## 'WEAR YOUR COLOURS' DAY UPLIFTS OUR GC COMMUNITY!

On Wednesday 25 March we asked students and staff to 'wear their colours' to school to not only lift morale in these challenging times, but to also raise important funds for Catholic Charity Project Compassion.

We saw a colourful array of various team jerseys, beanies and scarves around the College, bringing some much-needed smiles, lightweight banter and laughter to our day!

## UNITED WITH ONE HEART

The traditional northern hemisphere celebrations of Easter fall in the season of Spring. This important time in the Catholic calendar celebrates the renewal of our faith and the values we hold dearly. The life and teachings of Jesus remind us of the importance of acting with hope and love, forgiving ourselves, forgiving those that have done us ill and of course remembering the greatest commandment to love our neighbour as we would love ourselves.

Unlike the northern hemisphere, our Summer has come to an end and Autumn leads into Winter and the onset of illness peaks during this time, but like each year Spring comes leading to Summer and the cycle of Winter hibernation and sickness usually stops. The culture and traditions of Easter, like Spring, celebrate new life, and in Australia despite us entering Winter, our Gleeson and wider Catholic communities take on the values that promote renewal and new life; love, hope and charity.

For most of our generations, that of our students, parents and grandparents, this unprecedented time in battling the Corona Virus finds us for the first time taking on our obligations of staying at home and isolating from our friends and families. It is forcing us to change the way we socialise, shop, learn, and live and has challenged many of us mentally, emotionally and financially.

Our thoughts are with families affected by the virus, those that have had holidays cut short or cancelled, loss of income through shutdowns and being mindful of the health of vulnerable friends and family members.

The upcoming Easter celebrations will look very different from those previously experienced. Perhaps the forced time spent staying home and isolating will encourage us to remember the Stations of the Cross, the stages that Jesus took before his crucifixion, the cross he had to bare. In doing so we can reflect on our pasts and the times we felt pain and loss. As Jesus rose from the dead and appeared to his followers who began to question their faith, they in time recognised the risen Lord and were born again into a new life preaching the values of love, hope and charity, may we to recognise these values and find ways in which we can show them to all within our community.

In the past weeks, our staff and students have continued to learn and adapt as we have seen the traditional version of education evolve. As our students enter an opportunity to reflect on the term, our staff in Week 11 will take the time to prepare for Term 2.

I would like to take this opportunity to thank our Principal, Mr Joe Corbo. His leadership in a time that has, and continues, to be one of challenges, Mr Corbo shows constant support, guidance and has shown true servant leadership for our community into the next phase of this year. He has continued to keep our community connected through detailed communication and

has held each individual student, their families and our staff as valued members of the Gleeson community.

I would also like to thank all our staff who have been working tirelessly to provide opportunities for our students to continue their learning and in particular quickly adjusting, learning and upskilling in a number of new platforms to bring our student learning to be visible and connected online.

Thank you all for your continued support from home - we are truly blessed to be part of this community united and connected with **One Heart**.

May this Easter, a time of preparation for the resurrection of the Lord, be one focused on sharing time with loved ones, reconnecting and reaching out to the vulnerable within our community and an opportunity to find some peace as we continue to be patient with one another.

**United with One Heart**

## BEN FOLDS TAKES GLEESON MUSIC CLASSES!

*There are silver linings to every cloud!"*

As performing artists from around the world are looking for inventive ways to connect with their audiences, Mrs Meakin's Stage 2 Creative Arts and Ms Anttila's Year 9 Music Classes were privileged to be part of a 'virtual class', led by world-renowned singer, songwriter, musician, composer and record producer Ben Folds (formerly from Ben Folds Five) yesterday morning!

## GLEESON WINS 2020 ARCH D RADIO'S 'IN THE SPIRIT' TEAM AWARD

We are proud to announce Gleeson College was named joint winners of the 'In The Spirit' Team Award at the 2020 Arch D Radio & Podcasting Awards held on Sunday.

We won this major award for our thought-provoking 2019 SchoolLife Podcast series 'Issues that Matter', led by an amazing group of Gleeson students and Mrs Monica Doherty, our Assistant Principal Religious Identity & Mission (APRIM).

We also celebrate being nominated in two other categories - 'Most Listened Podcast' for 'Issues that Matter', and 'On The Mic - Female Senior' Award, where our 2020 College President, Eloise O'Neill, was nominated for her engaging performance on the microphone!

