Camp La Salle: Sydney is a program for students from all eight Lasallian schools in the metro-Sydney area and is a fantastic opportunity for a select group of students to make new friends and develop new skills through a range of fun activities. Your son has been nominated by the staff at his school to take part in this special gathering, and we wish to seek your permission and to formally invite him to do so.

The return will be to the same location at **3.30pm on Friday 9th December**.
