Dear Parents,

### Opening the door on The New Term

Many of you will be joining us tonight at the Parent-Teacher Interviews. The partnership which is forged between family and school in your child's formative years is a powerful one and is built up by the opportunities we have to meet in person. Nothing can really replace the face to face, and, for those of you who are new, we hope you will find your questions clarified and your desire to assist your daughter fully supported. Please bring with you the information which you have received via the booking site re the names of teachers and the times of your appointments.

### NAPLAN

Years 3, 5, 7 & 9 begin their NAPLAN tests next Tuesday. It's a good time for parents and teachers to remind our students that keeping calm and doing their best is all that they need to do. By now you have all received the information letter with some extra detail around specific queries.

### Welcoming New Staff

While Ms Alice Kleinig is on Maternity Leave, Ms Louise Eustace is coming on board in terms 2, 3 & 4 as our VET and Careers Coordinator. The other half of her job is in the hands of Ms Nadia Fantasia who will be our acting Adaptive Ed Coordinator and Teacher. Both our new members come to us with very experienced backgrounds in education.

### Newly Born

As many of you would know via your daughters Mrs Jacqui Illman is also on Maternity Leave. We are delighted to pass on the good news that Jacqui has given birth to a healthy baby boy named Charlie. Congratulations to the Illman family.

### Congratulating Graduates

No doubt some of you as parents have been part of the graduating ceremonies for students receiving tertiary degrees. Many St. Dominic's students are among the graduates. At the Old Scholars Meeting on Monday of this week

we discovered from one graduate, Georgia Zientara, Class of 2012, that she would be receiving her degree today. We also found out that she had received the top score in her class and would therefore carry the Mace in the procession of graduates in Arts from Adelaide Uni. Well done to Georgia and to all our 2017 graduates.

### Future Planning at St. Dominic's

With the arrival of Year 7s into secondary / middle school structures in 2019, the planning of additional facilities is part of our Master Plan. Mr Kon Michael from Swanbury Penglase has been commissioned by the College Board to lead us in this project. Our aims in developing facilities have been boosted by recent informal news that institutions delivering health and education services in North Adelaide will be supported by the new City of Adelaide Development Plan. We pray that this just approach to the needs of our students and many others served by North Adelaide institutions will soon come to pass.

# Primary News

from Ms. Cate O'Leary  
Primary School Coordinator

Welcome back to Term 2. We hope you managed to have a few relaxing days during Easter. It was a cool beginning to the term but we were greeted with smiles and enjoyed hearing the many stories of adventure and fun that was had in the holidays. We have a busy term again. We are looking forward to and preparing for **GALA DAY**. Just a reminder that the date for Gala Day has changed and is **Friday the 19<sup>th</sup> of May**. A letter went home to all families yesterday explaining the theme, the outline of the day and the costs involved.

**PROJECT COMPASSION:** We are very thankful to our parents and students who supported our **BREAD ROLL DAY**, **PROJECT COMPASSION BOXES** and the **EASTER RAFFLE**. We **raised \$577**. The winner of the Egg Tree, kindly donated by Karen Nesgos, was Sophe Notarangelo in Reception. She was very excited and commented that she knew she would win! Wish I was that confident with my lotto ticket. Second prize was won by Linh Nguyen and third prize Mikalya Baldacchino.

**NETBALL:** We have many eager girls who are looking forward to the beginning of the Netball season. We have entered 6 teams and thank parents for their continued support with coaching and managing teams. Thursday night netball starts in Week 2.

## In and around the classrooms:

### Antarctica

Something amazing happened in our classroom over the holiday break. It has turned into Antarctica! Our walls have turned blue and there are penguins all around!

We are looking forward to learning many new things about what the environment is like in Antarctica, what animals live there, where it is located on a map and much, much more. We will also be researching and writing information reports on Emperor Penguins.

To begin with this term though, we will be on a top secret mission to make something special for our mums for Mother's Day to let them know how much we love and appreciate them. We hope all mothers and grandmothers enjoy their special day. We will reflect on the life of Mary, the mother of Jesus and learn her special prayer, The Hail Mary.

