# Stak Collection

The Stak Collection of pendant lights is a modular system that encompasses a structured form with a flexibility in style. With a core focus on the expression of light, each combination of mouth-blown glass shades exquisitely complements the other, thus establishing the narrative for a universally appealing aesthetic.

With the confident air of classic design, this bold and minimal collection will sit comfortably in any contemporary interior setting, as an individual suspension or in composition for a more impactful presence.

# Organic Collection

The Organic collection features a characteristic contour in its form. Energetic and asymmetrical, each glass shade is individually mouth-blown and hand formed to give it a unique shape - no two pendants are ever the same.

The way that light beams through the contours of each different glass surface provides a thrilling light diffusion.

Presents beautifully as an individual piece or can be used within a cluster arrangement to form an elegant and unique feature.

Dover Lantern™  
4 Light, Clear

LIGHTING REPUBLIC

# Dover Collection

The Dover Collection features a timeless and universal design that brings a sense of modernity to what would be considered a traditional lantern style of lighting.

The Dover Collection's large scale and Old Bronze finish elicit robust characteristics. This is contrasted by the airiness that is seen in the spaciousness within the shade. The delicateness from diffusion of the light becomes the focal point of this substantial collection.
