Dear Parents,

A spot of history; concerning an artist, and a community of Dominican Sisters.

Our school which is 134 years in 2017, carries in its tradition a wealth of personal stories and a legacy of remarkable endeavour, built on the faith of its pioneers. Within its North Adelaide setting, from 1883 onwards, the Dominican community in Molesworth Street had many interesting links with neighbours, and with the architects and builders creating our city in the late 19th century.

In recent weeks some of those links have been revealed. I would like to share one of them with you today. Our own knowledge of the link was established by chance when a group of people were seen outside our Chapel listening to an Art historian from the National Trust of South Australia. He was conducting a tour to mark the life of a fascinating female artist, Stella Bowen, who was born in 1893, the year that our chapel was opened. Stella Bowen left Australia for Europe as a young woman. Her life as an artist, and her personal history is fascinating. When I joined the group to hear what was happening, the leader of the group, Walter Marsh, was reading in her own words a vignette on one of her memories of North Adelaide, at the turn of the century. A perspective on her near neighbours, the Dominican Sisters in Molesworth Adelaide, is best given in her own words:

Behind our house was a Catholic convent, and by looking through the red or blue corners of the bathroom window-panes, I could see the nuns walking amongst their lemon trees. They kept a boarding school, and my mother was distressed to discover a little Protestant girl amongst the boarders. She obtained permission to take this child to our church, and when we knocked at the convent door to collect her on Sunday mornings I was always impressed by the nun's smiling composure in contrast to my mother's nervous embarrassment.

"Of course, I considered it was very deceitful of the nun to smile, when she must have been furious at the loss of her prey! All the same, I thought their chapel (I peeped in) was much prettier than our parish church."

Gala Day

Gala Day is nearly here! While some showers will not deter us from enjoying all the things on offer it is time to remember to dress for the weather. Once again we extend a warm welcome to Parents to join us. Please be aware that parent seating is at the back of the Hall and that the easiest way in is via the Hill St door near the Year 7 classroom. Thank you for supporting the different stalls. Special thanks to the Year 12 SRC and Ms Noujaim, Deputy Principal Student Well Being for all their preparations.

The Marian Procession

Archbishop Phillip Wilson has renamed the annual Marian Procession this year as a Rally for Peace in a troubled world. He has asked for more prominence to be given across the Adelaide Archdiocese to the involvement of all. If you would like to walk together as a St. Dominic's family please let me know by replying in today's Bulletin. There will be staff attending. The march is in Veale Gardens on this Sunday, 21st May, and people are asked to assemble between 1:30 – 1:40. You will see us via the black and white balloons!

In Sympathy

Our thoughts and prayers are with the Souter Family in the recent passing of Gloria Souter, Mother of Andrew and grandmother of Morgan (Yr 12) and Ruby, Yr 6.

We surprised mum with cards and other things we made in our spare time and went to Mass and a restaurant with grandpa. **Josephine Yr 2**

We surprised my mum with presents and dad sang a song for mum and grandma. We had a take-away dinner. **Meryl Yr 1**

We surprised mum with a decorated gift and we had pasta for tea. **Leah Reception**

GALA DAY: Preparations for food/game stalls are well under way. There could be some rain so please make sure your daughter has appropriate clothing. The **FASHION PARADE** will be in the Hall at 9:45 and the **R-6 TALENT QUEST** is from 11:30- 12:30pm followed by lunch and activities.

UNIFORM: While the majority of the girls are wearing the uniform correctly, we still have a couple of areas that need to be addressed. We have been pleased to see a greater increase in **labelled clothing**. When wearing the **sport uniform**, students are **NOT TO WEAR TEAM COLOURED RIBBONS**. They are only to be worn in the lead up to Sports Day. **COLOURED SPORTS TOPS** are to be worn, with the **BLACK SPORT TOP** (Yr 3-6) only worn when competing in *athletic events* and *Thursday Thundercup Netball*. **Hair ribbons** are only **BLACK** or **BLUE**, **NOT WHITE**.

In and around the classrooms:

Elvie: My term 2 goal is to make even more friends and to read books.

Ivy: My term 2 goal is to do the monkey bars and do better work in my books.

Adele: My term 2 goal is to help people.

Salma: My term 2 goal is to learn to run faster ready for Sports Day next year and to focus better.

RECEPTION

YEAR 6/7 KNOCKOUT NETBALL: On Friday May 12th, St Dominic's Priory College played their first round of Knockout Netball against Nailsworth Primary School. The girls played well for their first time together demonstrating excellent teamwork. St Dominic's emerged victorious with the final score being 46-9. Our next round is against St Francis of Assisi and will be played in Week 4. Thank you to Kate and Amy for umpiring and for the parents who assisted with scoring and timing.

Michelle Richter

STUDENT ENGAGEMENT: We have six teams entered in **THURSDAY NIGHT NETBALL**. Well done girls on a great effort so far and many thanks to our fantastic coaches and parents for their support. We have had 4 wins and 2 losses, so a great start to the season.

