

Dear Dream Team 15,

Have you ever been on an EXTREME adventure that you never dreamed of ever going on? An experience that is so vivid in your mind that you felt so alive? I know I have, just the other day I had this really sweaty, hot and stinky experience that was absolutely exhilarating... BUBBLE SOCCER. You strap yourself into the inside of a zorbing ball and go hammer and tongs, colliding into each other as you attempt to play soccer. Luckily there is no referee, so there were no fouls. I am sure I would of gotten red carded. Another example is this ministry job; I would have never believed I would have a ministry position that invites me to go to four amazing countries as a routine.

As I think about these two experiences and many of the best experiences in my own life, it all began with a **personal invitation**. Melissa invited me to come and join her and her friends to do bubble soccer, my sister Bazza, who many of you know, invited me to apply for the Lasallian Youth Ministry position. Even though I had never fathomed these things, I listened to a trusted person in my life and said, yes why not, I can do that. If it wasn't for so many of my friends, family and colleagues asking, encouraging and simply conversing with me about these opportunities, my life would be very different.

This Dream Team 15 is what we are on about in all of our Ministry, that personal invitation to journey this Lasallian journey of Faith, Service and Community towards a life promised by God to be a "Life and life to the full" John 10:10! We personally invite on all reflection days students to be their best selves. Now below, we ask you to invite some of those year 12 students, peers, colleagues, friends and Lasallians to adventure in life changing programs.

A few upcoming deadlines to personal invite those in your sphere of influence;

- **Volunteer La Salle Share The Mission – Applications now overdue.**
 - Can you please follow-up any leads and avenues, we are always looking for some great candidates to apply. Many do have exams and may have simply forgotten. If you could prompt them that would be great. Please let me know if you have anymore leads for STM applicants
- **Young Lasallians Conference – Closing this Monday 12th of October.**
 - This is a Lasallian first for our District and we will be hosting Antoine Beland from Rome, who is the International Coordinator for Young Lasallians. He is one of many great speakers coming along. Email Br. Tony for applications and encourage all to attend.
- **Volunteer La Salle – Closing Friday 16th of October**
 - **Cambodia**

- Balgo January
- Papua New Guinea
- Camp La Salle Sydney & Adelaide

Who will you invite onto this adventure?

A promotional poster for the Young Lasallians Conference. The background is a collage of diverse young people smiling. The text is arranged in several colored boxes: a red box at the top left with the title 'Young Lasallians Conference', an orange box below it with 'For all Young Lasallians aged 18 - 35', a green box with 'November 20 - 22, Melbourne, 2015 - Cost \$220', a light green box with the quote 'God Has Chosen You to Do His Work', an orange box with 'Come along to rediscover your passion for the Lasallian Mission', a white box at the top right with 'Next Round Registrations Close October 12th', and a dark grey box at the bottom right with contact information for Br Tony Cummins.
