

# DIPLOMA HOLDER

Our teachers have played a vital role to promote Christian education and moral values in students. They teach with great responsibility and devotion. Their efforts, struggles, and hard work is shown in the catechetical results of the students who appeared in diocese exams and got several diplomas and certificates. They have shown excellent results in the diocese examination. One of our students Rimal Atif scored highest marks in catechism exams. May God Bless all the students of La Salle High School Campus-2.

## How do I feel being of LaSallian teacher?

I am Rubina Pious, working as a subject specialist and class teacher for many years at La Salle High School Campus-2. I have touched many hearts of young scholars and as a result my students are leading a successful and prosperous life. I was nothing, just like an empty vessel. With the passage of time, the institutions helped me in my spiritual life as well as in the field of study and education and made me able to become a good Lasallian teacher. I salute this institution, all the former and present Principals Bro. Sajid Bashir FSC, who helped me in my teaching career.

## From the Principal

Schools are extremely busy places and the first term is usually characterized by student meeting the expectations and standards of their new year level. This year has been very special as we welcomed PLAY GROUP in our school. It has been exciting watching the youngest member of our school adapt to their new setting gradually.

During this term Our staff have concentrated on developing a "Learning Culture" in our students. We have emphasized the importance of students accepting responsibility for their learning. We have emphasized the need for staff and students to work together as learning partners. The majority of students have settled well into their studies. Staff have worked diligently in assisting students to achieve to the best of their abilities. Thank you also to parents and students for your excellent support of our Uniform and Appearance Policy so far. In closing, on behalf of the staff of La Salle High School Campus-2 I wish everyone

## Lasallian Greetings!

It's been a very enriching and fruitful experience since I have begun working with Lasallian family of Campus-II to educate the marginalized youth. I am impressed to see the growing number of the students in our school, which is evidence of the hard work we all have done together for this institution. As we celebrate the great feast of our Founder who is well known for his great work as a teacher, It's my prayer that we all may continue to grow and touch the hearts of those confided to our care. I thank Br. Sajid FSC for taking up his role as a principal and our competent faculty for their selfless contribution in making Campus-II outstanding in the field of education.

## TEACHER of the YEAR

We believe in a core Lasallian teaching system. Our school not only believe in the mental nourishment of the student but we also follow the teacher training. Already we had a teacher Quiz competition. The Quiz was based on the founder of Lasallian school, St. John Baptist De La Salle and school formation. Teachers participated in this competition very actively. It was very delightful experience.

I am proud to say that school management has honored me by awarding me the "teacher of the month". This credit goes to Rev. Br. Sajid Bashir