Student Leaders' Phoebe Surman and Emily Carden were presented the award on behalf of the College at a 'Virtual Presentation' led by Arch D Presenter James Meston yesterday!

Congratulations to all involved and a big thank you to James and the team at Arch D Radio. Well done to all nominees and Award winners in 2020!

## 2020 STUDENT LEADERSHIP CAMP > WEST BEACH (FEB 16-17)

On an amazing Sunday morning in February, the 2020 Student Leadership Team gathered at Gleeson to commence their annual Leadership Camp with a liturgy in the College Chapel.

This special liturgy was followed by a House identity activity, some games and a shared lunch, before we all hopped on the bus to West Beach Holiday Park. This year's amazing group of students were accompanied by several lucky staff members who were all excited and looking forward to supporting the group, guiding their conversations and having some fun!

During the day on Sunday, there was an opportunity to get to know the other leaders in a series of games, a chance to practice our public speaking and brainstorm ideas for the year ahead. Following this students enjoyed free time, and after dinner came together for a lovely sunset beach walk. This allowed them the time to reflect on the work that has already been done, and think about the work that is yet to come throughout their time as a leader this year. Sunday night saw the group gather, dressed up in bright retro costumes, to compete in House teams to complete a Lego challenge and dance competitions. Many laughs were shared before going to rest in our dorms after a fun-filled, yet exhausting day.

On Monday morning, the group rose early to prepare for the challenging time ahead at the Mega Adventure Park. The walk over was filled with chatter between the now strengthened friendships. Upon arrival, many of the students realised they would be facing their fears that day - scaling the multiple story high structure with many suspended challenges along the way.

The bonds formed over their time at Camp so far came in handy, as the leaders helped each other through some of the challenges. Together, some people managed to tackle their fear of heights. After finishing the

ascent to the top of the monolithic structure there was only one way to get down! The group individually started their 20-metre decent by jumping off the tower and landing at the bottom.

As the adventure came to an end, there was much reflection on the time spent together over the two days, as well as wishing the camp could go on for just one more day!

Assistant Principal Student  
Development

## YEAR 7 HOME EC > Hands-On Learning at Little Sprouts Kitchen Garden

On March 10, Ms Cooke's Year 7 Home Economics Class visited the Little Sprouts Kitchen Garden at the Adelaide Botanic Gardens.

Students learned many new skills and techniques on gardening and harvesting their own produce to use when cooking.

At Gleeson we have an excellent community garden (see photo on next page), which will be cared for by our Year 7s. They will focus on growing, caring for and harvesting produce to use in their 'Plant to Plate' assignment.

Everyone had a great day and all came back to the College with their very own seedling they can watch grow here in our garden! Thank you to the amazing staff at the Botanic Gardens for a great hands-on, fun afternoon.

## YEAR 8 & YEAR 9 WORLD FOOTBALL PROGRAM > TERM 1 2020

## SATURDAY MORNING SPORT > TERM 1 2020 WRAP UP

2020 Saturday Morning Sport in Term 1 was not what we were expecting! Both boys and girls sport started in Week 3, however the competition came to abrupt end after having only had the opportunity to play three rounds! Although cut short, all teams had an exceptional start the season.

The Middle Tennis Team started strong with a 7 v 5 win over St Ignatius, a 9-1 win over Prince Alfred in Round 2 and a 7-5 loss to Pembroke. This team has shown rapid growth and development since Term 4 last year. Coaches' Mr Philip Hernes and Mr Jason Puttnins have supported this group extensively, leading them from strength to strength, and now almost enough students to fill two teams! We look forward to continuing to grow the team for Term 4. Players who returned from Term 4 last year include Conway Bennetts (9 DMPAR), Liam Isaacson (9 DMPAR), Christian Tropiano (9 MMMIT), Brooke Benzie (9 HMHL), George Couzner (9 DMMCC), Emma Clark (9 HMSHA), Kailee Williams (9 FMWIL), Amelia Thompson (8 DMMCC), Tehya-Rose Cole (8 DMBRN), Thomas Hughes (9 FMHER) and Eoin Rice (8 MMMIT). New players in 2020 include Harrison Clark (7 HMSHA), Imogen Bennetts (7 DMPAR), Liam Browne (7 DMPAR) and William Elsworth (7 FMTER). Well done to the GC Middle Tennis Team on a great start to the season.

