ngo (Year 11)**

## French on Stage Saturday 2 November

On Saturday we attended the matinée performance of '*Les Fourberies de Scapin*' by Molière; staged by Panache French Theatre Company. The play was performed entirely in French with English subtitles for those less familiar with the language.

Our professeur, Mme Patti-Reid, played Nerine, the governess. It was a small role, but Mme gave it her all. The cast of ten included former and current teachers of French; a young man from the French-speaking canton of Switzerland, and French nationals living and working in Adelaide.

Listening to French spoken on the stage was excellent practice for our language and we found the comedy very entertaining. The play was also well attended by staff of St Dominic's who came to support Madame, enjoyed reviving their high school French and relished the antics of the characters. We look forward to the next Panache production.

**Samantha Valerio & Sarah Quynh Nguyen (Year 11)**

## Stage 1 General Mathematics Workshop Flinders University | Tuesday 29 October

Our Stage 1 General Mathematics students had the opportunity to attend a workshop at Flinders University last Tuesday. The girls constructed their own measuring device called an *alidade*, using a protractor image and straws, and then used it to calculate heights of the trees in the courtyard that were between 13 and 17 metres high.

This workshop emphasised on the importance of mathematical learning and reasoning and how it is of benefit to a wide range of professions.

**Ms Anam Dhanji**

**Year 10 Geography Kangaroo Island Trip**  
Thursday 31 October - Friday 1 November

The Year 10 Kangaroo Island trip was an action-packed and stimulating two days. Every inch of Kangaroo Island was filled with natural, untouched beauty ready for us to observe and enjoy. We all thoroughly enjoyed watching the dolphins on the ferry ride over and the long bus rides with Dani, who gave us an immense amount of valuable information on Kangaroo Island's beautiful features. The highlights of our trip were sand tobogganing (with varied success), viewing the gorgeous landscapes at Remarkable Rocks and Admiral's Arch, and discovering the hidden rock pools at Stokes Bay. Although long and exhausting, this adventure with our classmates provided us with an abundance of joyful memories!

Joanna Haddad and Lauren O'Callaghan

**YR 12 Visual Arts Exhibition**  
**Cloister Exhibition Space**  
**Tuesday 12 November**

Parents and Year 12 Students are invited to attend from 5:30pm to 7:00pm that evening.  
The Exhibition will then be open for two weeks during the school day.
