Our Year 12 Prefects and SRC with Senator Penny Wong  
at the International Women's Day Breakfast

Dear Parents/Guardians,

Last week we celebrated **International Women's Day** across the school. The Year 12 College Prefects and SRC students attended the official breakfast at the Convention Centre and a smaller group attended the official lunch. The girls heard from Senator Penny Wong, Chair of the Adelaide International Women's Day council, Ann Morgan and international lawyer Elizabeth Broderick AO. All three women engaged the St Dominic's girls with their stories and experiences of promoting gender equity and respect for women across all parts of the world. Back at school the library was abuzz with Year 10 students under the leadership of Sandra Mason, who provided breakfast and decorated the library with images of inspirational women. The girls heard from Aurora Reid who spoke to them about the value of education and the opportunities at SDPC. You can find a copy of her speech here: [https://stdo.ms/IWD2020\\_10](https://stdo.ms/IWD2020_10) As an all-girl school we find solidarity with women across the country and the world. We speak loudly for those without power and raise awareness by being educated and informed, confidently taking our place in society.

Coronavirus (COVID 19) continues to be a story unfolding. As a school community we are preparing for all possibilities whilst remaining calm, measured and informed by our response. Please note the letter that was sent to all families on Wednesday can be found at this link: [https://stdo.ms/COVID19\\_11Mar20](https://stdo.ms/COVID19_11Mar20)

During this time of Lent, I find myself enjoying the almost change in seasons with the cool mornings. Lent is a time we are called to pray, fast and give alms. I have found myself drawn to the words of Joan Chittister who suggests that Lent *'is a growing season. It requires us to determine what is worth dying for in our own lives and what it may be necessary for us to become if we really want to live'*.

God of Love, help us to...

FAST from judging others and FEAST on God dwelling within them.

FAST from emphasis on differences and FEAST on the unity of all life.

FAST from problems that overwhelm and FEAST on prayer that upholds.

FAST from impatience and FEAST on patience.

ALL: It is with you that we journey, O Christ, and we walk with our steps in your footprints.

Joan Chittister, OSB, A Growing Season.

May our Lenten time find us present to our God who loves us and knows us by name.

Kind regards

Ms Helen Steele, Principal

THE PARENTS & FRIENDS NEED YOUR HELP!  
**SPORTS DAY ROSTER**

Just 1 hour of your time on Sunday 29 March can help make this community event a success

from **Ms. Cate O'Leary, Primary School Coordinator**

"Self-awareness is one of the rarest of human commodities. I don't mean self-consciousness where you're limiting and evaluating yourself. I mean being aware of your own patterns."

Tony Robbins

**Sports Day is on Sunday 29 March.** We are still looking for volunteers to help out on the day. Children love to see Mum and Dad helping, so think about offering an hour of your time. Your support is always appreciated.

Thank you to our students who have been putting money in the **Project Compassion** boxes which are in each classroom.

**Our next Assembly in Week 8**  
will be hosted by the Year 3 class.  
All welcome from 2:30pm in the Hall.

### Swimming Lessons

This week the **Year 3, 4 and 5 classes** are having a week of swimming lessons at the North Adelaide Aquatic Centre. The week-long program focusses on water safety and water awareness and as all students have varying levels of ability and confidence in the water, the very organised, and competent instructors were certainly supportive and made the learning sessions varied and enjoyable. Our students were excited, polite to their instructors and eager to get into the water.

### SAPSASA District Swimming

On Thursday 27 February, 10 Year 4 - 7 students attended the North Adelaide District Swimming Carnival at the Norwood Pool. This carnival is a selection trial for swimmers to represent North Adelaide at Metro Day on 26 March. The competition was very strong and the St Dominic's girls tried their very best. Only one swimmer per age group is chosen to represent North Adelaide in each event; this will be announced soon.

We congratulate all of the swimmers who achieved places in their heats. Special mention to the following girls who placed in the top 3 overall for their event and received a ribbon.

**Gabrielle Wright** 1st U/12 Freestyle | 1st U/12 Backstroke  
1st U/12 Butterfly

### Field Day

We thank Mrs Richter, Mrs Heggs and all class teachers for planning a well organised Field Day for our Year 3- 6 students, in preparation for Sports Day.

**Year 3:** I particularly liked the long jump because it was like a kangaroo jumping from place to place. - **Teresa Tran**

**Year 4:** I really liked Field Day and as a new student I had never done this before. I really liked High jump. It was fun and a bit hard too! - **Minh-Thu**

**Year 5:** It didn't matter how well you went because if you tried out you got a point for your team. - **Lien-Minh**

**Year 6:** It was good because we were able to try many different sports, so early in the year. - **Magdalene**

## International Women's Day

On Friday 6 March, Lauren O'Callaghan and myself were fortunate to attend the International Women's Day Luncheon at the Adelaide Convention Centre, while Year 12 SRCs and Prefects attended the IWD Breakfast.

Lauren & Joanna  
at the IWD Luncheon

At the Luncheon, we listened to inspiring women, who were changing lives every day and empowering us and others to help follow their lead and work together for a better future for women. Tammy Barton, founder of MyBudget, especially stood out to those of us at the Luncheon, demonstrating how her company was not only helping individuals and families to manage their finances, but also help them live happier lives.

Overall, International Women's Day was a great opportunity to celebrate our achievements, while also remembering the struggles faced by women around the world to this day.

Joanna Haddad

## Inaugural Year 10 International Women's Day Breakfast

The Library staff were very pleased to welcome the Year 10 students for the inaugural International Women's Day Breakfast. Our guest speaker, Ms Aurora Reid, inspired and entertained with a wonderful account of past and present educational opportunities for women; highlighting how lucky we are today while needing to work together to ensure a more gender-balanced world. It was a terrific morning, enjoyed by all, and we look forward to making this an annual event.

## Mardi Gras at St Dominic's Tuesday 25 February

Mardi Gras (Fat Tuesday in English) is an annual celebration, held on Shrove Tuesday, which is very exciting and fun for everyone. It is a day to eat and use up all of our rich, fatty ingredients and food before the start of "le Carême" (Lent).

In France, the most famous festival takes place in Nice. This includes parades, partying, special traditions, and lots of eating! Each year there is a different theme at the "Carnaval de Nice" and there is a "roi du Carnaval" (king). In 2020 the theme was "la mode" (fashion).

Madame Patti-Reid's Year 9 French decided to celebrate Mardi Gras with a small class-party. In small groups, we brought in some toppings and had a go at making homemade crêpes, which are a traditional French food for this season. The experience was lots of fun and "délicieux"! We all had a great time and learnt a lot about Mardi Gras whilst watching this year's "Carnaval de Nice" on the screen.

**WEEK TWO  
Phany's Story**

In Cambodia, 1 in 8 people live below the poverty line (source: WFP). This week through Project Compassion we learn about Phany (pronounced Parn-ee). Struggling to earn a living as a farmer in Cambodia, Phany was forced to leave her daughter behind in the village to take up construction work in the city.

Thankfully, through a Caritas funded program, Phany learnt new farming techniques which enabled her to get a better yield from her vegetable crops and to conserve water in her drought-stricken region. Phany's community also took part in training in health, nutrition, hygiene and disaster preparedness, arming them with better strategies to cope with environmental changes.

Let's Go Further, Together!. You can donate through Project Compassion boxes, online at [lent.caritas.org.au](http://lent.caritas.org.au) or by phone 1800 024 413