**YEAR 2**

## Growth Mindset

Ideas for Creating a Growth Mindset Environment at Home PT 5

- Model **flexibility**. Communicate that change is an important part of living life. Model this by taking a flexible mentality when things don't go as planned. Don't let frustrating situations get the best of you- make your child aware of your ability to adapt due to change in plans. Praise your children for their flexibility and adaptability when plans change or success is not met.
- Model **optimism**. Adopt a "glass half full" attitude in your home. A person with "hope" believes there can be a positive side to most situations

Taken from Ready to use resources for Mindset in the Classroom by Mary Cay Riccio

**SACRAMENT OF BAPTISM:** Charlotte Crowe in Year 3 was baptised in the holidays at Rosary Parish, so please keep her in your prayers.

'On Easter Saturday my brother and I were baptised by Father Alex. We saw all of the grownups get very wet but Father Alex used a small shell to tip the holy water on my head and it was fun and very special. I saw Ms Tarraran at the church and she was very proud of me.'

### SSSSA Athletics Carnival

On the 11<sup>th</sup> of April, 36 St. Dominic's students journeyed to Santos stadium to compete in the SSSSA Inter-Schools Athletics Carnival against 18 schools located throughout South Australia. With the pleasant weather setting the scene for an enjoyable day ahead, the athletes felt physically and mentally prepared to contend in various events, ranging from *discus* to *long jump*, the *100m relay* to the *3000m event*. All athletes applied a 110% effort in all their events, with some students achieving their personal best times or distances. To conclude the day, St. Dominic's was awarded with 8<sup>th</sup> place overall out of nine schools within B-division. A special thanks is extended to all teachers who dedicated their time towards organising this exciting day out!

## Gala Day 2017

Our annual Gala Day will be held in the third week of this term: **Friday, 19<sup>th</sup> May**. This day is an opportunity for students to take part in some fundraising for charities and to some extent for student amenities within the College. It is also of course a day of relaxation, eating, drinking and enjoying the entertainment provided by the Games Stalls, Fashion Parade and Talent Quest. Money raised at the 2017 Gala Day will go towards the work of the following organisations:

- **Orange Sky Laundry**, a free mobile laundry service for the homeless
- **Carrie's Beanies for Brain Cancer**, raising funds and awareness to find a cure for Brain Cancer
- **Little Heroes Foundation**, raising funds towards essential equipment and services for seriously ill children.
- We will also sponsor a number of children to attend the **Christmas Party for Special Children in 2017**.
- Some funds from Gala Day may also go towards **student amenities within the College**.

The 2017 Gala Day Theme is the 1900s Era. Students are encouraged to choose a decade of interest and then plan from there. They may like to channel Gatsby (1920s), come dressed as a character from Grease (1950s), or be a cool Flower Power Girl (1960s). Or maybe your daughter would like to be a 1970s Cheer Leader or a famous singer from the 1980s for a day. We look forward to seeing what creative and low cost ideas students come up with.

Parents are advised that students are asked not to hire elaborate costumes for this event. The idea is to have fun and dress up in simple and creative ways. On the day, each class will hold a Food or Drink Stall, and/or a Games Stall. In addition, all students can enter the Fashion Parade held in the Hall. This is followed by a Talent Quest, with students from Reception to Year 12 taking part.

### GALA DAY TIMETABLE

**10:00am** Fashion Parade      **11:00am** Morning Tea Stalls  
**11:30am (approx)** R-6 Talent Quest  
**12:30pm - 2:00pm** Lunch Stalls and Activities  
**2:00pm - 3:00pm** Talent Quest

**GALA DAY PRICES:** Prices for food, drinks and activities will vary from **50cents to \$4** for larger items. Food stalls include;

- Various Hot foods (*BBQ, nachos, pizza, hot chips*)
  - Biscuits • Popcorn • Cupcakes and Fruit Skewers • Decorate Your Own Cupcakes
  - DIY Candy Bar • Jelly Cups
  - Soft Drinks and Water • Ice Creams and Toppings
  - Baked Goods/High Tea • Chocolate Donuts and Krispy Kremes
- and the Games Activities range in price from 50c - \$2 each.**

Students are also asked to contribute \$3 each from now until Gala Day. SRCs will collect this during Class Period. This allows students permission to abandon School Uniform, entry and entertainment by the way of the Talent Quest and Fashion Parade. \$1.00 of this covers our yearly sponsorship of a student in India through the Dare to Dream Foundation.
