DIRECTIONS

From Melbourne take the Calder Freeway past Sunbury and Gisborne. Take the first Woodend exit (the sign says Macedon, Woodend - C792) and head LEFT towards Woodend. We are just 500m up the road on the right.

If you are coming from Bendigo way take the Woodend exit (C792) and pass through the town heading towards Melbourne - this is Black Forest Drive. We are about six kilometres down the road.

Melways the reference is Map 609 G10. For any other map please note that Black Forest Drive is also known as Macedon-Woodend Road and also the old Calder Highway just to confuse things!
