

2025 Sponsorship Prospectus

Queensland Medical Orchestra & Choir

www.qmo.org.au

Since 2010, the Queensland Medical Orchestra and Choir have provided an opportunity for medical professionals, students and friends a chance to share their musical talents with the greater community. Our members range from Directors of major hospital departments to first year medical students; from nursing and allied health professionals to administrative staff. However, inside rehearsals and on the stage, we all work side by side to get through that tricky semiquaver run or nail those high notes. Our diverse background allows us the great fortune of playing with many prodigious talents that have moved on to Medicine after a life in the concert hall. Our organisation is unique in Australia as the QMO & C is run completely by unpaid volunteers including all our performers, and there is no membership fee for our instrumentalists and singers to join our orchestra/choir.

The ethos of QMO&C is the provision of a creative musical outlet for our members, promotion of self-care, wellbeing and fostering a supportive social network amongst our health professionals outside our work environment. With the generosity of our sponsors, we also get the opportunity to raise funds for local charities, to give back to the community that we serve. Over the last 15 years, we have raised more than \$200,000 for charities through our concerts. To find out more about us, watch our 2-minute introductory video <https://www.youtube.com/watch?v=WUVGbrSEr6q&t=3s>

Sponsorship of QMO&C will affiliate your organisation with a very popular and well-regarded group of healthcare professionals. We have quite a following within the medical community. This affiliation will place your organisation as a supporter for our healthcare workers' wellbeing, and afford you the opportunity to target your marketing to a specific niche of the health community, including exposure of your business to over 800+ members in our organisation and more than 1500 in our audience database through our e-newsletter and social media.

We have an exciting program planned for 2025, and as always, some very worthy charities lined up. There will be three concerts, and one chamber music event (The Spring Soiree).
