Dear Parents;

Sr. Jo Armour OP

Deputy Principal Student Well Being

At the end of this year Sr. Jo Armour will be retiring from her position as Deputy Principal Student Well Being, a position she has held since 2002. In that time Sr. Jo has become well known and respected by students and their parents. Many of you are aware of the great variety of contributions she has generously made in our community as teacher, leader and in her additional special role as Liturgy Coordinator for all our major religious celebrations during the school year, from the Family Mass through to the End of Year Eucharistic celebration in December. The community at St. Dominic's owes her a great debt of gratitude for the wholehearted commitment she has given to the St. Dominic's Priory College community in her care of students. During these last weeks we will take the opportunities we have of acknowledging personally her central role at St. Dominic's Priory College. We hope that in future endeavours, Sr Jo will remain a part of our community.

End of Year Mass

Thank you for the many swift responses received to the invitation to every family to be present on **Tuesday 6th December at 7:30pm**. Please pray for a beautiful mild night as this makes a great deal of difference! Today we ask you to note that the theme of the Mass, ***In Truth and Love*** will be carried through the liturgy.

The Gospel Mark 12: 28 – 34 tells us

One of the scribes came near and heard them disputing with one another, and seeing that he answered them well he asked him, "*Which commandment is the first of all?*" Jesus answered, "*The first is, 'Hear, O Israel: The Lord our God is One; you shall love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength.' The second is this, 'You shall love your neighbour as yourself. There is no other commandment greater than these.'*"

Parent Meetings Tonight

As previously advertised this evening is one of the most important for our community as we come together to thank our office bearers, to review our events and most especially the recent Fete and to elect the new office executive for the Parents and Friends for 2017. The **P&F Meeting commences at 7:00pm** to be followed by the **Fete Meeting at 7:40pm**. Supper will follow. All are welcome.

Student examinations

The Year 12 students have handled their final examinations with calm and it is clear from their focus in our library that they have put in their best effort. They will soon be finished. Next week after a study day on Monday, Year 11s and 10s will commence their exams. I know just how much support your daughters receive at home and I am sure that they are grateful for this.

Sr. Rose Columba Frear OP: Rest in Peace

Most of our parents would not have met Sr. Rose Columba unless they were as children at Rosary School or at St. Augustine's Parish School where she was Principal. Sr. Rose, a member of our North Adelaide Dominican Congregation died peacefully in the Mary Potter Hospice on Monday of this week. She was a fine person and a great religious sister. Sr Rose will be buried on Friday after a special Requiem Mass in our Chapel. Her life story is inspiring and we shall publish her eulogy in next week's Bulletin.

Primary News

from Ms. Cate O'Leary, Primary School Coordinator

"There is a difference between not knowing and not knowing YET."

Sheila Tobias, on Growth Mindset

Last Friday we welcomed our new **Receptions** and other new students to our school for 2017. It was certainly a busy day as our current students also enjoyed 'move up' morning and became familiar with their new surroundings and teachers' expectations for next year. Miss Dellosso was very pleased with how the 2017 Receptions settled to their new learning environment, as it can be a challenging time for the students and parents too! We welcome the new Receptions back again on Friday and look forward to having our familiarisation session in the morning with the new Reception parents.

Student Engagement: Year Six students, *Emma Sexton, Lorelie Owens, Alessia Mazzeo* and *Amelia McAvaney* represented our Primary School at a combined **North Eastern Catholic Schools cluster meeting**, held last week to discuss and share ideas about what schools are currently doing to promote sustainability. We thank Mrs Belinda Baker for her support with this initiative.

This week is **Physical Education Week** and we thank Mrs Richter for organising an exciting program. All classes will be participating in a range of fun and challenging activities throughout the week. These include: *gymnastics, Come and Try athletics, rock climbing* and *trampolining*.

Thank you to Miss Dellosso and our **Reception class** for hosting this week's **assembly**. They have had a very busy time lately and we appreciated their excellent effort in leading the assembly.

Children's University: In partnership with The University of Adelaide, the Children's University aims to help develop a love of learning outside the school context by issuing students involved in Children's University with a 'Passport to Learning' which records their individual learning journey. After 30 hours of learning, the children were rewarded for their participation with certificates at a graduation ceremony that was held in Bonython Hall last Thursday evening. Twenty two of our Year 4-6 students received a national Bronze Award and 1 student *Isabella Sinton* received a silver award for over 65 hours' study. We congratulate the following Bronze Award students: *Ayo Adejoro, Isabella Bogovic, Emelia Bickerdike, Caprice deSanctis, An Do, Hariklia Drouzas, Willow and Sari Rann, Annabel Griffin, Eryn Merit, Lucy Johnson, Nethuli deZoysa, Madeline Dungey, Isabelle Tran, Jasmine Sewart, Nhi Nguyen, Sienna Hughes, Shelby Bucco, Alexandra Chevez, Minh-Nghi Nguyen* and *Matilda Todoran*. Parents and teachers were very proud of our girls and it was a memorable evening. Thank you to all the Primary Staff for their commitment and involvement in the school program and to Ms. Deb Osborne and Ms. Elena Tarraran for their attendance at the ceremony.

