

FOURTH SUNDAY OF ADVENT

4th Sunday of Advent

BY FAR, THE best way to celebrate Christmas is to be with children. And we are so close to Christmas now that our children can barely contain their excitement!

Yet, before his marriage, poor Joseph could not have been very excited to hear that Mary was with child. Sure, most fathers, when they learn their wife is expecting, can get a little bewildered, too. But Joseph felt that this was not the expected way to bring children into the world, and so he planned to dismiss Mary quietly from his life.

And then the unexpected happened to this bewildered man who was just looking to do the right thing. Divine intervention arrived in the form of a dream – complete with talking angels. This convinced Joseph that his plans had to change. Will the unexpected presence of God awaken us this Advent, and really change our lives as a result?

Advent is all about deeply living this exciting time of expectation, a precious time to prepare to change ourselves, our homes, and our hearts, for sharing. We have to remember that it was the Divine who initiated this sharing in that first Feast of the Incarnation, sending his Son to be the Saviour that our lives yearn for most. Emmanuel – “God with us!” Can we open our hearts to see the signs that “God is with us” today?

(Reflection of Joe Gunn, from Living with Christ)
