LSLS

Notes and information for Lasallian Student Leadership Seminar have now gone out to all the schools. Please make sure you follow this up with your staff and school leaders. The return date for forms and registration is:

Friday 2nd December

Keeping in contact

It is now the final term of the year. Please make sure to keep in touch with your fellow youth ministers. Make calls, send texts or emails and if possible even catch up face to face.

Exams

Term 4 is the big term for the outgoing year 12s as they sit their final exams. Make sure to make the effort to see these students during this time. Small things like praying with them before their exams or hanging out in the study areas for moral support. You will all recall the stress associated with these exams. This is a great time for youth ministry and to support these students when they need it most.

PRAA

Remember to keep your PRAA document and Employment Register up to date on the Google Drive. We will be organising meetings with each of you and your supervisors in the coming weeks, in order to discuss your goals for 2016.

PNG Stationery

We would like to express our deepest gratitude to all the Sydney YMs that worked with us on the PNG stationery drive. The amount of resources you all collected has blown us away.

ILD

Please don't forget that it is now the time of *International Lasallian Days of Peace*. A resource pack has been sent to each of your schools with useful activities and prayers that you can use with your students during this important time for our Lasallian family.

St Solomon

Blessed Brother Solomon Le Clercq, FSC, will be canonized in a ceremony in Saint Peter's Square in Vatican City on October 16, 2016, at 10:00 a.m. local time. Brother Solomon was martyred on September 2, 1792, during the French Revolution. He was the first Brother of the Christian Schools to be martyred, and the first to be beatified.