Our Open Badminton Team continues to grow, however we are hopeful that we will have enough numbers for a Middle and Open Team come Term 4. This team, made up of students from Year 7 through to Year 12, is fantastically coached by Mr Chad Schoenmakers. Gleeson started out with a great 12-0 win over Pembroke in the opening round, and we then faced St Ignatius away, before finishing the season with a draw (on games) against Rostrevor at home. The team is ably led by Senior students' Charles Conroy (12 DSHEW), Michigan San Juan (12 FSSAL), Ethan Hubbard (11 DSHUT) and Jonte Russian (10 FSTUL). Team members in 2020 include Chonticha Soi-Chok (11 DSSMI), Madison Celles (11 FSTUL), Alyssa Reynolds (11

HSSCH), Liam Garvey (11 FSBOC), Kayla Foreman (11 DSSMI), Imogen Verrall (11 MSGAG), Kirilee Molloy (9 MMMIT), Lachlan Abraham (8 FMZAC), Lachlan Ryan (8 MMBAR) Tomasz Redel (8 DMCUR), Finn Russian (8 FMZAC), Melvynn Celles (7 FMHER) and William Conroy (7 DMCUR).

Open Girls Touch Football had strong numbers turning out in 2020. The team had the consistency of Emily Carden (12 MSCOD), Phoebe Doolin (9 DMPAR), Ebony Hossen (10 FSBOC), Hayley Jameson (12 HSGLO), Alicia Malatesta (12 DSHEW), and the Taverner sisters' Ella (11 MSGAG) and Abby (12 MSCOD) return to play, and were excited for the additions of Jana Ivancic (12 HSGLO) and Angelina Kyriacou (12DSHEW). This allowed the girls extra options for subs throughout the games. The team managed to strategise their way through the competition, and after having a bye in the opening round, the team finished top of the table scoring a total 12 tries in their following two games, defeating both Seymour and St Aloysius 8-2 and 4-0 respectively. The team is expertly coached by Mr James Baron and Mr Ezrah Holland in 2020 and the girls are now looking forward to defending their Term 1 title when the season recommences come Term 4.

Gleeson's Open Girls Volleyball Team has gone from strength to strength, with the core group of Sarah Craggs (10 DSSMI), Molly Bennett (10 DSSMI), Monique Barber (10 DSND), Mia Damiani (10 DSHUT), Renae Damiani (10 DSHUT) and Paige Dewar (10 DSND) now having played together for several seasons. This has allowed the girls to form great teamwork and communication between one another, and confidently support newer girls to the team. The team has been

receiving great coaching from GC Old Scholar Tiffany Holzer (2019 Dux of College), with amazing assistance from Ms Kerri-Anne Freeth. The girl's overall skills have improved, and they have developed great team strategies as the season has progressed. New players welcomed in 2020 are An-Thien Pham (9 DMMCC), Andrea Calunod (9 MMCUA), Ella Rooney (8 MMMIT) and Nicole Mifsud (10 MSSEL). The girls recorded two wins and one loss so far this season, and with remaining games cancelled due to COVID19 recommendations, the team is now looking to continue on their winning form in Term 4.

The Middle Girls Basketball Team has welcomed new players Savannah Roach (7 MMCUA) and Jordan Marshall (7 MMPUT) to the team, joining returning players Ella Krieg (9 DMMCC), Ashleigh Roach (9 MMCUA), Scarlett Hatchard (9 HMDIT), Caitlyn Salmon (9 FMTER) and Chloe Rogers (9 FMHER). This team was coached each week by injured team-mate Adanna Okoye (9 MMPUT) and Old Scholar Jayden Dawson (Class of 2019). The girls had two fantastic wins, one in the opening round against OLSH – a fantastic opportunity for all players to get a chance to play together and everyone scored to win the game convincingly! With a bye that was turned into an internal trial, the girls played their final round in a top-of-the-table clash against Loreto, where we were unlucky to have not taken the top spot from them with a narrow loss.

We look to continue the success of what these teams started this term, as the Summer season continues in Term 4. I would like to thank all Gleeson

Staff, Old Scholars, students and parents who continue to enthusiastically immerse themselves in the growing, and dynamic, sporting culture we have here at the College. Having had the opportunity to witness the trainings and games this term, I can't wait to see how these students continue to grow and develop into future seasons.

Rachel Staffin,  
Sports Development Coordinator