Year 4 Great Travel Expo

I dressed into what my family had organised to make me look like a travel agent for the Year 4 Great Travel Expo. My parents came to my travel agency 'Dreamtime Getaway'. I had to give a speech and show a powerpoint. They booked a flight to Chile, the place Katrina and I were researching, and booked a room at the Ritz Carlton. They wanted to fly one way and were very interested in going to Chile. - **Natasia**

In and around the classrooms:

Science - What are things made of?

We have been exploring our built environment and investigating what things are made of and why. We went for a walk around the school and took photos and sketches of what we saw. We talked about why different materials are used instead of others: for example, windows are made of glass so they are tough and we can see through them, and the cubby house roof is made of metal to keep the rain out.

REC

'It was a very formal event and we were excited and nervous when waiting to be presented. After the completion of the Graduation we had a bbq, karaoke and dancing to celebrate. Everyone had a great night and the occasion will remain a memorable and valuable experience.' *Isabelle, Minh-Nghi and Caprice.*

Parent Engagement: Remember, **Year 5 parent transition MYP meeting** tonight at 6pm. Thank you to Mrs Baker and Mrs Richter who have prepared an informative introductory session to MYP.

Twilight Assembly Week 6 Tuesday 6pm-7pm: All classes have been planning their twilight assembly item. We come together as a community to celebrate a diverse range of learning experiences. Whilst it is not a concert, it is a chance to see the enthusiasm and engagement our students have in their learning. Our Year 5 hosts, *Isabella Jovel* and *Livia Truong* will lead us through the evening's ceremony.

ST DOMINIC'S PRIORY COLLEGE 2017 SCHOOL FEES

The '2017 Fee Structure' is published in this week's bulletin as an insert. The 'Financial Information - 2017' handout will be distributed to your daughters by the end of the term. *Please use the information provided to budget for school fees for the year ahead. If you need any assistance in this area I am happy to help.*

I also bring to your attention the following:

- **Sibling discounts for families who have children in other catholic schools:**

A reduction of 2% will apply for one child, 4% for two children and 6% for three or more children.

How to claim a catholic schools discount

In order to claim this discount the onus will be on parents **each year** to complete and return to the school a "Sibling Discount for Children Attending Another Catholic School" form by **Friday 25th November 2016**. *The pink form is included in this week's bulletin.*

- Annual school fees will be billed in Term 1 but are payable in equal instalments over the first three terms as follows:

Term 1 Due by Tuesday 31st January 2017

Term 2 Due by Tuesday, 2nd May 2017

Term 3 Due by Monday, 24th July 2017

- A 3% discount is available where total annual fees and charges are paid in full by 31st January 2017. The 3% discount applies to tuition fees only.
- It is the expectation of the School that Parents will pay their accounts in full on the due dates specified above. Failure to pay by the due date, or failure to inform the School that payment will be late, will result in a monthly fee being charged from the date that the fees are due to be paid until payment has been made.
- Families who are experiencing financial difficulties should contact me to arrange an appointment to discuss their situation *prior* to the commencement of the 2017 school year.

ANZ Red Ball Schools Tennis Challenge

On Thursday November 10th, 32 enthusiastic Yr 4 and 5 students made their way to Memorial Drive ready to test out their newly acquired tennis skills in the ANZ Red Ball Schools Challenge. The students competed in teams of 8 where they played a double and a single in each round on a modified court with a modified tennis ball that allowed the girls to rally. The matches were timed and went for 8 minutes each. This was the first time that the majority of students had participated in a competitive tennis match. It was fantastic to see the girls exhibit sportsmanship, persistence and team work. Our girls finished 5th, 6th, 7th and 8th against some very competitive schools who had only entered one team consisting of their strongest players. I am very proud of all of the students and how far their skills have progressed in a short time. Thank you to Dora Kotsious from the Prospect Tennis Club who has worked with the girls developing their skills over the past 8 weeks.

Cake it for Charity

"Cake it for Charity" is an annual fundraising event held by Calvary Hospital to raise funds for the homeless. This year, the charity chosen was **Fred's Van**. Staff from all areas of the hospital enter baked goods to be judged and then sold. Each year the **Year 9 SRC students** are invited to participate in the event. This year the students involved were: *Dakota Gorman, Charmane Obtinala, Olivia Poppy, Chrishelle Bulner, Alexia Masullo and Michelle Vo*. They helped to sell the bakery products to the community and two students also visited the wards with a trolley filled with delicious slices, cupcakes and other enticing baked goods. The students enjoyed themselves immensely and all for a good cause.