The **YEAR 1 CLASS** has been very busy organising last **FRIDAY MORNING MASS** and **PARENT MORNING TEA**. Our special theme was Mother's Day and we were very pleased to have all the Year 1 students attending. It was wonderful to have so many parents and grandparents join us. The class was very excited about hosting this week's **ASSEMBLY**. They were very organised and entertaining. We appreciate all the hard work that teachers and students do to help share their classroom learning with us.

AUSKICK: Last Monday after school, we had 30 students from R-6 enrol into the **Auskick football program**. The girls were very excited and really enjoyed themselves. If your daughter is in R-5 and involved in Auskick they are able to wear their sport uniform to school on a Monday. **If your daughter would still like to join, just get on the website, sign up** and have them join us the following week: www.aflauskick.com.au

CHILDREN'S UNIVERSITY: We have several school clubs your daughter has the possibility of joining, to help her acquire the 30 hours needed to graduate later in the year. The following clubs are all school validated activities this term: **Thundercup Netball, Auskick, Running Club, Gardening Club, Chess Club** and **Cooking Club**.

CROSS COUNTRY: We wish all our students well at this Thursday's **SAPSASA DISTRICT CROSS COUNTRY** on CBC oval from 9:00-12pm. We hope the weather is kind and thank Mrs Richter, Mrs Baumber, Mr Copeland and Mr Mackay for their support with supervision.

Our **Year 3 and 5 classes**, along with the **Year 7 and 9 classes** were busy with **NAPLAN** last week. Students took it in their stride and did the best they could.

YOUNG WRITER'S COMPETITION: The deadline has now closed for the **YOUNG WRITERS' COMPETITION**. We wish all students who have entered every success.

Year 10 Commerce: Run Your Own Business

The Year 10 Commerce students had the opportunity to work in groups and run their own business for a day. In doing so they prepared a business plan beforehand whereby they researched what products they were going to provide. They had to market their products, look at the logistics involved in running a business, prepare financial statements and review how the business performed. There was an assortment of sweets available like krispy kreme donuts, brownies, cup cakes, cookies, jelly slices, and cheesecake cups. The savoury foods were also popular with the girls selling a variety of Pizzas, Sushi and Grilled Sandwiches. A fun time was had by all, with many students acknowledging how much work is involved in running your own business. The girls raised \$600 in profit which will be donated to the Vinnies Winter Appeal. Well done girls and thank to everyone for your support!

Mrs Tina Caruso, Year 10 Commerce Teacher

Year 10 Retreat

The Year 10 Retreat was held at the Mary Mackillop Centre on Friday 12 May. It was facilitated by **Talk Out Loud**; a not-for-profit organisation who address the issue of mental health for teenagers.

We began the day with some icebreaker games, after which we were introduced to the topic of **CTRL-ALT-DEL**. This introduces the idea that as young women, we can control our own lives, alter our decisions and reactions to situations, and delete unwanted or negative influences in our lives.

After feeling refreshed and energised from a fabulous morning tea of scones and jam and cream, we participated in talks that equipped us to re-evaluate our mindsets from fixed, to growth. In another activity, a \$1000 Auction for our most wanted values in life, we gained the understanding that, as individuals, we have different values, and it is important to not be affected by what others think.

We are extremely grateful for the experience and would like to thank the team at Talk Out Loud, our teachers and Mrs. Sossi for organising the valuable and insightful day.

Brainstorm: Verbal Combat with Year 7-9

As a part of engaging our students in protecting themselves and looking after their wellbeing, on the 8th of May Brainstorm Productions presented Verbal Combat to all Year 7-9 students. The performance focused on cyberbullying, building resilience in young people and attempts to equip victims of bullying, as well as bystanders with tools to build safe communities. Below are what a few students had to say about this great performance.

Muriel Noujaim, Deputy Principal (Student Wellbeing)

"I thought it was a very good play. It is good that they are raising issues around cyber bullying and trying to educate us so it stops." **Gabriella Cardone 8G**

"The play taught us to be careful and choose our friends wisely. I really enjoyed it!" **Jacinta Ferragamo 9G**

Catherine House Visit

On Thursday, 11 May Case Worker Karen from Catherine House - Solutions for Women Experiencing Homelessness visited the College and brought with her a client, Tania. Students were captivated as key note speaker Tania shared her raw and insightful journey that led her to Catherine House. After a year at Catherine House she has accomplished so much, both personally and professionally. Having recently moved into her own home, she is juggling a job, and is soon to start her honours in sociology. Her key message to us all was the importance of loving and accepting ourselves and believing we are deserving and worthy of support, care, love and finding a purpose for being. Our students found Tania's story inspirational and have developed a sense of understanding and respect for the great work that is undertaken by the staff and volunteers at Catherine House.
