

President: Sharon Ekendahl

Treasurer: Julia Kraemer

Year ending: 31 December 2024

Financially, the year ended 31 December 2024 for HBWN was a steady and consistent one in which we continued to support the local community through our monthly events and our community contributions.

Of particular note is the continued success of our International Women's Day event which generated a healthy profit from ticket sales and sponsorship, enabling yet another significant contribution to Liberty Domestic & Family Violence.

HBWN continues to maintain a strong financial position and enters 2025 with confidence that we can continue our strong support of the local community.

Looking ahead:

HBWN is continuing to look to upgrade and enhance our online presence to ensure we not only meet the needs and interests of our existing members but are hopefully also able to subsequently reach a wider audience. We are also looking into streamlining our membership options to enable improved efficiency and accessibility.
